Chapter 4

APPLICATIONS, WAITING LIST AND TENANT SELECTION

INTRODUCTION

When a family wishes to receive assistance under the HCV program, the family must submit an application that provides the SCHA with the information needed to determine the family's eligibility. HUD requires the SCHA to place all families that apply for assistance on a waiting list if the list is open. When HCV assistance becomes available, the SCHA must select families from the waiting list in accordance with HUD requirements and SCHA policies as stated in the administrative plan and the annual plan.

The SCHA is required to adopt clear policies and procedures for accepting applications, placing families on the waiting list, and selecting families from the waiting list, and must follow these policies and procedures consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or the SCHA that justify their selection. Examples of this are the selection of families for income targeting and the selection of families that qualify for targeted funding.

HUD regulations require that all families have an equal opportunity to apply for and receive housing assistance, and that the SCHA affirmatively further fair housing goals in the administration of the program [24 CFR 982.53, HCV GB p. 4-1]. Adherence to the selection policies described in this chapter ensures that the SCHA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and SCHA policies for taking applications, managing the waiting list and selecting families for HCV assistance. The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process, and discusses how applicants can obtain and submit applications. It also specifies how the SCHA will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how the SCHA's waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process the SCHA will use to keep the waiting list current.

Part III: Selection for HCV Assistance. This part describes the policies that guide the SCHA in selecting families for HCV assistance as such assistance becomes available. It also specifies how in-person interviews will be used to ensure that the SCHA has the information needed to make a final eligibility determination.

DRAFT

PART I: THE APPLICATION PROCESS

4-I.A. OVERVIEW

This part describes the SCHA policies for making applications available, accepting applications, making preliminary determinations of eligibility, and the placement of applicants on the waiting list. This part also describes the SCHA's obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

4-I.B. APPLYING FOR ASSISTANCE [HCV GB, pp. 4-11 – 4-16, Notice PIH 2009-36]

Any family that wishes to receive HCV assistance must apply for admission to the program. HUD permits the SCHA to determine the format and content of HCV applications, as well how such applications will be made available to interested families and how applications will be accepted by the SCHA. The SCHA must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of the SCHA's application.

SCHA Policy

SCHA uses a two-step application process, because it is expected that a family will not be selected from the waiting list for at least 60 days from the date of application. Under the two-step application process, SCHA initially will require families to provide only the information needed to make an initial assessment of the family's eligibility, and to determine the family's placement on the waiting list. The family will be required to provide all information necessary to establish family eligibility and level of assistance when the family is selected from the waiting list.

Families may obtain online pre-application forms from the SCHA website when the waiting list is open. When the waiting list is open, a list of advocates will be posted, available to help applicants complete and submit the pre-application. As a reasonable accommodation, families may request, by telephone, email or by mail that a pre-application be mailed to them. SCHA maintains the ability to retain a hard-copy pre-application process, for particular Section 8 programs or for all Section 8 programs.

Only one pre-application will be accepted per family.

Completed pre-applications must be returned to SCHA online. SCHA will accept pre-applications in person, by fax, email or by mail as a reasonable accommodation. Pre-applications must be complete in order to be accepted by SCHA for processing. If a pre-application is incomplete, SCHA will notify the family of the additional information required.

4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS

Elderly and Disabled Populations [24 CFR 8 and HCV GB, pp. 4-11 – 4-13]

The SCHA must take steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard SCHA application process. This could include people with disabilities, certain elderly individuals, as well as persons with limited English proficiency (LEP). The SCHA must provide reasonable accommodation to the needs of

individuals with disabilities. The application-taking facility and the application process must be fully accessible, or the SCHA must provide an alternate approach that provides full access to the application process. Chapter 2 provides a full discussion of the SCHA's policies related to providing reasonable accommodations for people with disabilities.

Limited English Proficiency

PHAs are required to take reasonable steps to ensure equal access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on the SCHA's policies related to ensuring access to people with limited English proficiency (LEP).

4-I.D. PLACEMENT ON THE WAITING LIST

The SCHA must review each complete application received and make a preliminary assessment of the family's eligibility. The SCHA must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance) for the grounds stated in the regulations [24 CFR 982.206(b)(2)]. Where the family is determined to be ineligible, the SCHA will notify the family in writing [24 CFR 982.201(f)]. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list [24 CFR 982.202(c)].

Ineligible for Placement on the Waiting List

SCHA Policy

If SCHA can determine from the information provided that a family is ineligible, the family will not be placed on the waiting list. Where a family is determined to be ineligible, SCHA will send written notification of the ineligibility determination within 10 business days of receiving a complete pre-application. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review and explain the process for doing so (see Chapter 16).

Eligible for Placement on the Waiting List

SCHA Policy

Placement on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility will be made when the family is selected from the waiting list.

Applicants will be placed on the waiting list-based on a random lottery selection process and according to any preference(s) for which they qualify. For project-based waitlists, in instances where 200 or less applicants will be placed on the waitlist, the SCHA may choose to select and place by preference, date and time of application.

PART II: MANAGING THE WAITING LIST

4-II.A. OVERVIEW

The SCHA must have policies regarding various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list

information, purging the list of families that are no longer interested in or eligible for assistance, as well as conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how a PHA may structure its waiting list and how families must be treated if they apply for assistance from a PHA that administers more than one assisted housing program.

4-II.B. ORGANIZATION OF THE WAITING LIST [24 CFR 982.204 and 205]

The SCHA's HCV waiting list must be organized in such a manner to allow the SCHA to accurately identify and select families for assistance in the proper order, according to the admissions policies described in this plan.

The waiting list must contain the following information for each applicant listed:

- Applicant name;
- Family unit size;
- Randomly assigned number by online application software system;
- Qualification for any local preference; and
- Racial or ethnic designation of the head of household.

HUD requires the SCHA to maintain a single waiting list for the HCV program unless it serves more than one county or municipality. Such PHAs are permitted, but not required, to maintain a separate waiting list for each county or municipality served.

SCHA Policy

SCHA will maintain a single waiting list for the SCHA HCV program.

HUD directs that a family that applies for assistance from the HCV program must be offered the opportunity to be placed on the waiting list for any public housing, project-based voucher or moderate rehabilitation program the SCHA operates if 1) the other programs' waiting lists are open, and 2) the family is qualified for the other programs.

HUD permits, but does not require, that PHAs maintain a single merged waiting list for their public housing, Section 8, and other subsidized housing programs.

A family's decision to apply for, receive, or refuse other housing assistance must not affect the family's placement on the HCV waiting list, or any preferences for which the family may qualify.

SCHA Policy

SCHA will not merge the HCV waiting list with the waiting list for any other program SCHA operates, with the exception of the Emergency Housing Voucher (EHV) waitlist (SCHA does not have EHV vouchers, but if awarded, this policy will be in effect). The EHV waitlist will be merged with the HCV wait list when HUD informs PHAs that there will be no more EHV vouchers issued and there are EHV applicants remaining on the EHV waitlist. If HUD issues more EHV vouchers, a new EHV waitlist will be open and will not be merged with any previous or current EHV or HCV waitlists.

DRAFT

4-II.C. OPENING AND CLOSING THE WAITING LIST [24 CFR 982.206]

Closing the Waiting List

A PHA is permitted to close the waiting list if it has an adequate pool of families to use its available HCV assistance. Alternatively, the SCHA may elect to continue to accept applications only from certain categories of families that meet particular preferences or funding criteria.

SCHA Policy

SCHA will close the waiting list when the estimated waiting period for housing assistance for applicants on the list reaches 24 months for the most current applicants. Where SCHA has particular preferences or funding criteria that require a specific category of family, SCHA may elect to continue to accept applications from these applicants while closing the waiting list to others. VHA will not apply any residency preference to FUP and FYI voucher applicants [PIH Notice 2025-08).

Reopening the Waiting List

If the waiting list has been closed, it cannot be reopened until the SCHA publishes a notice in local newspapers of general circulation, minority media, and other suitable media outlets. The notice must comply with HUD fair housing requirements and must specify who may apply, and where and when applications will be received.

SCHA Policy

SCHA will announce the reopening of the waiting list at least 10 business days prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice.

SCHA will give public notice by publishing the relevant information in suitable media outlets including, but not limited to:

Publications and newspapers of general circulation

Announcements to social service and minority organizations

Other appropriate methods of marketing to reach low-income households, including the elderly, disabled, LEP persons, and any underrepresented populations

4-II.D. FAMILY OUTREACH [HCV GB, pp. 4-2 to 4-4]

The SCHA must conduct outreach as necessary to ensure that the SCHA has a sufficient number of applicants on the waiting list to use the HCV resources it has been allotted.

Because HUD requires the SCHA to admit a specified percentage of extremely low-income families to the program (see Chapter 4, Part III), the SCHA may need to conduct special outreach to ensure that an adequate number of such families apply for assistance [HCV GB, p. 4-20 to 4-21].

SCHA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

SCHA outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

SCHA Policy

SCHA will monitor the characteristics of the population being served and the characteristics of the population as a whole in SCHA's jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES

SCHA Policy

While the family is on the waiting list, the family must immediately inform SCHA of changes in contact information, including current residence, mailing address, email and phone number and other changes that may affect their placement on the waiting list. The changes must be submitted in writing and on the form approved by the SCHA.

4-II.F. UPDATING THE WAITING LIST [24 CFR 982.204]

HUD requires the SCHA to establish policies to use when removing applicant names from the waiting list.

Purging the Waiting List

The decision to withdraw an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to a SCHA request for information or updates, and the SCHA determines that the family did not respond because of the family member's disability, the SCHA must reinstate the applicant family to their former position on the waiting list [24 CFR 982.204(c)(2)].

SCHA Policy

The waiting list will be updated approximately every two years to ensure that all applicants and applicant information is current.

To update the waiting list, SCHA will send an update request by email or via mail to each family on the waiting list to determine whether the family continues to be interested in the program. This update request will be sent to the last email or mailing address that SCHA has on record for the family. The update request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant's name being removed from the waiting list.

The family's response must be in writing and may be delivered electronically, in person, or by mail. Responses must be postmarked or received by SCHA not later than the deadline stated in the update request letter.

If the family fails to respond by the deadline stated in the update request letter, the family will be removed from the waiting list without further notice.

If the notice is returned by the post office with no forwarding address, the applicant will be removed from the waiting list without further

If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated The family will have until the deadline stated in the update request letter to respond, or the applicant will be removed from the waiting list without further notice.

If a family is removed from the waiting list for failure to respond, the SCHA may reinstate the family if it is determined that the lack of response was due to SCHA error, or to circumstances beyond the family's control as a result of a family member's disability, or as a direct result of status as a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, including an adverse factor resulting from such abuse.

Removal from the Waiting List

SCHA Policy

If at any time an applicant family is on the waiting list and the SCHA determines that the family is not eligible for assistance (see Chapter 3), the family will be removed from the waiting list.

If a family is removed from the waiting list because SCHA has determined the family is not eligible for assistance, a notice will be sent electronically or to the family's mailing address. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal review regarding SCHA's decision (see Chapter 16) [24 CFR 982.201(f)].

PART III: SELECTION FOR HCV ASSISTANCE

4-III.A. OVERVIEW

As vouchers become available, families on the waiting list must be selected for assistance in accordance with the policies described in this part.

The order in which families are selected from the waiting list depends on the selection method chosen by the SCHA and is impacted in part by any selection preferences for which the family

qualifies. The availability of targeted funding also may affect the order in which families are selected from the waiting list.

The SCHA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to the SCHA's selection policies [24 CFR 982.204(b) and 982.207(e)].

4-III.B. SELECTION AND HCV FUNDING SOURCES

Special Admissions [24 CFR 982.203]

HUD may award funding for specifically-named families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a non-purchasing family residing in a HOPE 1 or 2 projects). In these cases, the SCHA may admit such families whether or not they are on the waiting list, and, if they are on the waiting list, without considering the family's position on the waiting list. These families are considered non-waiting list selections. The SCHA must maintain records showing that such families were admitted with special program funding.

Targeted Funding [24 CFR 982.204(e)]

HUD may award a SCHA funding for a specified category of families on the waiting list. The SCHA must use this funding only to assist the families within the specified category. In order to assist families within a targeted funding category, the SCHA may skip families that do not qualify within the targeted funding category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

SCHA Policy

SCHA administers the following types of targeted funding:

Veterans Affairs Supportive Housing (VASH)

Family Unification Program (FUP)

Mainstream Voucher Program (MS5)

Regular HCV Funding

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 4-III.C.

4-III.C. SELECTION METHOD

PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that the SCHA will use [24 CFR 982.202(d)].

Local Preferences [24 CFR 982.207; HCV p. 4-16]

SCHAs are permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the SCHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the SCHA plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

SCHA Policy

SCHA uses the following local preference system.

Terminated from SCHA's HCV Program Due to Insufficient Funding

Such families will be placed on SCHA's HCV waiting list even when the waiting list is closed. Families will still be subject to the SCHA's eligibility requirements.

Displaced by Local Government Action

An individual or family who, within the last six (6) months, has been given notice to vacate their current unit due to an action taken by an agency of the City Dixon, Rio Vista and within the unincorporated areas of Solano County (Local Government). This does not include any eviction of the family due to any action or lack thereof on the family's part. Such families will be placed on SCHA's HCV waiting list even when the waiting list is closed. Families will still be subject to the SCHA's eligibility requirements.

Local Resident

Families who live within the city limits of Dixon, Rio Vista, and within the unincorporated areas of Solano County or whose head of household, spouse or cohead works (verifiable, paid employment) or have been notified that they are hired to work within the city limits of Dixon, Rio Vista or within the unincorporated areas of Solano County. The employment must be reported to all applicable sources (i.e., the IRS, CalWorks, etc.) to be eligible for this preference. If an applicant is on temporary disability from the job that is qualification for this preference, the applicant must still be employed by the company and considered eligible to return to work upon medical reinstatement. A post office box address is not considered proof of local residency. A family who claims to be homeless in Dixon, Rio Vista or the unincorporated areas of Solano County must provide business verification of services received in Dixon, Rio Vista or the unincorporated areas of Solano County or any other business documentation that ties that person to Dixon, Rio Vista or the unincorporated areas of Solano County. Handwritten letters from friends, relatives or other private individuals will not be acceptable as proof of residence.

Veteran Status

Head of household, spouse or cohead has served at least 181 consecutive days active duty in the armed forces, and who has received an honorable or medical discharge from the United States Armed Forces. Active duty training and inactive duty training shall not be considered active duty for purposes of this preference. The applicant who is eligible for the veteran preference must live with the family.

DRAFT

An applicant who was married to a veteran at the time of the veteran's death, or to a person who was in the military at the time of the person's death, is eligible for the veteran preference if the applicant has not remarried. A person who is separated or divorced from the veteran but maintains eligibility status for Veteran's benefits is eligible for the veteran preference.

Working Family

Working family is a family where head of household, spouse or cohead is employed (verifiable, paid employment), a recent graduate (within 6 months) or active full-time participant in an educational and/or training program, is currently receiving Unemployment Insurance Benefits or is on temporary disability. The employment must be reported to all applicable sources (i.e., the IRS, CalWorks, etc.) to be eligible for this preference. If an applicant is on temporary disability from the job that is qualification for this preference, the applicant must still be employed by the company and considered eligible to return to work upon medical reinstatement.

This preference will be automatically awarded to families where the head of household and spouse, or head of household and cohead are at least 62 years of age, or meet HUD's definition of a disabled person.

Limited Preference

Non-Elderly Disabled Family who is Currently Experiencing Homelessness

Non-Elderly Disabled Family who is Currently Experiencing Homelessness is a family that includes a person(s) that meet HUD's definition of a disabled person who is at least 18 years old and not 62 years old that is currently experiencing homelessness as defined by HUD. Family's claiming this preference must be referred by one of the SCHA partner services agencies listed below:

- Resource Connect Solano
- Independent Living Resources of Solano & Contra Costa County

Preference System

SCHA ranks its preferences in the following manner:

Points	Preference
23	Terminated Due to Lack of Funding
22	Displaced
8	Local Resident
5	Working (includes elderly and disabled)
2	Veteran
0	Non-Elderly Disabled Family who is Currently Experiencing Homelessness

DRAFT

Income Targeting Requirement [24 CFR 982.201(b)(2)]

HUD requires that extremely low-income (ELI) families make up at least 75 percent of the families admitted to the HCV program during the SCHA's fiscal year. ELI families are those with annual incomes at or below the federal poverty level or 30 percent of the area median income, whichever number is higher. To ensure this requirement is met, a SCHA may skip non-ELI families on the waiting list in order to select an ELI family.

Low-income families admitted to the program that are "continuously assisted" under the 1937 Housing Act [24 CFR 982.4(b)], as well as low-income or moderate-income families admitted to the program that are displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing, are not counted for income targeting purposes [24 CFR 982.201(b)(2)(v)].

SCHA Policy

SCHA will monitor progress in meeting the income targeting requirement throughout the fiscal year. Extremely low-income families will be selected ahead of other eligible families on an as-needed basis to ensure the income targeting requirement is met.

Order of Selection

The PHA system of preferences may select families based on local preferences according to the date and time of application or by a random selection process (lottery) [24 CFR 982.207(c)]. If a PHA does not have enough funding to assist the family at the top of the waiting list, the SCHA is not permitted to skip down the waiting list to a family that it can afford to subsidize when there are not sufficient funds to subsidize the family at the top of the waiting list [24 CFR 982.204(d) and (e)].

SCHA Policy

Families will be selected from the waiting list based on the targeted funding or selection preference(s) for which they qualify, and in accordance with SCHA's priority of preferences, if applicable. Within each targeted funding or preference category, families will be selected according to the randomly assigned numbers by the online application software system. Documentation will be maintained by SCHA as to whether families on the list qualify for and are interested in targeted funding. If a higher placed family on the waiting list is not qualified or not interested in targeted funding, there will be a notation maintained so that SCHA does not have to ask higher placed families each time targeted selections are made.

4-III.D. NOTIFICATION OF SELECTION

When a family has been selected from the waiting list, the SCHA must notify the family [24 CFR 982.554(a)].

SCHA Policy

SCHA will notify the family by email or mail to the most recent mailing address on file when it is selected from the waiting list. The notice will inform the family of the following:

Date, time, and location of the scheduled eligibility appointment, including any procedures for rescheduling the appointment;

Who is required to attend the eligibility appointment;

All documents that must be provided at the eligibility appointment to document the legal identity of household members, including information about what constitutes acceptable documentation, and to verify any preferences claimed; and

Other documents and information that should be brought to the eligibility appointment.

The notification letter will inform the family that they will be removed from the waiting list if the family does not appear at or reschedule the eligibility appointment. If the notification letter is returned to SCHA with no forwarding address, the family will be removed from the waiting list without further notice. If the notification letter is returned to SCHA with a forwarding address, SCHA will send the notification letter to the forwarding address.

4-III.E. THE ELIGIBILITY APPOINTMENT

HUD recommends that the SCHA obtain the information and documentation needed to make an eligibility determination through a face-to-face interview with a SCHA representative [HCV GB, pg. 4-16]. Being invited to attend an eligibility appointment does not constitute admission to the program.

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if the SCHA determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period of time determined by the SCHA [Notice PIH 2018-24].

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability.

SCHA Policy

Families selected from the waiting list are required to participate in an eligibility appointment.

The head of household and the spouse/cohead will be strongly encouraged to attend the appointment together. However, either the head of household or the spouse/cohead may attend the appointment on behalf of the family. Verification of information pertaining to adult members of the household not present at the appointment will not begin until signed release forms are returned to SCHA.

The head of household or spouse/cohead must provide acceptable documentation of legal identity. (Chapter 7 provides a discussion of proper documentation of legal identity.) If

the family representative does not provide the required documentation at the time of the appointment, he or she will be required to provide it within 10 business days.

Pending disclosure and documentation of social security numbers, SCHA will allow the family to retain its place on the waiting list for 90 days. If not all household members have disclosed their SSNs at the next time SCHA is issuing vouchers, SCHA will issue a voucher to the next eligible applicant family on the waiting list.

The family must provide the information necessary to establish the family's eligibility and determine the appropriate level of assistance, as well as completing required forms, providing required signatures, and submitting required documentation. If any materials are missing, SCHA will provide the family a notice with a written list of items that must be submitted, with a specified time frame (plus any extensions). This notice will be signed by the family and will inform the family that they will be removed from the waiting list if all items are not submitted within the specified time frame (plus any extensions).

Any required documents or information that the family is unable to provide at the interview must be provided within 10 business days of the interview (Chapter 7 provides details about longer submission deadlines for particular items, including documentation of eligible noncitizen status). If the family is unable to obtain the information or materials within the required time frame, the family may request an extension.

An advocate, interpreter, or other assistant may assist the family with the application and the eligibility appointment process.

Interviews will be conducted in English. For limited English proficient (LEP) applicants, SCHA will provide interpretation services in accordance with the SCHA's Language Assistance Plan (LAP).

If the family is unable to attend a scheduled eligibility appointment, the family should contact SCHA in advance to schedule a new appointment. If the family calls to reschedule, SCHA will send another notification letter with a new eligibility appointment time. The family may reschedule the eligibility appointment only once. Applicants who fail to attend the original eligibility appointment or a rescheduled eligibility appointment will be removed from the waiting list without further notice.

4-III.F. COMPLETING THE APPLICATION PROCESS

The SCHA must verify all information provided by the family (see Chapter 7). Based on verified information, the SCHA must make a final determination of eligibility (see Chapter 3) and must confirm that the family qualified for any special admission, targeted funding admission, or selection preference that affected the order in which the family was selected from the waiting list.

SCHA Policy

If SCHA determines that the family is ineligible, SCHA will send written notification of the ineligibility determination within 30 days of the determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review (Chapter 16).

DRAFT

If a family fails to qualify for any criteria that affected the order in which it was selected from the waiting list (e.g. preferences), the family will be returned to the waiting list with the original application date. SCHA will notify the family in writing that it has been returned to the waiting list, and will specify the reasons for it, with an opportunity for a discussion with the family if the family so requests. An informal review will not be offered in this case.

If SCHA determines that the family is eligible to receive assistance, SCHA will invite the family to attend briefing in accordance with the policies in Chapter 5.

Chapter 16

PROGRAM ADMINISTRATION

INTRODUCTION

This chapter discusses administrative policies and practices that are relevant to the activities covered in this plan. The policies are discussed in seven parts as described below:

Part I: Administrative Fee Reserve. This part describes the SCHA's policies with regard to oversight of expenditures from its administrative fee reserve.

Part II: Setting Program Standards and Schedules. This part describes what payment standards are, and how they are updated, as well as how utility allowances are established and revised.

Part III: Informal Reviews and Hearings. This part outlines the requirements and procedures for informal reviews and hearings, and for informal hearings regarding citizenship status.

Part IV: Owner or Family Debts to the SCHA. This part describes policies for recovery of monies that the SCHA has overpaid on behalf of families, or to owners, and describes the circumstances under which the SCHA will offer repayment agreements to owners and families. Also discussed are the consequences for failure to make payments in accordance with a repayment agreement.

Part V: Section 8 Management Assessment Program (SEMAP). This part describes what the SEMAP scores represent, how they are established, and how those scores affect a SCHA.

Part VI: Record-Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies the SCHA will follow.

Part VII: Reporting and Record Keeping for Children with Elevated Blood Lead Level. This part describes the SCHA's responsibilities for reporting, data collection, and record keeping relative to children with elevated blood lead levels that are less than six years of age, and are receiving HCV assistance.

Part VIII: Determination of Insufficient Funding. This part describes the SCHA's policies for determining if there is sufficient funding to issue vouchers, to approve moves to higher cost units or areas, and to continue assistance for all participant families.

Part IX: Violence against Women Act (VAWA): Notification, Documentation, Confidentiality. This part contains key terms used in VAWA and describes requirements related to notifying families and owners about their rights and responsibilities under VAWA; requesting documentation from victims of domestic violence, dating violence, sexual assault, stalking or human trafficking; and maintaining the confidentiality of information obtained from victims.

DRAFT

PART I: ADMINISTRATIVE FEE RESERVE [24 CFR 982.155]

The SCHA will maintain administrative fee reserves, or unrestricted net position (UNP) for the program to pay program administrative expenses in excess of administrative fees paid by HUD for a SCHA fiscal year. HUD appropriations acts beginning with FFY 2004 have specified that administrative fee funding may be used only for activities related to the provision of HCV assistance, including related development activities. Notice PIH 2012-9 cites two examples of related development activities: unit modification for accessibility purposes and development of project-based voucher units. The notice makes clear that other activities may also qualify as related development activities. Administrative fees that remain in the UNP account from funding provided prior to 2004 may be used for "other housing purposes permitted by state and local law," in accordance with 24 CFR 982.155(b)(1).

If a SCHA has not adequately administered its HCV program, HUD may prohibit use of funds in the UNP Account and may direct the SCHA to use funds in that account to improve administration of the program, for HCV HAP expenses, or to reimburse ineligible expenses in accordance with the regulation at 24 CFR 982.155(b)(3).

HUD requires the SCHA Board of Supervisors or other authorized officials to establish the maximum amount that may be charged against the UNP account without specific approval.

SCHA Policy

Expenditures from the UNP account will be made in accordance with all applicable federal requirements. Expenditures will not exceed the amount established through the Vacaville Housing Authority budget approval process without the prior approval of the SCHA's Board of Directors.

PART II: SETTING PROGRAM STANDARDS AND SCHEDULES

16-II.A. OVERVIEW

Although many of the program's requirements are established centrally by HUD, the HCV program's regulations recognize that some flexibility is required to allow the SCHA to adapt the program to local conditions. This part discusses how the SCHA establishes and updates certain schedules and standards that are used to administer the program locally. Details about how these schedules are applied to individual families are provided in other chapters. The schedules and standards discussed here include:

- Payment Standards, which dictate the maximum subsidy a family can receive (application of the payment standards is discussed in Chapter 6); and
- Utility Allowances, which specify how a family's payment should be adjusted to account for tenant-paid utilities (application of utility allowances is discussed in Chapter 6).

SCHA Policy

Copies of the payment standard and utility allowance schedules are available for review in SCHA's offices during normal business hours and on the SCHA's website.

Families, owners, and members of the public may submit written comments on the schedules discussed in this part, at any time, for consideration during the next revision cycle.

SCHA will maintain documentation to support its annual review of payment standards and utility allowance schedules. This documentation will be retained for at least three years.

16-II.B. PAYMENT STANDARDS [24 CFR 982.503; HCV GB, Chapter 7; and Notice PIH 2024-34]

The payment standard sets the maximum subsidy payment a family can receive from the SCHA each month [24 CFR 982.505(a)]. Payment standards are based on fair market rents (FMRs) published annually by HUD. FMRs are set at a percentile within the rent distribution of standard quality rental housing units in each FMR area. For most jurisdictions FMRs are set at the 40th percentile of rents in the market area.

In the HCV program, the FMR may be established at the ZIP code level, metropolitan market area level, or nonmetropolitan county level. Within each FMR area, the applicable FMR is the HUD-published:

- Small Area FMR (SAFMR);
  - For any metropolitan area designated as an SAFMR area; or
  - Anywhere a PHA has notified HUD it will voluntarily use SAFMRs;
- Metropolitan FMR for any other metropolitan area; or

FMR for any other non-metropolitan county

The SCHA must establish a payment standard schedule that establishes payment standard amounts for each FMR area within the SCHA's jurisdiction, and for each unit size within each of the FMR areas. In many cases a single FMR area will cover the PHA's entire jurisdiction. Some PHAs' jurisdictions include more than one FMR area. The PHA's established payment standards within the payment standard area always must be within the basic range of the applicable FMR area, or any HUD-approved exception payment standard. Program regulations and this policy refer to the "applicable FMR." The "applicable FMR" is the HUD-published SAFMR for PHAs in mandatory SAFMR areas or for those PHAs that have opted-in to using the SAFMR, both of which are discussed.

Small Area FMR PHAs (Mandatory and Opt-In) [Notice PIH 2018-01; Notice PIH 2023-32; Notice PIH 2024-34; and Implementing Small Area Fair Market Rents (SAFMR) Guidebook]

SAFMRs are FMRs calculated at the ZIP Code level, rather than for an entire metropolitan or non-metropolitan county.

HUD identifies which metropolitan areas are required to use SAFMRs based on significant voucher concentration challenges and market conditions. PHAs administering the HCV program in those areas are required to use the SAFMRs when establishing payment standards (mandatory SAFMR PHAs). Mandatory SAFMR PHAs must use the SAFMR for any part of their jurisdiction located in the SAFMR area.

Upon notification to HUD, PHAs not located in mandatory SAFMR areas may opt-in and voluntarily adopt SAFMRs for one or more of the FMR areas in which the PHA administers vouchers (opt-in PHAs). A PHA that exercises this option in one metropolitan area or non-metropolitan county is not required to exercise this option in other metropolitan areas or non-metropolitan counties. A PHA that opts in to SAFMRs may subsequently opt out through revision of the administrative plan and notification to HUD.

Alternatively, PHAs may elect to use SAFMRs only as the basis for exception payment standards in some or all of those non-mandatory SAFMR areas that cover or are within their jurisdictions. These PHAs are not considered opt-in PHAs.

When applicable, SAFMRs apply to all tenant-based vouchers in the PHA's jurisdiction, including special vouchers such as the Veterans Affairs Supportive Housing (VASH) program, the Family Unification Program (FUP), and special housing types such as Single Room Occupancies (SROs) and homeownership vouchers. SAFMRs do not apply to manufactured home space rental.

SCHA Policy

The SCHA is not a mandatory SAFMR SCHA.

The SCHA will not voluntarily adopt the use of SAFMRs except to establish exception payment standards in certain ZIP code areas.

The Basic Range [24 CFR 982.503(c) and Notice PIH 2024-34]

The PHA may establish a payment standard within the "basic range" established by HUD—between 90 and 110 percent of the published FMR for each unit size—without HUD approval or prior notification to HUD. For each payment standard area, the PHA must establish a payment standard amount for each unit size which may be based on the same percentage of the published FMR (for example, all units at 100 percent of FMR), or the PHA may set different payment standards for different unit sizes (for example, 1-bedrooms at 90 percent and 2-bedrooms at 100 percent of the FMR).

Designated Payment Standard Areas [24 CFR 982.503(a)(3) and Notice PIH 2024-34]

The PHA may establish designated payment standard areas within each FMR area where the PHA establishes different payment standards, provided each area is no smaller than a census tract block group. If the PHA designates payment standard areas, then it must include the criteria used to determine the designated areas and the payment standard amounts for those areas in the administrative plan.

SCHA Policy

The SCHA has not established any designated payment standard areas.

Exception Payment Standards [982.503(d)] Notice PIH 2018-01, Notice PIH 2024-34, and FR Notice 9/27/21]

There are several options available to increase payment standards above the basic range. These are known as *exception payment standards,* which are payment standards that exceed 110 percent of the published FMR. The following are types of exception payment standards:

- Payment standards based on SAFMRs in ZIP codes where the SAFMR is higher than the applicable metropolitan or non-metropolitan county FMR

- Payment standards greater than 110 percent up to 120 percent of the applicable FMR
- Payment standards over 120 percent of the applicable FMR
- Payment standards up to 120 percent of the FMR for Veterans Affairs Supportive Housing (HUD-VASH)
- Payment standards necessary as a reasonable accommodation

Payment Standards based on SAFMRs in ZIP codes where the SAFMR is Higher than the FMR: Upon notification to HUD, a PHA that is not located in a SAFMR area or that has not opted to voluntarily adopt SAFMRs may establish an exception payment standard for a ZIP code area that exceeds the basic range for the metropolitan area or county FMR of up to and including 110 percent of the SAFMR for that ZIP code area. If an exception area crosses one or more FMR boundaries, then the maximum exception payment standard amount that a PHA may adopt for the area without HUD approval is 110 percent of the ZIP code area with the lowest SAFMR amount. A PHA that adopts an exception payment standard pursuant to this authority must apply it to the entire ZIP code area.

Payment Standards Greater than 110 Percent Up to 120 Percent: Upon notification to HUD, a PHA may establish exception payment standards between 110 percent and 120 percent of the applicable FMR if the PHA meets one of the following criteria:

- Success rate: Fewer than 75 percent of families to which the PHA has issued tenant-based vouchers during the most recent 12-month period for which there is success rate data available have become participants on the program; or
- Rent burden: More than 40 percent of families with tenant-based assistance pay more than 30 percent of their adjusted income as their family share.

The PHA may revert back to the basic range at any time without notification to HUD.

PHAs may combine exception payment standards based on the SAFMR and exception payment standards greater than 110 and up to 120 percent.

Other Exception Payment Standards: PHAs may request HUD approval to establish exception payment standards up to 120 percent of the FMR when the above criteria do not apply or in order to establish exception payment standards that exceed 120 percent of the FMR. Requests may be made for an entire FMR area or a designated part of the FMR area.

Exception Payment Standards for VASH: In addition, HUD allows PHAs to establish a HUD-Veterans Affairs Supportive Housing (HUD-VASH) exception payment standard. PHAs may go up to but no higher than 120 percent of the FMR or SAFMR specifically for VASH families. PHAs who want to establish a VASH exception payment standard over 120 percent must still request a waiver from HUD (See Section 19-III.E.).

Once exception payment standards are adopted, the PHA may use the exception payment standard for all units, or for only units of a particular size. The exception payment standard may be established for a designated part of the FMR area (called an "exception area") or for the entire FMR area. Exception areas are typically county, city, town, ZIP code, or census tract areas. However, so long as the exception area is no smaller than census tract block group, the PHA may determine the area for the exception area.

DRAFT

SCHA Policy

The SCHA has not established exception payment standards.

The SCHA must request HUD approval to establish payment standards that are higher than the basic range. At HUD's sole discretion, HUD may approve a payment standard amount that is higher than the basic range for a designated part of the FMR area. HUD may approve an exception payment standard amount (in accordance with program requirements) for all units, or for all units of a given size, leased by program families in the exception area. Any PHA with jurisdiction in the exception area may use the HUD-approved exception payment standard amount. The total population of all HUD-approved exception areas in an FMR area may not include more than 50 percent of the population of the FMR area.

Reasonable Accomodation [24 CFR 982.503(c)(b), 24 CFR 982.505(d), Notice PIH 2024-34 and Notice PIH 2010-26]

Unit-by-unit exceptions to the SCHA's payment standards generally are not permitted. However, an exception may be made on a case-by-case basis as a reasonable accommodation for a family that includes a person with disabilities. (See Chapter 2 for a discussion of reasonable accommodations.) This type of exception does not affect the SCHA's payment standard schedule.

If required as a reasonable accommodation, the SCHA may make an exception to the payment standard without HUD approval if the exception amount does not exceed 120 percent of the applicable FMR/SAFMR for the unit size . Or in the case of VASH, up to 140% of the FMR/SAFMR. The SCHA may request HUD approval for an exception to the payment standard for a particular family if the required amount exceeds 120 percent of the FMR/SAFMR.

SCHA Policy

A family that requires a reasonable accommodation may request a higher payment standard at the time the Request for Tenancy Approval (RTA) is submitted, or at any time a higher payment standard is needed as a reasonable accommodation. The family must document the need for the exception. In order to approve an exception, or request an exception from HUD, SCHA must determine that:

There is a shortage of affordable units that would be appropriate for the family;

The family's share would otherwise exceed 40 percent of adjusted monthly income; and

The rent for the unit is reasonable.

Payment Standard below the Basic Range [24 CFR 982.503(e) and Notice PIH 2024-34]

The SCHA must request HUD approval to establish a payment standard amount that is lower than the basic range. HUD will consider rent burden on families assisted under the program.

Updating Payment Standards [24 CFR 982.503(c)(3) and Notice PIH 2023-24]

HUD publishes FMRs in the *Federal Register* and also makes them available on the HUD website with an effective date of October 1. When HUD updates FMRs, the PHA must revise its payment standard amounts and schedule no later than three months following the effective date of the published FMR if revisions are necessary to stay within the basic range. HUD may require the PHA to make further adjustments if it determines that rent burdens for assisted families in the PHA's jurisdiction are unacceptably high [24 CFR 982.503(h)]. PHAs must include a copy of the

payment standard schedule in the voucher briefing materials, and HUD strongly encourages PHAs to post their payment standard schedule on their website.

SCHA Policy

The SCHA will review the appropriateness of the payment standards on an annual basis when the new FMR is published, and at other times as determined necessary. In addition to ensuring the payment standards are always within the "basic range," the SCHA will consider the following factors when determining whether an adjustment should be made to the payment standard schedule:

Funding Availability: The SCHA will review projected HAP expenditures to determine the impact projected subsidy adjustments will have on funding available for the program and the number of families served. The SCHA will compare the number of families who could be served under revised payment standard amounts with the number assisted under current payment standard amounts.

Rent Burden of Participating Families: Rent burden will be determined by identifying the percentage of families, for each unit size, that are paying more than 30 percent of their monthly adjusted income as the family share. When 40 percent or more of families, for any given unit size, are paying more than 30 percent of adjusted monthly income as the family share, the SCHA will consider increasing the payment standard. In evaluating rent burdens, the SCHA will not include families renting a larger unit than their family unit size.

Quality of Units Selected: The SCHA may review the quality of units selected by participant families when making the determination of the percent of income families are paying for housing, to ensure that payment standard increases are only made when needed to reach the mid-range of the market.

Changes in Rent to Owner: The SCHA may review a sample of the units to determine how often owners are increasing or decreasing rents and the average percent of increases and decreases by bedroom size.

Unit Availability: The SCHA may review the availability of units for each unit size, particularly in areas with low concentrations of poor and minority families.

Lease-up Time and Success Rate: The SCHA may consider the percentage of families that are unable to locate suitable housing before the voucher expires and whether families are leaving the jurisdiction to find affordable housing.

Effective dates of changes to payment standard amounts will be determined at the time of update. The SCHA will always ensure the payment standards will be within the basic range. The SCHA will post its payment standards schedule on the SCHA's website and include a copy in the voucher briefing materials.

DRAFT

16-II.C. UTILITY ALLOWANCES [24 CFR 982.517]

A SCHA-established utility allowance schedule is used in determining family share and SCHA subsidy. The SCHA must maintain a utility allowance schedule for (1) all tenant-paid utilities, (2) the cost of tenant-supplied refrigerators and ranges, and (3) other tenant-paid housing services such as trash collection. The SCHA must maintain an area-wide utility allowance schedule.

The utility allowance schedule must be determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the SCHA must use normal patterns of consumption for the community as a whole, and current utility rates.

The utility allowance must include the utilities and services that are necessary in the locality to provide housing that complies with housing quality standards. Costs for telephone, cable/satellite television, and internet services are not included in the utility allowance schedule.

In the utility allowance schedule, the SCHA must classify utilities and other housing services according to the following general categories: space heating; air conditioning; cooking; water heating; water; sewer; trash collection; other electric; cost of tenant-supplied refrigerator; cost of tenant-supplied range; applicable surcharges and other specified housing services.

The cost of each utility and housing service must be stated separately by unit size and type. Chapter 18 of the HCV Guidebook provides detailed guidance to the SCHA about establishing utility allowance schedules.

The PHA must state its policy for utility allowance payments in the administrative plan and apply it consistently to all households. The PHA must provide a copy of the utility allowance schedule to HUD.

Energy Efficient Utility Allowance [24 CFR 982.517(b)(2)(ii)]

In addition to the area-wide utility allowance standard, the PHA may maintain an area-wide, energy efficient utility allowance schedule to be used for units that are in a building that meets Leadership in Energy and Environmental Design (LEED) or Energy Star standards.

SCHA Policy

The SCHA will not maintain an energy efficient utility allowance schedule.

Air Conditioning 24 CFR 982.517(b)(1)(iii)]

The SCHA must provide a utility allowance for air-conditioning when the majority of housing units in the market provide central air-conditioning or are wired for tenant-installed air conditioners.

SCHA Policy

SCHA has included an allowance for air-conditioning in its schedule. Central air-conditioning or a portable air conditioner ~~is not~~must be present in a unit before SCHA will apply this allowance to a family's rent and subsidy calculations.

DRAFT

Reasonable Accommodation and Individual Relief

Upon request from a family that includes a person with disabilities, the SCHA must approve a utility allowance which is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible and usable by the family member with a disability [24 CFR 982.517(e)].

(See Chapter 2 for policies regarding the request and approval of reasonable accommodations).

Utility Allowance Revisions

The SCHA must review its schedule of utility allowances each year, and must revise the schedule if there has been a change of 10 percent or more in any utility rate since the last time the allowance for that utility was revised [24 CFR 982.517(c)(1)].

The SCHA must maintain information supporting its annual review of utility allowance and any revisions made in its utility allowance schedule.

PART III: INFORMAL REVIEWS AND HEARINGS

16-III.A. OVERVIEW

Both applicants and participants have the right to disagree with, and appeal, certain decisions of the SCHA that may adversely affect them. SCHA decisions that may be appealed by applicants and participants are discussed in this section.

The process for applicant appeals of SCHA decisions is called the "informal review." For participants (or applicants denied admission because of citizenship issues), the appeal process is called an "informal hearing." SCHAs are required to include informal review procedures for applicants and informal hearing procedures for participants in their administrative plans [24 CFR 982.54(d)(12) and (13)].

16-III.B. INFORMAL REVIEWS

Informal reviews are provided for program applicants. An applicant is someone who has applied for admission to the program, but is not yet a participant in the program. Informal reviews are intended to provide a "minimum hearing requirement" [24 CFR 982.554], and need not be as elaborate as the informal hearing requirements [Federal Register 60, no. 127 (3 July 1995): 34690].

Decisions Subject to Informal Review

The SCHA must give an applicant the opportunity for an informal review of a decision denying assistance [24 CFR 982.554(a)]. Denial of assistance may include any or all of the following [24 CFR 982.552(a)(2)]:

- Denying listing on the SCHA waiting list
- Denying or withdrawing a voucher
- Refusing to enter into a HAP contract or approve a lease
- Refusing to process or provide assistance under portability procedures

Informal reviews are not required for the following reasons [24 CFR 982.554(c)]:

- Discretionary administrative determinations by the SCHA
- General policy issues or class grievances
- A determination of the family unit size under the SCHA subsidy standards
- A SCHA determination not to approve an extension or suspension of a voucher term
- A SCHA determination not to grant approval of the tenancy
- A SCHA determination that the unit is not in compliance with the HQS
- A SCHA determination that the unit is not in accordance with the HQS due to family size or composition

SCHA Policy

SCHA will only offer an informal review to applicants for whom assistance is being denied. Denial of assistance includes: denying listing on the SCHA waiting list; denying or withdrawing a voucher; refusing to enter into a HAP contract or approve a lease; refusing to process or provide assistance under portability procedures.

Notice to the Applicant [24 CFR 982.554(a)]

The SCHA must give an applicant prompt notice of a decision denying assistance. The notice must contain a brief statement of the reasons for the SCHA decision, and must also state that the applicant may request an informal review of the decision. The notice must describe how to obtain the informal review.

Scheduling an Informal Review

SCHA Policy

A request for an informal review must be made in writing and delivered to SCHA either in person, by mail, or email, by the close of the business day, no later than 10 business days from the date of SCHA's denial of assistance.

SCHA will schedule and send written notice of the informal review within 10 business days of the family's request.

Informal Review Procedures [24 CFR 982.554(b)]

The informal review must be conducted by a person other than the one who made or approved the decision under review, or a subordinate of this person.

The applicant must be provided an opportunity to present written or oral objections to the decision

Remote Informal Reviews [Notice PIH 2020-32]

There is no requirement that informal reviews be conducted in-person and, as such, HUD allows PHAs to conduct all or a portion of their informal review remotely either over the phone, via video conferencing, or through other virtual platforms. If the PHA chooses to conduct remote informal reviews, applicants may still request an in-person informal review, as applicable.

SCHA Policy

The SCHA has the sole discretion to require that informal reviews be conducted remotely in case of local, state, or national physical distancing orders, and in cases of inclement weather or natural disaster.

In addition, the SCHA will conduct an informal review remotely upon request of the applicant as a reasonable accommodation for a person with a disability, if an applicant does not have childcare or transportation that would enable them to attend the informal review, or if the applicant believes an in-person informal review would create an undue health risk. The SCHA will consider other reasonable requests for a remote informal review on a case-by-case basis.

Ensuring Accessibility for Persons with Disabilities and LEP Individuals

As with in-person informal reviews, the platform for conducting remote informal reviews must be accessible to persons with disabilities and the informal review must be conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual. PHAs may never request or require that individuals with disabilities provide their own auxiliary aids or services, including for remote informal hearings.

PHAs are required to make reasonable accommodations in policies, practices, and procedures to ensure persons with disabilities have a full and equal opportunity to participate in and benefit from all aspects of the informal review process. See Chapter 2 for a more detailed discussion of reasonable accommodation requirements.

If no method of conducting a remote informal review is available that appropriately accommodates an individual's disability, the PHA may not hold against the individual their inability to participate in the remote informal review, and the PHA should consider whether postponing the remote informal review to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation, will depend on the specific circumstances and requirements.

As with in-person reviews, Limited English Proficiency (LEP) requirements also apply to remote informal reviews, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote informal reviews.

Conducting Remote Informal Reviews

The PHA must ensure that the lack of technology or inability to use technology for remote informal reviews does not pose a disadvantage to families that may not be apparent to the PHA. The PHA should determine through a survey or other means if these barriers exist prior to conducting the remote informal review and, if the family does not have the proper technology to fully participate, either postpone the informal review or provide an alternative means of access.

As with in-person informal reviews, the PHA must provide all materials presented, whether paper or electronic, to the family prior to the remote informal review. The family must also be provided with an accessible means by which to transmit their own evidence.

The PHA must ensure that the applicant has the right to hear and be heard. All PHA policies and processes for remote informal reviews must be conducted in accordance with due process

requirements and be in compliance with HUD regulations at 24 CFR 982.554 and guidance specified in Notice PIH 2020-32.

SCHA Policy

The SCHA will conduct remote informal reviews via a video conferencing platform, when available. If, after attempting to resolve any barriers, applicants are unable to adequately access the video conferencing platform at any point, or upon applicant request, the informal review will be conducted by telephone conferencing call-in. If the family is unable to adequately access the telephone conferencing call-in at any point, the remote informal review will be postponed, and an in-person alternative will be provided promptly within a reasonable time.

At least five business days prior to the scheduled remote review, the SCHA will provide the family with login information and/or conferencing call-in information and an electronic and/or physical copy of all materials being presented via first class mail and/or email. The notice will advise the family of technological requirements for the informal review and request the family notify the SCHA of any known barriers. The SCHA will resolve any barriers using the guidance in Section 6 of Notice PIH 2020-32, including offering the family the opportunity to attend an in-person informal review.

If the informal review is to be conducted remotely, the SCHA will require the family to provide any documents directly relevant to the informal review at least 24 hours before the scheduled review through the mail, via email, or text. The SCHA will scan and email copies of these documents to the SCHA representative the same day.

Documents will be shared electronically whenever possible.

The SCHA will follow up the email with a phone call and/or email to the applicant at least one business day prior to the remote informal review to ensure that the applicant received all information and is comfortable accessing the video conferencing or call-in platform.

The SCHA will ensure that all electronic information stored or transmitted with respect to the informal review is secure, including protecting personally identifiable information (PII), and meets the requirements for accessibility for persons with disabilities and persons with LEP.

Informal Review Decision [24 CFR 982.554(b)]

The SCHA ~~shall~~ must notify the applicant of the SCHA's final decision, including a brief statement of the reasons for the final decision.

SCHA Policy

In rendering a decision, SCHA will evaluate the following matters:

Whether or not the grounds for denial were stated factually in the notice to the family.

The validity of the grounds for denial of assistance. If the grounds for denial are not specified in the regulations, then the decision to deny assistance will be overturned.

The validity of the evidence. SCHA will evaluate whether the facts presented prove the grounds for denial of assistance. If the facts prove that there are grounds for denial, and the denial is required by HUD, SCHA will uphold the decision to deny assistance.

If the facts prove the grounds for denial, and the denial is discretionary, SCHA will consider the recommendation of the person conducting the informal review in making the final decision whether to deny assistance.

SCHA will notify the applicant of the final decision, including a statement explaining the reason(s) for the decision. The notice will be mailed within 10 business days of the informal review, to the applicant and his or her representative.

If the decision to deny is overturned as a result of the informal review, processing for admission will resume.

If the family fails to appear for their informal reviewe, the denial of admission will stand and the family will be so notified.

16-III.C. INFORMAL HEARINGS FOR PARTICIPANTS [24 CFR 982.555

SCHA must offer an informal hearing for certain SCHA determinations relating to the individual circumstances of a participant family. A participant is defined as a family that has been admitted to the SCHA's HCV program and is currently assisted in the program. The purpose of the informal hearing is to consider whether the SCHA's decisions related to the family's circumstances are in accordance with the law, HUD regulations and SCHA policies.

The SCHA is not permitted to terminate a family's assistance until the time allowed for the family to request an informal hearing has elapsed, and any requested hearing has been completed.Termination of assistance for a participant may include any or all of the following:

- Refusing to enter into a HAP contract or approve a lease
- Terminating housing assistance payments under an outstanding HAP contract
- Refusing to process or provide assistance under portability procedures

Decisions Subject to Informal Hearing

Circumstances for which the SCHA must give a participant family an opportunity for an informal hearing are as follows:

- A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment
- A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the SCHA utility allowance schedule
- A determination of the family unit size under the SCHA's subsidy standards
- A determination to terminate assistance for a participant family because of the family's actions or failure to act
- A determination to terminate assistance because the participant has been absent from the assisted unit for longer than the maximum period permitted under SCHA policy and HUD rules

DRAFT

SCHA Policy

The SCHA will also give participant families an opportunity for an informal hearing for:

Any denial of a request for a reasonable accommodation for a person with disabilities (see Chapter 2).

Families participating in the Family Self-Sufficiency (FSS) program, when the SCHA withholds the coordination of supportive services or terminates a family's participation in the FSS program because the SCHA determines the FSS family has failed to comply without good cause with the requirements of the FSS Contract of Participation in accordance with the FSS Action Plan [24 CFR 984.303(i)].

Circumstances for which an informal hearing is not required are as follows:

- Discretionary administrative determinations by the SCHA
- General policy issues or class grievances
- Establishment of the SCHA schedule of utility allowances for families in the program
- A SCHA determination not to approve an extension or suspension of a voucher term
- A SCHA determination not to approve a unit or tenancy
- A SCHA determination that a unit selected by the applicant is not in compliance with the HQS
- A SCHA determination that the unit is not in accordance with HQS because of family size
- A determination by the SCHA to exercise or not to exercise any right or remedy against an owner under a HAP contract

Remote Informal Hearings [Notice PIH 2020-32]

There is no requirement that informal hearings be conducted in-person, and as such, HUD allows PHAs to conduct all or a portion of their informal hearings remotely either over the phone, via video conferencing, or through other virtual platforms. If the PHA chooses to conduct remote informal hearings, applicants may still request an in-person informal hearing, as applicable.

SCHA Policy

The SCHA has the sole discretion to require that informal hearings be conducted remotely in case of local, state, or national physical distancing orders, and in cases of inclement weather or natural disaster.

In addition, the SCHA will conduct an informal hearing remotely upon request as a reasonable accommodation for a person with a disability, if a participant does not have childcare or transportation that would enable them to attend the informal hearing, or if the participant believes an in-person hearing would create an undue health risk. The SCHA will consider other reasonable requests for a remote informal hearing on a case-by-case basis.

DRAFT

Ensuring Accessibility for Persons with Disabilities and LEP Individuals

As with in-person informal hearings, the platform for conducting remote informal hearings must be accessible to persons with disabilities and the informal hearings must be conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual. PHAs may never request or require that individuals with disabilities provide their own auxiliary aids or services, including for remote informal hearings.

PHAs are required to make reasonable accommodations in policies, practices, and procedures to ensure persons with disabilities have a full and equal opportunity to participate in and benefit from all aspects of the informal hearing process. See Chapter 2 for a more detailed discussion of reasonable accommodation requirements.

If no method of conducting a remote informal hearing is available that appropriately accommodates an individual's disability, the PHA may not hold against the individual their inability to participate in the remote informal hearing, and the PHA should consider whether postponing the remote hearing to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation will depend on the specific circumstances and requirements.

As with in-person reviews, Limited English Proficiency (LEP) requirements also apply to remote informal hearings, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote informal hearings.

Conducting Informal Hearings Remotely

The PHA must ensure that the lack of technology or inability to use technology for remote informal hearings does not pose a disadvantage to families that may not be apparent to the PHA. The PHA should determine through a survey or other means if these barriers exist prior to conducting the remote informal hearing and, if the family does not have the proper technology to fully participate, either postpone the informal hearing or provide an alternative means of access.

As with in-person informal hearings, the PHA must provide all materials presented, whether paper or electronic, to the family prior to the remote informal hearing. The family must also be provided with an accessible means by which to transmit their own evidence.

The PHA's essential responsibility is to ensure informal hearings meet the requirements of due process and comply with HUD regulations. Therefore, all PHA policies and processes for remote informal hearings will be conducted in accordance with due process requirements and will be in compliance with HUD regulations at 24 CFR 982.555 and the guidance for conducting remote hearings specified in Notice PIH 2020-32.

DRAFT

SCHA Policy

The SCHA will conduct remote informal hearings via a video conferencing platform, when available. If, after attempting to resolve any barriers, participants are unable to adequately access the video conferencing platform at any point, or upon request, the informal hearing will be conducted by telephone conferencing call-in. If the family is unable to adequately access the telephone conferencing call-in at any point, the remote informal hearing will be postponed, and an in-person alternative will be provided promptly within a reasonable time.

At least five business days prior to the scheduled remote hearing, the SCHA will provide the family with login information and/or conferencing call-in information and an electronic copy of all materials being presented via first class mail and/or email. The notice will advise the family of technological requirements for the hearing and request the family notify the SCHA of any known barriers. The SCHA will resolve any barriers using the guidance in Section 6 of Notice PIH 2020-32, including offering the family the opportunity to attend an in-person hearing.

The SCHA will follow up with a phone call and/or email to the family at least one business day prior to the remote informal hearing to ensure that the family received all information and is comfortable accessing the video conferencing or call-in platform.

The SCHA will ensure that all electronic information stored or transmitted with respect to the informal hearing is secure, including protecting personally identifiable information (PII), and meets the requirements for accessibility for persons with disabilities and persons with LEP.

Informal Hearing Procedures

Notice to the Family [24 CFR 982.555(c)]

When the SCHA makes a decision that is subject to informal hearing procedures, the SCHA must inform the family of its right to an informal hearing at the same time that it informs the family of the decision.

For decisions related to the family's annual or adjusted income, the determination of the appropriate utility allowance, and the determination of the family unit size, the SCHA ~~will~~ must notify the family that they may ask for an explanation of the basis of the determination, and that if they do not agree with the decision, they may request an informal hearing on the decision.

For decisions related to the termination of the family's assistance, or the denial of a family's request for an exception to the SCHA's subsidy standards, the notice must contain a brief statement of the reasons for the decision, a statement that if the family does not agree with the decision, the family may request an informal hearing on the decision, and a statement of the deadline for the family to request an informal hearing.

SCHA Policy

In cases where SCHA makes a decision for which an informal hearing must be offered, the notice to the family will include all of the following:

The proposed action or decision of SCHA.

A brief statement of the reasons for the decision, including the regulatory reference.

The date the proposed action will take place.

A statement of the family's right to an explanation of the basis for the SCHA's decision, before the informal hearing.

A statement that if the family does not agree with the decision the family may request an informal hearing of the decision.

A deadline for the family to request the informal hearing.

To whom the hearing request should be addressed.

A copy of SCHA's hearing procedures.

Scheduling an Informal Hearing [24 CFR 982.555(d)]

When an informal hearing is required, the SCHA must proceed with the hearing in a reasonably expeditious manner upon the request of the family.

SCHA Policy

A request for an informal hearing must be made in writing and delivered to SCHA either in person, mail or email, by the close of the business day, no later than 10 business days from the date of SCHA's decision or notice to terminate assistance.

SCHA must schedule and send written notice of the informal hearing to the family within 10 business days of the family's request.

The family may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause pertaining to informal hearings is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date. At its discretion, SCHA may request documentation of the "good cause" prior to rescheduling the hearing.

If the family does not appear within 20 minutes of the scheduled time of the hearing, and was unable to reschedule the hearing in advance due to the nature of the conflict, the family must contact SCHA within 24 hours of the scheduled hearing date, excluding weekends and holidays. SCHA will reschedule the hearing only if the family can show good cause for the failure to appear, or if it is needed as a reasonable accommodation for a person with disabilities.

Pre-Hearing Right to Discovery [24 CFR 982.555(e)]

Participants and the SCHA are permitted pre-hearing discovery rights. The family must be given the opportunity to examine before the hearing any SCHA documents that are directly relevant to the hearing. The family must be allowed to copy any such documents at their own expense. If the SCHA does not make the document available for examination on request of the family, the SCHA may not rely on the document at the hearing.

The SCHA hearing procedures may provide that the SCHA must be given the opportunity to examine at the SCHA offices before the hearing, any family documents that are directly relevant to the hearing. The SCHA must be allowed to copy any such document at the SCHA's expense.

DRAFT

If the family does not make the document available for examination on request of the SCHA, the family may not rely on the document at the hearing.

SCHA Policy

SCHA will not require, but will request, that the famiy submit any family documents directly relevant to the hearing at least three (3) business days before the hearing.

For the purpose of informal hearings, documents include records and regulations.

SCHA Policy

The family will be allowed to copy any documents related to the hearing at no cost to the family. The family must request discovery of SCHA documents no later than 12:00 p.m. on the business day prior to the scheduled hearing date.

Participant's Right to Bring Counsel [24 CFR 982.555(e)(3)]

At its own expense, the family may be represented by a lawyer or other representative at the informal hearing.

Informal Hearing Officer [24 CFR 982.555(e)(4)]

Informal hearings will be conducted by a person or persons approved by the SCHA, other than the person who made or approved the decision or a subordinate of the person who made or approved the decision.

SCHA Policy

SCHA's hearing officers will be staff from neighboring PHAs who were not involved in making or approving the decision, nor a subordinate of the person who made or approved the decision.

SCHA may also designate qualified and trained volunteers as hearing officers.

Attendance at the Informal Hearing

SCHA Policy

Hearings may be attended by a hearing officer and the following applicable persons:

SCHA representative(s) and any witnesses for SCHA

The participant and any witnesses for the participant

The participant's counsel or other representative

Any other person approved by SCHA as a reasonable accommodation for a person with a disability

SCHA attorney

Conduct at Hearings

The person who conducts the hearing may regulate the conduct of the hearing in accordance with the SCHA's hearing procedures [24 CFR 982.555(4)(ii)].

DRAFT

SCHA Policy

The hearing officer is responsible to manage the order of business and to ensure that hearings are conducted in a professional and businesslike manner. Attendees are expected to comply with all hearing procedures established by the hearing officer and guidelines for conduct. Any person demonstrating disruptive, abusive or otherwise inappropriate behavior will be excused from the hearing at the discretion of the hearing officer.

Evidence [24 CFR 982.555(e)(5)]

The SCHA and the family must be given the opportunity to present evidence and question any witnesses. In general, all evidence is admissible at an informal hearing. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

SCHA Policy

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

Oral evidence: the testimony of witnesses

Documentary evidence: a writing which is relevant to the case, for example, a letter written to SCHA. Writings include all forms of recorded communication or representation, including letters, words, pictures, sounds, video tapes or symbols or combinations thereof.

Demonstrative evidence: Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.

Real evidence: A tangible item relating directly to the case.

Hearsay Evidence is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter. Even though evidence, including hearsay, is generally admissible, hearsay evidence alone cannot be used as the sole basis for the hearing officer's decision.

If SCHA fails to comply with the discovery requirements described above, the hearing officer will refuse to admit such evidence.

Other than the failure of SCHA to comply with discovery, the hearing officer has the authority to overrule any objections to evidence.

Procedures for Rehearing or Further Hearing

SCHA Policy

The hearing officer may ask the family for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision. If the family misses an appointment or deadline ordered by the hearing officer, the action of SCHA will take effect and another hearing will not be granted.

Hearing Officer's Decision [24 CFR 982.555(e)(6)]

The person who conducts the hearing must issue a written decision, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing.

DRAFT

SCHA Policy

In rendering a decision, the hearing officer will consider the following matters:

SCHA Notice to the Family: The hearing officer will determine if the reasons for SCHA's decision are factually stated in the Notice.

Discovery: The hearing officer will determine if the family was given the opportunity to examine any relevant documents in accordance with SCHA policy.

SCHA Evidence to Support the SCHA Decision: The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support SCHA's conclusion.

Validity of Grounds for Termination of Assistance (when applicable): The hearing officer will determine if the termination of assistance is for one of the grounds specified in the HUD regulations and SCHA policies. If the grounds for termination are not specified in the regulations or in compliance with SCHA policies, then the decision of SCHA will be overturned.

The hearing officer will issue a written decision to the family and SCHA no later than 10 business days after the hearing. The report will contain the following information:

Hearing information:

Name of the participant;

Date, time and place of the hearing;

Name of the hearing officer;

Name of the SCHA representative; and

Name of family representative (if any).

Background: A brief, impartial statement of the reason for the hearing.

Summary of the Evidence: The hearing officer will summarize the testimony of each witness and identify any documents that a witness produced in support of his/her testimony and that are admitted into evidence.

Findings of Fact: The hearing officer will include all findings of fact, based on a preponderance of the evidence. Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Conclusions: The hearing officer will render a conclusion derived from the facts that were found to be true by a preponderance of the evidence. The conclusion will result in a determination of whether these facts uphold SCHA's decision.

Order: The hearing report will include a statement of whether SCHA's decision is upheld or overturned. If it is overturned, the hearing officer will instruct SCHA to change the decision in accordance with the hearing officer's determination. In the case of termination of assistance, the hearing officer will instruct SCHA to restore the participant's program status.

DRAFT

Issuance of Decision [24 CFR 982.555(e)(6)]

A copy of the hearing order must be furnished promptly to the family.

SCHA Policy

The hearing officer will mail a "Notice of Hearing Decision" to the SCHA and to the participant on the same day. This notice will be sent by first class mail and a proof of service form will be completed. The participant will be mailed the original "Notice of Hearing Decision" and a copy of the proof of service. A copy of the "Notice of Hearing Decision" will be maintained in the SCHA's file.

Effect of Final Decision [24 CFR 982.555(f)]

The SCHA is not bound by the decision of the hearing officer for matters in which the SCHA is not required to provide an opportunity for a hearing, decisions that exceed the authority of the hearing officer, decisions that conflict with or contradict HUD regulations, requirements, or are otherwise contrary to federal, state, or local laws.

If the SCHA determines it is not bound by the hearing officer's decision in accordance with HUD regulations, the SCHA must promptly notify the family of the determination and the reason for the determination.

SCHA Policy

The SCHA has the authority to determine that the SCHA is not bound by the decision of the hearing office because the SCHA was not required to provide a hearing, the decision exceeded the authority of the hearing officer, the decision conflicted with or contradicted HUD regulations, requirements, or the decision was otherwise contrary to federal, state, or local laws.

In such a case, SCHA will mail a "Notice of Final Decision"to the family and their representative.-This notice will be sent by first class mail and a proof of service will be completed. The participant will be mailed the original "Notice of Hearing Decision" and a copy of the proof of mailing. A copy of the "Notice of Final Decision"will be maintained in SCHA's file.

16-III.D. HEARING AND APPEAL PROVISIONS FOR NONCITIZENS [24 CFR 5.514]

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. Applicants who are denied assistance due to immigration status are entitled to an informal hearing, not an informal review.

Assistance to a family may not be delayed, denied, or terminated prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while the SCHA hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or the SCHA informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]

The notice of denial or termination of assistance for noncitizens ~~will~~must advise the family:

- That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
- The family may be eligible for proration of assistance.
- In the case of a participant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].
- That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.
- That the family has a right to request an informal hearing with the SCHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal.
- For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

USCIS Appeal Process [24 CFR 5.514(e)]

When the SCHA receives notification that the USCIS secondary verification failed to confirm eligible immigration status, the SCHA must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide the SCHA with a copy of the written request for appeal and the proof of mailing.

SCHA Policy

SCHA will notify the family in writing of the results of the USCIS secondary verification within 10 business days of receiving the results.

The family must provide SCHA with a copy of the written request for appeal and proof of mailing within 10 business days of sending the request to the USCIS.

The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to the SCHA, of its decision. When the USCIS notifies the SCHA of the decision, the SCHA must notify the family of its right to request an informal hearing.

SCHA Policy

SCHA will send written notice to the family of its right to request an informal hearing within 10 business days of receiving notice of the USCIS decision regarding the family's immigration status.

Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the SCHA provide a hearing. The request for a hearing must be made ~~in~~ either within 30 days of receipt of the SCHA notice of denial, or within 30 days of receipt of the USCIS appeal decision.

DRAFT

The informal hearing procedures for applicant families are described below.

Informal Hearing Officer

The SCHA must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision. See Section 16-III.C. for a listing of positions that serve as informal hearing officers.

Evidence

The family must be provided the opportunity to examine and copy at the family's expense, at a reasonable time in advance of the hearing, any documents in the possession of the SCHA pertaining to the family's eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

SCHA Policy

The family will be allowed to copy any documents related to the hearing. The family must request discovery of SCHA documents no later than 12:00 p.m. on the business day prior to the hearing.

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The family must also be provided the opportunity to refute evidence relied upon by the SCHA, and to confront and cross-examine all witnesses on whose testimony or information the SCHA relies.

Representation and Interpretive Services

The family is entitled to be represented by an attorney or other designee, at the family's expense, and to have such person make statements on the family's behalf.

The family is entitled to request an interpreter. Upon request, the SCHA will provide competent interpretation services, free of charge.

Recording of the Hearing

The family is entitled to have the hearing recorded by audiotape. The SCHA may, but is not required to provide a transcript of the hearing.

SCHA Policy

SCHA will not provide a transcript of an audio taped hearing.

Hearing Decision

The SCHA must provide the family with a written final decision, based solely on the facts presented at the hearing, within 14~~0~~ calendar days of the date of the informal hearing. The decision must state the basis for the decision.

Informal Hearing Procedures for Residents [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the SCHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the SCHA notice of termination, or within 30 days of receipt of the USCIS appeal decision.

DRAFT

For the informal hearing procedures that apply to participant families whose assistance is being terminated based on immigration status, see Section 16-III.C.

Retention of Documents [24 CFR 5.514(h)]

The SCHA must retain for a minimum of 5 years the following documents that may have been submitted to the SCHA by the family, or provided to the SCHA as part of the USCIS appeal or the SCHA informal hearing process:

- The application for assistance
- The form completed by the family for income reexamination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for a USCIS appeal
- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision

PART IV: OWNER OR FAMILY DEBTS TO THE SCHA

16-IV.A. OVERVIEW

SCHAs are required to include in the administrative plan, policies concerning repayment by a family of amounts owed to the SCHA [24 CFR 982.54]. This part describes the SCHA's policies for recovery of monies owed to the SCHA by families or owners.

SCHA Policy

When an action or inaction of an owner or participant results in the overpayment of housing assistance, SCHA holds the owner or participant liable to return any overpayments to SCHA.

SCHA will enter into repayment agreements in accordance with the policies contained in this part as a means to recover overpayments.

When an owner or participant refuses to repay monies owed to SCHA, SCHA will utilize other available collection alternatives including, but not limited to, the following:

Collection agencies

Small claims court

Civil lawsuit

State income tax set-off program

Deductions from payment(s) for HAP contracts

Requests for lump-sum payments

Termination of assistance

Abatement

Reduction in housing assistance payment(s) to owner

16-IV.B. REPAYMENT POLICY

Owner Debts to the SCHA

SCHA Policy

Any amount due to SCHA by an owner must be repaid by the owner within 30 days of SCHA determination of the debt.

If the owner fails to repay the debt within the required time frame and is entitled to future HAP payments, SCHA will reduce the future HAP payments by the amount owed until the debt is paid in full.

If the owner is not entitled to future HAP payments SCHA may, in its sole discretion, offer to enter into a repayment agreement on terms prescribed by SCHA.

If the owner refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, SCHA will ban the owner from future participation in the program and pursue other modes of collection.

Family Debts to the SCHA

Families are required to reimburse the PHA if they were charged less rent than required because the family either underreported or failed to report income. PHAs are required to determine retroactive rent amounts as far back as the PHA has documentation of family unreported income [Notice PIH 2018-18].

SCHA Policy

Any amount owed to the SCHA by an HCV family must be repaid by the family. If the family is unable to repay the debt within 30 days, the SCHA will offer to enter into a repayment agreement in accordance with the policies below.

If the family refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, VHA will terminate assistance in accordance with the policies in Chapter 12 and pursue other modes of collection.

Criminal Prosecution for Program Fraud/Abuse

Local, state or federal criminal prosecution should be considered by the PHA in flagrant cases, if the abuse was committed over several years, the fraud and/or underpayments are substantial and the PHA documents that a family and/or owner willfully intended to misrepresent the truth [HUD OIG Integrity Bulletin, Summer 2015].

SCHA Policy

The SCHA will consult with the HUD Field Office and regional OIG Special Agent in Charge (SAC) to determine whether it will refer the matter to the state or local district attorney to pursue criminal fraud charges.

Repayment Agreement [24 CFR 792.103]

DRAFT

The term repayment agreement refers to a formal written document signed by a tenant or owner and provided to the SCHA in which a tenant or owner acknowledges a debt in a specific amount and agrees to repay the amount due at specific time periods.

General Repayment Agreement Guidelines for Families

Down Payment Requirement

SCHA Policy

Before executing a repayment agreement with a landlord or family, SCHA will generally require a down payment of 10 percent of the total amount owed. If the family can provide evidence satisfactory to SCHA that a down payment of 10 percent would impose an undue hardship, SCHA may, in its sole discretion, require a lesser percentage or waive the requirement.

Payment Thresholds

Notice PIH 2017-12 recommends that the total amount that a family must pay each month—the family's monthly share of rent plus the monthly debt repayment amount—should not exceed 40 percent of the family's monthly adjusted income. However, a family may already be paying 40 percent or more of its monthly adjusted income in rent. Moreover, Notice PIH 2017-12 acknowledges that SCHAs have the discretion to establish "thresholds and policies" for repayment agreements with families [24 CFR 982.552(c)(1)(vii)].

SCHA Policy

SCHA has established the following thresholds for repayment of debts:

Amounts over $3,000 must be repaid within 36 months.

Amounts between $2,000 and $2,999 must be repaid within 30 months.

Amounts between $1,000 and $1,999 must be repaid within 24 months.

Amounts under $1,000 must be repaid within 12 months.

SCHA Policy

After the down payment is paid, the family must make minimum payments of the amounts owed divided by the number of months allowed to pay.

Example: Family owes $2,000 to SCHA. SCHA will require a $200 down payment (10 percent), and will then require monthly payments of $60 ($1,800 divided by 30 months). Monthly amount will not be rounded up or down.

If a family can provide evidence satisfactory to SCHA that the threshold applicable to the family's debt would impose an undue hardship, SCHA may, in its sole discretion, determine that a lower monthly payment amount is reasonable. In making its determination, SCHA will consider all relevant information, including the following:

The amount owed by the family to SCHA

The reason for the debt, including whether the debt was the result of family action/inaction or circumstances beyond the family's control

DRAFT

The family's current and potential income and expenses

The family's current family share, as calculated under 24 CFR 982.515

The family's history of meeting its financial responsibilities

Execution of Agreement

SCHA Policy

Any repayment agreement between SCHA and a family must be signed and dated by SCHA and by the head of household and spouse/cohead (if applicable).

Due Dates

SCHA Policy

All payments are due by the close of business on the 5th day of the month. If the 5th does not fall on a business day, the due date is the close of business on the first business day after the 5th.

Late or Missed Payments

SCHA Policy

If a payment is not received by the end of the business day on the date due, and prior approval for the missed payment has not been given by SCHA, or if a family receives three delinquency notices for unexcused late payments in a 12-month period, SCHA will send the family a delinquency notice giving the family 10 business days to bring the account current. If account is not brought current by the due date of the delinquency notice, it will be considered a breach of the agreement and SCHA will terminate assistance in accordance with the policies in Chapter 12.

If a family who is inactive on the program and receives three delinquency notices for unexcused late payments in a 12-month period, will be considered in default of the repayment agreement and the SCHA will turn the unpaid balance of the account over to the credit bureau for collection.

No Offer of Repayment Agreement

SCHA Policy

SCHA generally will not enter into a repayment agreement with a family if there is already a repayment agreement in place with the family or if the SCHA, in consultation with HUD and local law enforcement, determine to pursue criminal charges in connection with the conduct and the amounts owed m

Repayment Agreements Involving Improper Payments

Notice PIH 2017-12 requires certain provisions to be included in any repayment agreement involving amounts owed by a family because it underreported or failed to report income:

- A reference to the items in the family briefing packet that state the family's obligation to provide true and complete information at every reexamination and the grounds on which the SCHA may terminate assistance because of a family's action or failure to act

- A statement clarifying that each month the family not only must pay to the SCHA the monthly payment amount specified in the agreement but must also pay to the owner the family's monthly share of the rent to owner
- A statement that the terms of the repayment agreement may be renegotiated if the family's income decreases or increases
- A statement that late or missed payments constitute default of the repayment agreement and may result in termination of assistance

PART V: SECTION 8 MANAGEMENT ASSESSMENT PROGRAM (SEMAP)

16-V.A. OVERVIEW

The Section 8 Management Assessment Program (SEMAP) is a tool that allows HUD to measure SCHA performance in key areas to ensure program integrity and accountability. SEMAP scores translate into a rating for SCHA as high performing, standard, or troubled. Scores on individual SEMAP indicators, as well as overall SEMAP ratings, can affect the SCHA in several ways.

- When High-performing SCHA can be given a competitive advantage under notices of funding availability [24 CFR 985.103].
- When with deficiencies on one or more indicators SCHA is required to correct the deficiencies and report to HUD [24 CFR 985.106].
- When an overall rating of "troubled" SCHA is subject to additional HUD oversight, including on-site reviews by HUD staff, a requirement to develop a corrective action plan, and monitoring to ensure the successful implementation of the corrective action plan. In addition, if SCHA is designated "troubled" SCHA may not use any part of the administrative fee reserve for other housing purposes [24 CFR 985.107].
- HUD may determine that a SCHA's failure to correct identified SEMAP deficiencies or to prepare and implement a corrective action plan required by HUD constitutes a default under the ACC [24 CFR 985.109].

16-V.B. SEMAP CERTIFICATION [24 CFR 985.101]

SCHA must submit the HUD-required SEMAP certification form within 60 calendar days after the end of its fiscal year. The certification must be approved by SCHA board resolution and signed by the SCHA executive director. If the SCHA is a unit of local government or a state, a resolution approving the certification is not required, and the certification must be executed by the Section 8 program director.

PHAs with less than 250 voucher units are only required to be assessed every other fiscal year. HUD will assess SCHA annually if the SCHA elects to have its performance assessed on an annual basis; or is designated as "troubled" [24 CFR 985.105].

Failure of SCHA to submit its SEMAP certification within the required time frame will result in an overall performance rating of "troubled."

DRAFT

SCHA's SEMAP certification is subject to HUD verification by an on-site confirmatory review at any time. For small PHAs, HUD may conduct a remote confirmatory review.

Upon receipt of the SCHA's SEMAP certification, HUD will rate the SCHA's performance under each SEMAP indicator in accordance with program requirements.

HUD Verification Method

Several of the SEMAP indicators are scored based on a review of a quality control sample selected for this purpose. The SCHA or the Independent Auditor must select an unbiased sample that provides an adequate representation of the types of information to be assessed, in accordance with SEMAP requirements [24 CFR 985.2].

If the HUD verification method for the indicator relies on data in the Form-50058 module (formerly known as MTCS) in the PIH Information Center (PIC), and HUD determines that those data are insufficient to verify the SCHA's certification on the indicator due to the SCHA's failure to adequately report family data, HUD will assign a zero rating for the indicator [24 CFR 985.3].

16-V.C. SEMAP INDICATORS [24 CFR 985.3 and form HUD-52648]

The table below lists each of the SEMAP indicators, contains a description of each indicator, and explains the basis for points awarded under each indicator.

A PHA that expends less than $300,000 in Federal awards and whose Section 8 programs are not audited by an independent auditor, is not required to be rated under SEMAP indicators 1-7.

SEMAP Indicators
Indicator 1: Selection from the waiting list **Maximum Score: 15** • This indicator shows whether the PHA has written policies in its administrative plan for selecting applicants from the waiting list and whether the PHA follows these policies when selecting applicants for admission from the waiting list. • Points are based on the percent of families that are selected from the waiting list in accordance with the PHA's written policies, according to the PHA's quality control sample.
Indicator 2: Rent reasonableness **Maximum Score: 20** • This indicator shows whether the PHA has and implements a reasonable written method to determine and document for each unit leased that the rent to owner is reasonable based on current rents for comparable unassisted units • Points are based on the percent of units for which the PHA follows its written method to determine reasonable rent and has documented its determination that the rent to owner is reasonable, according to the PHA's quality control sample.
Indicator 3: Determination of adjusted income **Maximum Score: 20** • This indicator measures whether the PHA verifies and correctly determines adjusted income for each assisted family, and where applicable, uses the appropriate utility allowances for the unit leased in determining the gross rent.

DRAFT

- Points are based on the percent of files that are calculated and verified correctly, according to the PHA's quality control sample.

Indicator 4: Utility allowance schedule
Maximum Score: 5

- This indicator shows whether the PHA maintains an up-to-date utility allowance schedule.
- Points are based on whether the PHA has reviewed the utility allowance schedule and adjusted it when required, according to the PHA's certification.

Indicator 5: HQS quality control inspections
Maximum Score: 5

- This indicator shows whether a PHA supervisor reinspects a sample of units under contract during the PHA fiscal year, which meets the minimum sample size requirements for quality control of HQS inspections.
- Points are based on whether the required quality control reinspections were completed, according to the PHA's certification.

Indicator 6: HQS enforcement
Maximum Score: 10

- This indicator shows whether, following eachinspection of a unit under contract where the unit fails to meet housing quality standards, any cited life-threatening deficiencies are corrected within 24 hours from the inspection and all other deficiencies are corrected within no more than 30 calendar days from the inspection or any PHA-approved extension.
- Points are based on whether the PHA corrects all HQS deficiencies in accordance with required time frames, according to the PHA's certification.

Indicator 7: Expanding housing opportunities
Maximum Points: 5

- Only applies to PHAs with jurisdiction in metropolitan FMR areas.
- This indicator shows whether the PHA has adopted and implemented a written policy to encourage participation by owners of units located outside areas of poverty or minority concentration; informs voucher holders of the full range of areas where they may lease units both inside and outside the PHA's jurisdiction; and supplies a list of landlords or other parties who are willing to lease units or help families find units, including units outside areas of poverty or minority concentration.
- Points are based on whether the PHA has adopted and implemented written policies in accordance with SEMAP requirements, according to the PHA's certification.

Indicator 8: FMR limit and payment standards
Maximum Points: 5 points

- This indicator shows whether the PHA has adopted a payment standard schedule that establishes payment standard amounts by unit size for each FMR area in the PHA's jurisdiction, that are within the basic range of 90 to 110 percent of the published FMR.
- Points are based on whether the PHA has appropriately adopted a payment standard schedule(s), according to the PHA's certification.

Indicator 9: Annual reexaminations
Maximum Points: 10

DRAFT

- This indicator shows whether the PHA completes a reexamination for each participating family at least every 12 months.
- Points are based on the percent of reexaminations that are more than 2 months overdue, according to data from PIC.

Indicator 10: Correct tenant rent calculations
Maximum Points: 5

- This indicator shows whether the PHA correctly calculates the family's share of the rent to owner.
- Points are based on the percent of correct calculations of family share of the rent, according to data from PIC.

Indicator 11: Pre-contract HQS inspections
Maximum Points: 5

- This indicator shows whether newly leased units pass HQS inspection on or before the effective date of the assisted lease and HAP contract.
- Points are based on the percent of newly leased units that passed HQS inspection prior to the effective date of the lease and HAP contract, according to data from PIC.

Indicator 12: Annual HQS inspections
Maximum Points: 10

- This indicator shows whether the PHA inspects each unit under contract at least annually.
- Points are based on the percent of annual HQS inspections of units under contract that are more than 2 months overdue, according to data from PIC.

Indicator 13: Lease-up
Maximum Points: 20 points

- This indicator shows whether the PHA enters HAP contracts for at least 98 percent of the number of the PHA's baseline voucher units in the ACC for the calendar year ending on or before the PHA's fiscal year, or whether the PHA has expended at least 98 percent of its allocated budget authority for the same calendar year. The PHA can receive 15 points if 95 to 97 percent of vouchers are leased or budget authority is utilized.
- Points are based on utilization of vouchers and HAP expenditures as reported in the voucher management system (VMS) for the most recently completed calendar year.

Indicator 14: Family self-sufficiency (FSS) enrollment and escrow account balances
Maximum Points: 10

- Only applies to PHAs with mandatory FSS programs.
- This indicator shows whether the PHA has enrolled families in the FSS program as required, and measures the percent of current FSS participants that have had increases in earned income which resulted in escrow account balances.
- Points are based on the percent of mandatory FSS slots that are filled and the percent of families with escrow account balances, according to data from PIC.

Success Rate of Voucher Holders
Maximum Points: 5

- Only applies to PHAs that have received approval to establish success rate payment standard amounts, and isn't effective until the second full PHA fiscal year following the

DRAFT

date of HUD approval of success rate payment standard amounts. • This indicator shows whether voucher holders were successful in leasing units with voucher assistance. • Points are based on the percent of families that were issued vouchers, and that became participants in the voucher program.
Deconcentration Bonus Indicator **Maximum Points: 5** • Submission of data for this indicator is mandatory for a PHA using one or more payment standard amount(s) that exceed(s) 100 percent of the published FMR set at the 50 percentile rent, starting with the second full PHA fiscal year following initial use of payment standard amounts based on the FMRs set at the 50th percentile. • Additional points are available to PHAs that have jurisdiction in metropolitan FMR areas and that choose to submit the required data. • Points are based on whether the data that is submitted meets the requirements for bonus points.

PART VI: RECORD KEEPING

16-VI.A. OVERVIEW

The SCHA must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, the SCHA must ensure that all applicant and participant files are maintained in a way that protects an individual's privacy rights.

16-VI.B. RECORD RETENTION [24 CFR 982.158]

During the term of each assisted lease, and for at least three years thereafter, the SCHA must keep:

- A copy of the executed lease;
- The HAP contract; and
- The application from the family.

In addition, the SCHA must keep the following records for at least three years:

- Records that provide income, racial, ethnic, gender, and disability status data on program applicants and participants;
- An application from each ineligible family and notice that the applicant is not eligible;
- HUD-required reports;
- Unit inspection reports;
- Lead-based paint records as required by 24 CFR 35, Subpart B.

- Accounts and other records supporting SCHA budget and financial statements for the program;
- Records to document the basis for SCHA determination that rent to owner is a reasonable rent (initially and during the term of a HAP contract); and
- Other records specified by HUD.
- Notice PIH 2014-20 requires SCHA to keep records of all complaints, investigations, notices, and corrective actions related to violations of the Fair Housing Act or the equal access final rule.

SCHA Policy

The SCHA will keep for at least three years records of all complaints, investigations, notices, and corrective actions related to violations of the Fair Housing Act, the equal access final rule, or VAWA.

The SCHA must keep confidential records of all emergency transfer requested by victims of domestic violence, dating violence, sexual assault, stalking or human trafficking under the SCHA's Emergency Transfer Plan, as well as the outcomes of such requests, and retain the records for a period of three years [see 24 CFR 5.2002(e)(12)]

If an informal hearing to establish a family's citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 16-III.D., Retention of Documents.

16-VI.C. RECORDS MANAGEMENT

SCHAs must maintain applicant and participant files and information in accordance with the regulatory requirements described below.

SCHA Policy

All applicant and participant information will be kept in a secure location and access will be limited to authorized SCHA staff.

SCHA staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

Privacy Act Requirements [24 CFR 5.212 and Form-9886]

The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants ~~will~~must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or the SCHA may release the information collected.

Upfront Income Verification (UIV) Records

PHAs that access UIV data through HUD's Enterprise Income Verification (EIV) system are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with federal laws, regardless of the media on which the data is recorded (e.g. electronic, paper). These requirements are contained in the HUD-issued document, Enterprise Income Verification (EIV) System, Security Procedures for Upfront Income Verification data.

SCHA Policy

Prior to utilizing HUD's EIV system, SCHA will adopt and implement EIV security procedures required by HUD.

Criminal Records

The SCHA may only disclose the criminal conviction records which the SCHA receives from a law enforcement agency to officers or employees of the SCHA, or to authorized representatives of the SCHA who have a job-related need to have access to the information [24 CFR 5.903(e)].

The SCHA must establish and implement a system of records management that ensures that any criminal record received by the SCHA from a law enforcement agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the SCHA action without institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

The SCHA must establish and implement a system of records management that ensures that any sex offender registration information received by the SCHA from a State or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the SCHA action without institution of a challenge or final disposition of any such litigation. However, a record of the screening, including the type of screening and the date performed must be retained [Notice PIH 2012-28]. This requirement does not apply to information that is public information, or is obtained by a SCHA other than under 24 CFR 5.905.

Medical/Disability Records

SCHA is not permitted to inquire about the nature or extent of a person's disability. SCHA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If SCHA receives a verification document that provides such information, SCHA should not place this information in the tenant file. SCHA should destroy the document.

Documentation of Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking

For requirements and SCHA policies related to management of documentation obtained from victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking see section 16-IX.E.

PART VII: REPORTING AND RECORD KEEPING FOR CHILDREN WITH ELEVATED BLOOD LEAD LEVEL

16-VII.A. OVERVIEW

The SCHA has certain responsibilities relative to children with elevated blood lead levels that are receiving HCV assistance. The notification, verification, and hazard reduction requirements are discussed in Chapter 8. This part deals with the reporting requirements, and data collection and record keeping responsibilities that the SCHA is subject to.

16-VII.B. REPORTING REQUIREMENT [24 CFR 35.1225(e); Notice PIH 2017-13]

The owner must report the name and address of a child identified as having an elevated blood lead level to the public health department within 5 business days of being so notified by any other medical health care professional. The owner must also notify the HUD field office and the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH) of the child's address within five business days. The SCHA may collaborate with the owner on the notification process, such as by agreeing with the owner to provide the required notifications on the owner's behalf.

SCHA Policy

Upon notification by owner, SCHA will provide the public health department written notice of the name and address of any child identified as having an elevated blood lead level within five business days.

Upon notification by owner, SCHA will notify the HUD field office and the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH) of the child's address within five business days.

16-VII.C. DATA COLLECTION AND RECORD KEEPING [24 CFR 35.1225(f)]

At least quarterly, the SCHA must attempt to obtain from the public health department(s) with a similar area of jurisdiction, the names and/or addresses of children less than 6 years old with an identified elevated blood lead level.

If the SCHA obtains names and addresses of environmental intervention blood lead level children from the public health department(s), the SCHA must match this information with the names and addresses of families receiving HCV assistance, unless the public health department performs such a procedure. If a match occurs, the SCHA must carry out the notification, verification, and hazard reduction requirements discussed in Chapter 8, and the reporting requirement discussed above.

At least quarterly, the SCHA must also report an updated list of the addresses of units receiving assistance under the HCV program to the same public health department(s), unless the public health department(s) states that it does not wish to receive such a report.

SCHA Policy

The public health department(s) has stated they **do not** wish to receive a report of an updated list of the addresses of units receiving assistance under the HCV program, on a quarterly basis. Therefore, SCHA is not providing such a report.

PART VIII: DETERMINATION OF INSUFFICIENT FUNDING

DRAFT

16-VIII.A. OVERVIEW

The HCV regulations allow SCHA to deny families permission to move and to terminate Housing Assistance Payments (HAP) contracts if funding under the consolidated ACC is insufficient to support continued assistance [24 CFR 982.354(e)(1) and 982.454]. If a SCHA denies a family a portability move based on insufficient funding, the SCHA is required to notify the local HUD office within 10 business days [24 CFR 982.354]. Insufficient funding may also impact the SCHA's ability to issue vouchers to families on the waiting list. This part discusses the methodology the SCHA will use to determine whether or not the SCHA has sufficient funding to issue vouchers, approve moves, and to continue subsidizing all families currently under a HAP contract. The PHA must identify in the administrative plan, in the event of insufficient funding, considering any cost saving measures taken by the PHA, a description of the factors the PHA will consider when determining which HAP contracts to terminate first. See Chapter 12 for a description of these factors.**16-VIII.B. METHODOLOGY**

SCHA Policy

SCHA will determine whether there is adequate funding to issue vouchers, approve moves to higher cost units and areas, and continue subsidizing all current participants by comparing SCHA's annual budget authority to the annual total HAP needs on a monthly basis. The total HAP needs for the calendar year will be projected by establishing the actual HAP costs year to date. To that figure, SCHA will add anticipated HAP expenditures for the remainder of the calendar year. Projected HAP expenditures will be calculated by multiplying the projected number of units leased per remaining months by the most current month's average HAP. The projected number of units leased per month will take into account the average monthly turnover of participant families. If the total annual HAP needs equal or exceed the annual budget authority, or if SCHA cannot support the cost of the proposed subsidy commitment (voucher issuance or move) based on the funding analysis, SCHA will be considered to have insufficient funding.

PART IX: VIOLENCE AGAINST WOMEN ACT (VAWA): NOTIFICATION, DOCUMENTATION, CONFIDENTIALITY

16-IX.A. OVERVIEW

The Violence against Women Act (VAWA) provides special protections for victims of domestic violence, dating violence, sexual assault stalking or human trafficking who are applying for or receiving assistance under the housing choice voucher (HCV) program. If your state or local laws provide greater protection for such victims, those laws apply in conjunction with VAWA.

Although the VAWA 2022 statute does not specifically include human trafficking in the list of victims protected under VAWA, in 2022 HUD began including human trafficking as part of the list of victims protected under VAWA (as seen in Notices PIH 2022-06, PIH 2022-22, and PIH 2022-24). In the absence of a final rule implementing VAWA 2022 and to mirror HUD's recent usage, this policy includes human trafficking in addition to domestic violence, dating violence, sexual assault, and stalking anywhere such a list appears.

In addition to definitions of key terms used in VAWA, this part contains general VAWA requirements and PHA policies in three areas: notification, documentation, and confidentiality. Specific VAWA requirements and PHA policies are located primarily in the following sections:

3-I.C, “Family Breakup and Remaining Member of Tenant Family”; 3-III.G, “Prohibition against Denial of Assistance to Victims of Domestic Violence, Dating Violence, Stalking and Human Trafficking”; 10-I.A, “Allowable Moves”; 10-I.B, “Restrictions on Moves”; 12-II.E, “Terminations Related to Domestic Violence, Dating Violence, Sexual Assout, Stalking or Human Trafficking”; and 12-II.F, “Termination Notice.”

16-IX.B. DEFINITIONS [24 CFR 5.2003, 42 USC 13925]

As used in VAWA:

- The term *affiliated individual* means, with respect to a person:
  - A spouse, parent, brother or sister, or child of that individual, or an individual to whom that individual stands in the position or place of a parent; or
  - Any other individual, tenant, or lawful occupant living in the household of the victim of domestic violence, dating violence, sexual assault, or stalking.

- The term bifurcate means, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members’ lease and occupancy rights are allowed to remain intact.
- The term dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
  - The length of the relationship
  - The type of relationship
  - The frequency of interaction between the persons involved in the relationship
- The term domestic violence includes felony or misdemeanor crimes committed by a current or former spouse or intimate partner of the victim under the family or domestic violence laws of the jurisdiction receiving grant funding, and in the case of victim services, includes the user or attempted use of physical abuse or sexual abuse, or a pattern of any other coercive behavior committed, enabled, or solicited to gain or maintain power and control over a victim, including verbal, psychological, economic, or technological abuse that may or may not constitute criminal behavior, by a person who is:
  - The current or former spouse or intimate partner of the victim, or person similarly situated to a spouse or intimate partner of the victim
  - A person who is cohabitating or has cohabitated with the victim as a spouse or intimate partner
  - A person with whom the victim shares a child in common
  - A person who commits acts against an youth or adult victim who is protected from those acts under the domestic or family violence laws of the jurisdiction

DRAFT

- The term economic abuse means behavior that is coercive, deceptive, or unreasonably controls or restrains a person's ability to acquire, use, or maintain economic resources to which they are entitle, including using coercion, fraud, and manipulation to:
  - Restrict a person's access to money, assets, credit, or financial information
  - Unfairly use a person's personal economic resources, including money, assets, and credit, for one's own advantage
  - Exert undue influence over a person's financial and economic behavior or decisions, including forcing default on joint or other financial obligations, exploiting powers of attorney, guardianship, or conservatorship, or to whom one has a fiduciary duty
- The term sexual assault means:
  - Any nonconsensual sexual act proscribed by federal, tribal, or state law, including when the victim lacks the capacity to consent
- The term stalking means:
  - To engage in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or suffer substantial emotional distress.
- The term *technological abuse* means an act or pattern of behavior that occurs within domestic violence, dating violence, sexual assault, or stalking and is intended to harm, threaten, intimidate, control, stalk, harass, impersonate, exploit, extort, or monitor another person, except as otherwise permitted by law, that occurs using any form of technology, including but not limited to:
  - Internet enabled devices
  - Online spaces and platforms
  - Computers
  - Mobile devices
  - Cameras and imaging programs
  - Apps
  - Location tracking devices
  - Communication technologies
  - Any other emergency technologies

16-IX.C. NOTIFICATION [24 CFR 5.2005(a)]

Notification to Public

The SCHA adopts the following policy to help ensure that all actual and potential beneficiaries of its HCV program are aware of their rights under VAWA.

SCHA Policy

SCHA will post the following information regarding VAWA in its offices and on its website. It will also make the information readily available to anyone who requests it.

DRAFT

SCHA will include an explanation of victims or threatened victims to invoke protection under VAWA, and a copy of form HUD-5382, with all notices of denial and notices of termination.

The explanation will contain:

A copy of the Form HUD-5380, Notice of Occupancy Rights under VAWA to housing choice voucher program applicants and participants who are or have been victims of domestic violence, dating violence, sexual assault, or stalking (, see Exhibit 16-1)

A copy of form HUD 5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Deocumentation (see Exhibit 16-2)

A copy of the SCHA's emergency transfer plan (Exhibit 16-3)

A copy of Form HUD-5383, HUD's Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, (Exhibit 16-4)

The National Domestic Violence Hot Line: 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY) (included in Exhibits 16-1 and 16-2)

Contact information for local victim advocacy groups or service providers

Notification to Program Applicants and Participants [24 CFR 5.2005(a)(1)]

SCHA is required to inform program applicants and participants of their rights under VAWA, including their right to confidentiality and the limits thereof, when they are denied assistance, when they are admitted to the program, and when they are notified of an eviction or termination of housing benefits.

SCHA Policy

SCHA will provide all applicants with information about VAWA at the time they request an application for housing assistance, as part of the written briefing packet, and at the time the famiy is admitted to the program. The SCHA will also include information about VAWA in all notices of denial of assistance (see section 3-III.H).

The SCHA will provide all participants with information about VAWA at the time of admission (see section 5-I.B) and at annual reexamination. The SCHA will also include information about VAWA in notices of termination of assistance, as provided in section 12-II.F.

The VAWA information provided to applicants and participants will consist of the notices in Exhibits 16-1 and 16-2.

The PHA is not limited to providing VAWA information at the times specified in the above policy. If the PHA decides to provide VAWA information to a participant following an incident of domestic violence, Notice PIH 2017-08 cautions against sending the information by mail, since the abuser may be monitoring the mail. The notice recommends that in such cases the PHA make alternative delivery arrangements that will not put the victim at risk.

SCHA Policy

Whenever the SCHA has reason to suspect that providing information about VAWA to a partipant might place a victim of domestic violence at risk, it will attempt to deliver the

information by hand directly to the victim or by having the victim come to an office or other space that may be safer for the individual, making reasonable accommodations as necessary. For example, the SCHA may decide not to send mail regarding VAWA protections to the victim's unit if the SCHA believes the perpetrator may have access to the victim's mail, unless requested by the victim.

When discussing VAWA with the victim, the SCHA will take reasonable precautions to ensure that no one can overhear the conversation, such as having conversations in a private room.

The victim may, but is not required to, designate an attorney, advocate, or other secure contact for communications regarding VAWA protections.

Notification to Owners and Managers [24 CFR 5.2005(a)(2)]

While SCHA is no longer required by regulation to notify owners and managers participating in the HCV program of their rights and obligations under VAWA, the SCHA may still choose to inform them.

SCHA Policy

SCHA will provide owners and managers with information about their rights and obligations under VAWA when they begin their participation in the HCV program.

The VAWA information provided to owners will consist of the notice in Exhibit 16-5 and a copy of Form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, Stalking and Human Trafficking and Alternate Documentation.

16-IX.D. DOCUMENTATION [24 CFR 5.2007]

A PHA presented with a claim for initial or continued assistance based on status as a victim of domestic violence, dating violence, sexual assault, stalking, human trafficking, or criminal activity related to any of these forms of abuse may—but is not required to—request that the individual making the claim document the abuse. Any request for documentation must be in writing, and the individual must be allowed at least 14 business days after receipt of the request to submit the documentation. The SCHA may extend this time period at its discretion. [24 CFR 5.2007(a)]

The individual may satisfy the SCHA's request by providing any one of the following three forms of documentation [24 CFR 5.2007(b)]:

(1) A completed and signed HUD-approved certification form (HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), which must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim. The form may be filled out and submitted on behalf of the victim.

(2) A federal, state, tribal, territorial, or local police report or court record, or an administrative record

(3) Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault stalking, or humant trafficking or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; a mental health professional; or a medical professional. The person signing the

documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

The SCHA may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below under "Conflicting Documentation," nor may it require certification in addition to third-party documentation [FR Ntice 11/16/16].

SCHA Policy

Any request for documentation of domestic violence, dating violence, sexual assault, stalking or human trafficking will be in writing, will specify a deadline of 14 business days following receipt of the request, will describe the three forms of acceptable documentation, will provide explicit instructions on where and to whom the documentation must be submitted, and will state the consequences for failure to submit the documentation or request an extension in writing by the deadline.

SCHA may, in its discretion, extend the deadline for 10 business days. In determining whether to extend the deadline, the deadline, SCHA will consider factors that may contribute to the victim's inability to provide documentation in a timely manner, including cognitive limitations, disabilities, limited English proficiency, absence from the unit, administrative delays, the danger of further violence, and the vidctim's need to address health or safety issues. Any extension granted by SCHA will be in writing.

Once the victim provide documentation, SCHA will acknowledge receipt of the documentation within 10 business days.

Conflicting Documentation [24 CFR 5.2007(e)]

In cases where the SCHA receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, SCHA may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3). SCHA may also request third-party documentation when submitted documentation contains information that conflicts with existing information already available to SCHA. Individuals have 30 calendar days to return third-party verification to SCHA. If SCHA does not receive third-party documentation, and the SCHA will deny or terminate assistance as a result, SCHA must hold separate hearings for the tenants [Notice PIH 2017-08].

The SCHA must honor any court orders issued to protect the victim or to address the distribution of property.

SCHA Policy

If presented with conflicting certification documents (two or more forms HUD-5382) from members of the same household, SCHA will attempt to determine which is the true victim by requiring each of them to provide third-party documentation in accordance with 24 CFR 5.2007(e) and by following any HUD guidance on how such determinations should be made.

When requesting third-party documents, SCHA will provide contact information for local domestic violence and legal aid offices. In such cases, applicants or tenants will be given 30 calendar days from the date of the request to provide such documentation.

If SCHA does not receive third-party documentation within the required timeframe (and any extensions) the SCHA will deny VAWA protections and will notify the applicant or

tenant in writing of the denial. If, as a result, the applicant or tenant is denied or terminated from the program, the SCHA will hold separate hearings for the applicants or tenants.

Discretion to Require No Formal Documentation [24 CFR 5.2007(d)]

The SCHA has the discretion to provide benefits to an individual based solely on the individual's statement or other corroborating evidence—i.e., without requiring formal documentation of abuse in accordance with 24 CFR 5.2007(b). HUD recommends documentation in a confidential manner when a verbal statement or other evidence is accepted.

SCHA Policy

If SCHA accepts an individual's statement or other corroborating evidence (as determined by the victim) of domestic violence, dating violence, sexual assault stalking, or human trafficking SCHA will document acceptance of the statement or evidence in the individual's file.

Failure to Provide Documentation [24 CFR 5.2007(c)]

In order to deny relief for protection under VAWA, SCHA must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 business days from the date of receipt, or such longer time as the SCHA may allow, the SCHA may deny relief for protection under VAWA.

16-IX.E. CONFIDENTIALITY [24 CFR 5.2007(b)(4)]

All information provided to the SCHA regarding domestic violence, dating violence, sexual assault stalking, and human trafficking including the fact that an individual is a victim must be retained in confidence. This means that the SCHA (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

SCHA Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, SCHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

EXHIBIT 16-1: NOTICE OF OCCUPANCY RIGHTS UNDER THE VIOLENCE AGAINST WOMEN ACT, FORM HUD-5380

Solano County Housing Authority

Notice of Occupancy Rights under the Violence Against Women Act[1]

To all Tenants and Applicants

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation.[2] The U.S. Department of Housing and Urban Development (HUD) is the Federal agency that oversees that the Housing Choice Voucher program is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA."

Protections for Applicants

[1] Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

[2] Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

DRAFT

If you otherwise qualify for assistance under the Housing Choice Voucher Program, you cannot be denied admission or denied assistance because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Protections for Tenants

If you are receiving assistance under the Housing Choice Voucher Program, you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under the Housing Choice Voucher Program solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

Removing the Abuser or Perpetrator from the Household

The PHA may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If the PHA chooses to remove the abuser or perpetrator, the PHA may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, the PHA must allow the tenant who is or has been a victim and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, the PHA must follow Federal, State, and local eviction procedures. In order to divide a lease, the PHA may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

Moving to Another Unit

Upon your request, the PHA may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, the PHA may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

1. **You are a victim of domestic violence, dating violence, sexual assault, or stalking.** If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.
2. **You expressly request the emergency transfer.** Your housing provider may choose to require that you submit a form, or may accept another written or oral request.
3. **You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

   OR

   You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

The PHA will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families.

The PHA's emergency transfer plan provides further information on emergency transfers, and the PHA must make a copy of its emergency transfer plan available to you if you ask to see it.

DRAFT

Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking

The PHA can, but is not required to, ask you to provide documentation to "certify" that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such request from the PHA must be in writing, and the PHA must give you at least 14 business days (Saturdays, Sundays, and Federal holidays do not count) from the day you receive the request to provide the documentation. The PHA may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to the PHA as documentation. It is your choice which of the following to submit if the PHA asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form given to you by the PHA with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, "professional") from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that he or she believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.
- Any other statement or evidence that the PHA has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, the PHA does not have to provide you with the protections contained in this notice.

DRAFT

If the PHA receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), the PHA has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, the PHA does not have to provide you with the protections contained in this notice.

Confidentiality

The PHA must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

The PHA must not allow any individual administering assistance or other services on behalf of the PHA (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

The PHA must not enter your information into any shared database or disclose your information to any other entity or individual. The PHA, however, may disclose the information provided if:

- You give written permission to the PHA to release the information on a time limited basis.
- The PHA needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires the PHA or your landlord to release the information.

VAWA does not limit the PHA's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated

DRAFT

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, the PHA cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if the PHA can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

1. Would occur within an immediate time frame, and
2. Could result in death or serious bodily harm to other tenants or those who work on the property.

If the PHA can demonstrate the above, the PHA should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

Other Laws

VAWA does not replace any Federal, State, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for victims of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.

Non-Compliance with The Requirements of This Notice

You may report a covered housing provider's violations of these rights and seek additional assistance, if needed, by contacting or filing a complaint with U.S. Dept. of Housing and Urban Development San Francisco Regional Office located at One Sansome Street, Suite 1200, San Francisco, CA 94104.

For Additional Information

You may view a copy of HUD's final VAWA rule at https://www.gpo.gov/fdsys/pkg/FR-2016-11-16/pdf/2016-25888.pdf. Additionally, the PHA must make a copy of HUD's VAWA regulations available to you if you ask to see them.

For questions regarding VAWA, please contact SCHA at (707) 449-5675.

EXHIBIT 16-2: CERTIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING AND ALTERNATE DOCUMENTATION, FORM HUD-5382

CERTIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING, AND ALTERNATE DOCUMENTATION

U.S. Department of Housing and Urban Development

OMB Approval No. 2577-0286
Exp. 06/30/2017

Purpose of Form: The Violence Against Women Act ("VAWA") protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, stalking or human trafficking, regardless of sex, gender identity, or sexual orientation.

Use of This Optional Form: If you are seeking VAWA protections from your housing provider, your housing provider may give you a written request that asks you to submit documentation about the incident or incidents of domestic violence, dating violence, sexual assault, or stalking.

In response to this request, you or someone on your behalf may complete this optional form and submit it to your housing provider, or you may submit one of the following types of third-party documentation:

(1) A document signed by you and an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, "professional") from whom you have sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse. The document must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence, dating violence, sexual assault, or stalking occurred and meet the definition of "domestic violence," "dating violence," "sexual assault," or "stalking" in HUD's regulations at 24 CFR 5.2003.

(2) A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or

(3) At the discretion of the housing provider, a statement or other evidence provided by the applicant or tenant.

DRAFT

Submission of Documentation: The time period to submit documentation is 14 business days from the date that you receive a written request from your housing provider asking that you provide documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking. Your housing provider may, but is not required to, extend the time period to submit the documentation, if you request an extension of the time period. If the requested information is not received within 14 business days of when you received the request for the documentation, or any extension of the date provided by your housing provider, your housing provider does not need to grant you any of the VAWA protections. Distribution or issuance of this form does not serve as a written request for certification.

Confidentiality: All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking shall be kept confidential and such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections to you, and such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

EXHIBIT 16-3: EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING (HCV VERSION)

Attachment: Certification form HUD-5382

Solano County Housing Authority

Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

Housing Choice Voucher Program

Emergency Transfers

The PHA is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),[3] the PHA allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.[4] The ability of the PHA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether the PHA has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the federal agency that oversees that the **public housing and housing choice voucher (HCV) programs** are in compliance with VAWA.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L, is eligible for an emergency transfer if the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

---

[3]Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, stalking or human trafficking, regardless of sex, gender identity, or sexual orientation.

[4]Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify the PHA's management office and submit a written request for a transfer to **any PHA office**. The PHA will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under the PHA's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

Confidentiality

The PHA will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives the PHA written permission to release the information on a time-limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person or persons that committed an act of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence against Women Act for All Tenants for more information about the PHA's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability

The PHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. The PHA will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. The PHA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If the PHA has no safe and available units for which a tenant who needs an emergency transfer is eligible, the PHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, the PHA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Emergency Transfers: Housing Choice Voucher (HCV) Program

Tenant-based assistance: If you are a participant in the tenant-based HCV program and request an emergency transfer as described in this plan, the PHA will assist you to move to a safe unit quickly using your existing voucher assistance. The PHA will make exceptions to program regulations restricting moves as required.

DRAFT

At your request, the PHA will refer you to organizations that may be able to further assist you.

Project-based assistance: If you are assisted under the project-based voucher (PBV) program, you may request an emergency transfer under the following programs for which you are not required to apply:

- Tenant-based voucher, if available
- Project-based assistance in the same project (if a vacant unit is available and you determine that the vacant unit is safe)
- Project-based assistance in another development owned by the PHA

Emergency transfers under VAWA will take priority over waiting list admissions for these types of assistance.

You may also request an emergency transfer under the following programs for which you are required to apply:

- PBV assistance in another development not owned by the PHA

Emergency transfers will not take priority over waiting list admissions for these programs. At your request, the PHA will refer you to organizations that may be able to further assist you.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse, and Incest National Network's National Sexual Assault Hotline at 1-800-656-HOPE, or visit the online hotline at: https://ohl.rainn.org/online/.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at: https://www.victimsofcrime.org/our-programs/stalking-resource-center.

You may also contact SafeQuest Solano at (707) 422-7345 , located at 1049 Union Avenue, Fairfield, CA or the City of Vacaville Family Investigative Response Services Team (FIRST) by phone at (707) 469-6600, by e-mail at FRC@cityofvacaville.com or in person at 650 Merchant St., Vacaville, CA.

For help regarding sexual assault, you may contact Solano County Family Violence Intervention Team at (707) 784-7683.

Victims of stalking seeking help may contact the City of Vacaville Family Investigative Response Services Team (FIRST) by phone at (707) 469-6600, by e-mail at FRC@cityofvacaville.com or in person at 650 Merchant St., Vacaville, CA.

EXHIBIT 16-4: EMERGENCY TRANSFER REQUEST FOR CERTAIN VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING, FORM HUD-5383

EMERGENCY TRANSFER REQUEST FOR CERTAIN VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING

U.S. Department of Housing and Urban Development

OMB Approval No. 2577-0286
Exp. 06/30/2017

Purpose of Form: If you are a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking and you are seeking an emergency transfer, you may use this form to request an emergency transfer and certify that you meet the requirements of eligibility for an emergency transfer under the Violence Against Women Act (VAWA). Although the statutory name references women, VAWA rights and protections apply to all victims of domestic violence, dating violence, sexual assault or stalking. Using this form does not necessarily mean that you will receive an emergency transfer. See your housing provider's emergency transfer plan for more information about the availability of emergency transfers.

The requirements you must meet are:

(1) You are a victim of domestic violence, dating violence, sexual assault, or stalking. If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation. In response, you may submit Form HUD-5382, or any one of the other types of documentation listed on that Form.

(2) You expressly request the emergency transfer. Submission of this form confirms that you have expressly requested a transfer. Your housing provider may choose to require that you submit this form, or may accept another written or oral request. Please see your housing provider's emergency transfer plan for more details.

(3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit. This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you submit this form or otherwise expressly request the transfer.

Submission of Documentation: If you have third-party documentation that demonstrates why you are eligible for an emergency transfer, you should submit that documentation to your housing provider if it is safe for you to do so. Examples of third party documentation include, but are not limited to: a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom you have sought assistance; a current restraining order; a recent court order or other court records; a law enforcement report or records; communication records from the perpetrator of the violence or family members or friends of the perpetrator of the violence, including emails, voicemails, text messages, and social media posts.

DRAFT

Confidentiality: All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking, and concerning your request for an emergency transfer shall be kept confidential. Such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections or an emergency transfer to you. Such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

TO BE COMPLETED BY OR ON BEHALF OF THE PERSON REQUESTING A TRANSFER

1. Name of victim requesting an emergency transfer: _____

2. Your name (if different from victim's)_____

3. Name(s) of other family member(s) listed on the lease:_____

_____

4. Name(s) of other family member(s) who would transfer with the victim:_____

_____

5. Address of location from which the victim seeks to transfer: _____

6. Address or phone number for contacting the victim:_____

7. Name of the accused perpetrator (if known and can be safely disclosed):_____

8. Relationship of the accused perpetrator to the victim:_____

9. Date(s), Time(s) and location(s) of incident(s):_____

_____

10. Is the person requesting the transfer a victim of a sexual assault that occurred in the past 90 days on the premises of the property from which the victim is seeking a transfer? If yes, skip question 11. If no, fill out question 11. _____

11. Describe why the victim believes they are threatened with imminent harm from further violence if they remain in their current unit.

_____

_____

12. If voluntarily provided, list any third-party documentation you are providing along with this notice: _____

This is to certify that the information provided on this form is true and correct to the best of my knowledge, and that the individual named above in Item 1 meets the requirement laid out on this form for an emergency transfer. I acknowledge that submission of false information could jeopardize program eligibility and could be the basis for denial of admission, termination of assistance, or eviction.

EXHIBIT 16-5 MODEL OWNER NOTIFICATION OF RIGHTS AND OBLIGATIONS

SOLANO COUNTY HOUSING AUTHORITY

NOTIFICATION OF YOUR RIGHTS AND OBLIGATIONS

UNDER THE VIOLENCE AGAINST WOMEN ACT (VAWA)

VAWA provides protections for Section 8 Housing Choice Voucher (HCV) and PBV applicants, tenants, and participants from being denied assistance on the basis or as a direct result of being a victim of domestic violence, dating violence, sexual assault stalking or human trafficking.

Purpose

Many of VAWA's protections to victims of domestic violence, dating violence, sexual assault stalking or human trafficking involve action by the public housing agency (PHA), but some situations involve action by owners of assisted housing. The purpose of this notice (herein called "Notice") is to explain your rights and obligations under VAWA, as an owner of housing assisted through **Solano County Houing Authority (SCHA)** HCV program. Each component of this Notice also provides citations to HUD's applicable regulations.

Denial of Tenancy

Protections for applicants**:** Owners cannot deny tenancy based on the applicant having been or currently being a victim of domestic violence, dating violence, sexual assault, stalking or human trafficking. However, the applicant must be otherwise eligible for tenancy. (See 24 Code of Federal Regulations (CFR) 982.452(b)(1).)

Eviction

Protections for HCV participants**:** Incidents or threats of domestic violence, dating violence, sexual assault, stalking or human trafficking will not be considered a serious or repeated lease violation by the victim, or good cause to terminate the tenancy of the victim (see24 CFR 5.2005(c)). Protection also applies to criminal activity related directly to domestic violence, dating violence, sexual assault, stalking, or human trafficking conducted by a member of a tenant's household or any guest or other person under the tenant's control, if the tenant or an affiliated individual of the tenant is the victim or threatened victim of such domestic violence, dating violence, sexual assault, stalking or human trafficking (24 CFR 5.2005(b)(2)).

Limitations of VAWA protections:

a. Nothing in the VAWA limits the authority of an owner, when notified of a court order, to comply with a court order with respect to (24 CFR 5.2005(d)(1)):

1) The rights of access or control of property, including civil protection orders issued to protect a victim of domestic violence, dating violence, sexual assault, or stalking; or

2) The distribution or possession of property among members of a household in a case.

b. Nothing in the VAWA Final Rule limits an owner from evicting a victim of domestic violence, dating violence, sexual assault, stalking or human trafficking for a lease violation that is not premised on an act of domestic violence, dating violence, sexual assault, stalking or human trafficking, as long as the owner does not subject the victim to more demanding standards than other tenants when deciding whether to evict. (See 24 CFR 5.2005(d)(2).)

c. Nothing in the VAWA Final Rule limits an owner from evicting a tenant (including the victim of domestic violence, dating violence, sexual assault, stalking or human trafficking) if the owner can demonstrate an actual and imminent threat to other tenants or those employed at or providing services to the HCV property would be present if the tenant or lawful occupant is not evicted. (See 24 CFR

5.2005(d)(3).)

DRAFT

i. In this context, words, gestures, actions, or other indicators will be considered an "actual and imminent threat" if they meet the following standards: An actual and imminent threat consists of a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur. (See 24 CFR 5.2003.)

ii. Any eviction due to "actual and imminent threat" should be utilized by an owner only when there are no other actions that could be taken to reduce or eliminate the threat, including, but not limited to, transferring the victim to a different unit, barring the perpetrator from the property, contacting law enforcement to increase police presence or develop other plans to keep the property safe, or seeking other legal remedies to prevent the perpetrator from acting on a threat. Restrictions predicated on public safety cannot be based on stereotypes, but must be tailored to particularized concerns about individual residents. (See 24 CFR 5.2005(d)(4).)

Documentation of Domestic Violence, Dating Violence, Sexual Assault, Stalking or Human Trafficking

If an applicant or tenant requests VAWA protection based on status as a victim of domestic violence, dating violence, sexual assault, stalking or human trafficking, the owner has the option to request that the victim document or provide written evidence to demonstrate that the violence occurred. However, nothing in HUD's regulation requires a covered housing provider to request this documentation. (See 24 CFR 5.2007(b)(3).)

If the owner chooses to request this documentation, the owner must make such request in writing. The individual may satisfy this request by providing any one document type listed under 24 CFR 5.2007(b)(1):

a. Form HUD-55383 (Self-Certification Form); or

b. A document: 1) Signed by an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional or a mental health professional (collectively, "professional") from whom the victim has sought assistance relating to domestic violence, dating violence, sexual assault, stalking or human trafficking, or the effects of abuse:

2) Signed by the applicant or tenant; and

3) That specifies, under penalty of perjury, that the professional believes in the occurrence of the incident of domestic violence, dating violence, sexual assault, stalking or human trafficking that is the ground for protection and remedies under 24 CFR part 5, subpart L, and that the incident meets the applicable definition of domestic violence, dating violence, sexual assault, stalking or human trafficking under 24 CFR 5.2003; or

c. A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or

d. At the discretion of a covered housing provider, a statement or other evidence provided by the applicant or tenant.

The owner must accept any of the above items (a – c). The owner has discretion to accept a statement or other evidence (d).

The owner is prohibited from requiring third-party documentation of the domestic violence, dating violence, sexual assault, stalking or human trafficking, unless the submitted documentation contains conflicting information.

DRAFT

If the owner makes a written request for documentation, the owner may require submission of that documentation within 14 business days after the date that the individual received the written request for documentation. (24 CFR 5.2007(a)(2)). The owner may extend this time period at its discretion. During the 14 business day period and any granted extensions of that time, no adverse actions, such as evictions or terminations, can be taken against the individual requesting VAWA protection.

Once a victim provides documentation of domestic violence, dating violence, sexual assault, stalking or human trafficking, the owner is encouraged to acknowledge receipt of the documentation in a timely manner.

If the applicant or tenant fails to provide documentation that meets the criteria in 24 CFR 5.2007 within 14 business days after receiving the written request for that documentation or within the designated extension period, nothing in VAWA may be construed to limit the authority of the covered housing provider to:

a. Deny admission by the applicant or tenant to the housing or program;

b. Deny assistance under the covered housing program to the applicant or tenant;

c. Terminate the participation of the tenant in the covered housing program; or

d. Evict the tenant, or a lawful occupant that commits a violation of a lease.

An individual's failure to timely provide documentation of domestic violence, dating violence, sexual assault, ostalking or human trafficking does not result in a waiver of the individual's right to challenge the denial of assistance or termination, nor does it preclude the individual's ability to raise an incident of domestic violence, dating violence, sexual assault, stalking or human trafficking at eviction or termination proceedings.

Moves

A victim of domestic violence, dating violence, sexual assault, stalking or human trafficking may move in violation of their lease if the move is required to protect their safety. If a move results in the termination of the Housing Assistance Payment Contract, the lease is automatically terminated.

Lease Bifurcation

Owners may choose to bifurcate a lease, or remove a household member from a lease in order to evict, remove, terminate occupancy rights, or terminate assistance to such member who engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, stalking or human trafficking against an affiliated individual or other individual. (See 24 CFR 5.2009(a).) If an owner chooses to bifurcate the lease, the owner must comply with the reasonable time to establish eligibility under the covered housing program or find alternative housing following lease bifurcation provision in 24 CFR 5.2009(b). VAWA protections, including bifurcation, do not apply to guests or unreported members of a household or anyone else residing in a household who is not a tenant.

Eviction, removal, termination of occupancy rights, or termination of assistance must be effected in accordance with the procedures prescribed by federal, state, or local law for termination of leases.

To avoid unnecessary delay in the bifurcation process, HUD recommends that owners seek court-ordered eviction of the perpetrator pursuant to applicable laws. This process results in the underlying lease becoming null and void once the owner regains possession of the unit. The owner would then execute a new lease with the victim.

Evictions Due to "Actual and Imminent Threat" or Violations Not Premised on Abuse

The VAWA generally prohibits eviction on the basis or as a direct result of the fact that the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault,

DRAFT

stalking or human trafficking, if the applicant or tenant otherwise qualifies for assistance, participation or occupancy. (See 24 CFR 5.2005.)

However, VAWA does not prohibit an owner from evicting a tenant for any violation not premised on an act of domestic violence, dating violence, sexual assault, stalking or human trafficking that is in question against the tenant or an affiliated individual of the tenant. Nor does VAWA prohibit an owner from evicting a tenant if the owner can demonstrate an actual and imminent threat to other tenants or those employed at or providing services to property of the owner would be present if that tenant or lawful occupant is not evicted or terminated from assistance. (See 5.2005(d)(2) and (3).)

In order to demonstrate an actual and imminent threat to other tenants or employees at the property, the covered housing provider must have objective evidence of words, gestures, actions, or other indicators that meet the standards in the following definition:

Actual and imminent threat refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

- The duration of the risk;
- The nature and severity of the potential harm;
- The likelihood that the potential harm will occur; and
- The length of time before the potential harm would occur.

(See 24 CFR 5.2003 and 5.2005(d)(2).)

Confidentiality

Any information submitted to a covered housing provider under 24 CFR 5.2007, including the fact that an individual is a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking must be maintained in strict confidence by the covered housing provider. (See 24 CFR 5.2007(c).)

Employees of the owner (or those within their employ, e.g., contractors) must not have access to the information unless explicitly authorized by the owner for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law (e.g., the information is needed by an employee to provide the VAWA protections to the victim).

The owner must not enter this information into any shared database, or disclose this information to any other entity or individual, except to the extent that disclosure is:

a. Requested or consented to in writing by the individual (victim) in a time-limited release;

b. Required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program; or

c. Otherwise required by applicable law.

When communicating with the victim, owners must take precautions to ensure compliance with these confidentiality requirements.

Service Providers

SCHA has extensive relationships with local service providers. **SCHA** staff are available to provide referrals to shelters, counselors, and advocates. These resources are also provided in **SCHA** Annual and 5-Year Plan, Administrative Plan, VAWA Notice of Occupancy Rights, and Emergency Transfer Plan. A list of local service providers is attached to this Notice.

Definitions

DRAFT

Actual and imminent threat refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

Affiliated individual, with respect to an individual, means:
(1) A spouse, parent, brother, sister, or child of that individual, or a person to whom that individual stands in the place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of that individual); or
(2) Any individual, tenant, or lawful occupant living in the household of that individual.

Bifurcate means to divide a lease as a matter of law, subject to the permissibility of such process under the requirements of the applicable HUD-covered program and State or local law, such that certain tenants or lawful occupants can be evicted or removed and the remaining tenants or lawful occupants can continue to reside in the unit under the same lease requirements or as may be revised depending upon the eligibility for continued occupancy of the remaining tenants and lawful occupants.

Dating violence means violence committed by a person:

(1) Who is or has been in a social relationship of a romantic or intimate nature with the victim; and

(2) Where the existence of such a relationship shall be determined based on a consideration of the following factors:

(i) The length of the relationship;

(ii) The type of relationship; and

(iii) The frequency of interaction between the persons involved in the relationship.

Domestic violence includes felony or misdemeanor crimes committed by by a current or former spouse or intimate partner of the victim under the family or domestic violence laws of the jurisdiction receiving grant funding, and in the case of victim services, includes the user or attempted use of physical abuse or sexual abuse, or a pattern of any other coercive behavior committed, enabled, or solicited to gain or maintain power and control over a victim, including verbal, psychological, economic, or technological abuse that may or may not constitute criminal behavior, by a person who is:

- The current or former spouse or intimate partner of the victim, or person similarly situated to a spouse or intimate partner of the victim
- A person who is cohabitating or has cohabitated with the victim as a spouse or intimate partner
- A person with whom the victim shares a child in common

A person who commits acts against an youth or adult victim who is protected from those acts under the domestic or family violence laws of the jurisdiction

Sexual assault means any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
(1) Fear for the person's individual safety or the safety of others; or
(2) Suffer substantial emotional distress.

VAWA means the Violence Against Women Act of 1994, as amended (42 U.S.C. 13925 and 42 U.S.C. 14043e et seq.).

Chapter 18 (NEW CHAPTER)

SPECIAL PURPOSE VOUCHERS

INTRODUCTION

Special purpose vouchers are specifically funded by Congress in separate appropriations from regular HCV program funding in order to target specific populations. Special purpose vouchers include vouchers for the following programs:

- Family Unification Program (FUP)
- Foster Youth to Independence (FYI) program
- Veterans Affairs Supportive Housing (VASH)
- Mainstream
- Non-Elderly Disabled (NED)
- Stability Voucher program

SCHA Policy

The SCHA will administer the following types of special purpose vouchers: **FUP, VASH and Mainstream**

This chapter describes HUD regulations and PHA policies for administering special purpose vouchers. The policies outlined in this chapter are organized into five sections, as follows:

Part I: Family Unification Program (FUP) –

Part II: Foster Youth to Independence (FYI) program

Part III: Veterans Affairs Supportive Housing (VASH)

Part IV: Mainstream voucher program

Part V: Non-Elderly Disabled (NED) vouchers

Part VI: Stability Voucher program

SCHA has not been awarded FUP, FYI, NED or Stability Vouchers. If awarded, the HUD regulations and policies outlined in this chapter will be followed.

Except as addressed by this chapter and as required under federal statute and HUD requirements, the general requirements of the HCV program apply to special purpose vouchers.

PART I: FAMILY UNIFICATION PROGRAM (FUP)

18-I.A. PROGRAM OVERVIEW [Fact Sheet, Housing Choice Voucher Program Family Unification Program (FUP)]

Overview

The Family Unification Program (FUP) was authorized by Congress in 1990 to help preserve and reunify families. PHAs that administer the program provide vouchers to two different populations—FUP families and FUP youth.

Families eligible for FUP are families for whom the lack of adequate housing is a primary factor in:

- The imminent placement of the family's child or children in out-of-home care; or
- The delay in the discharge of the child or children to the family from out-of-home care.

There is no time limitation on FUP family vouchers, and the family retains their voucher as long as they are HCV-eligible. There is no requirement for the provision of supportive services for FUP family vouchers.

Youth eligible for FUP are those who:

- Are at least 18 years old and not more than 24 years of age;
- Have left foster care or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act at age 16 and older; and
- Are homeless or at risk of becoming homeless.

FUP youth vouchers are limited by statute to a period between 36 and 60 months of housing assistance. Supportive services must also be provided to FUP-eligible youth by the Public Child Welfare Agency (PCWA) or by another agency or organization under contract with the PCWA for the period of time defined in the notice or Notice of Funding Availability/Opportunity (NOFA/O) for which funding was made available.

PHAs that wish to administer FUP vouchers must apply to HUD by submitting an application under an ac
tive Notice of Funding Opportunity (NOFO). While the FUP program is administered in accordance with HCV regulations, the FUP NOFOs issued by HUD provide specific program information and requirements.

In order to administer the program, the PHA must also form a partnership with a local PCWA who is responsible for determining the family or youth meets FUP eligibility requirements and referring them to the PHA. Once the referral is received, the PHA is responsible for placing the

FUP family or youth on the PHA's waiting list and determining whether they are eligible to receive assistance under the PHA's HCV program.

Assigning Vouchers [FUP FAQs]

The PHA may, but is not required to, assign a specific number or percentage of FUP vouchers for FUP youths and FUP families. Unless the PHA assigns a specific number or percentage of FUP vouchers to a designated FUP population, the PHA must serve any referrals (youths or families) that meet all program eligibility requirements up to the PHA's designated FUP program size.

SCHA Policy

The SCHA has not designated any specific number or percentage of FUP vouchers for youths or families. The SCHA will serve all referrals that meet program eligibility requirements, up to the SCHA's FUP voucher allocation.

18-I.B. PUBLIC CHILD WELFARE AGENCY (PCWA)

Families and youth do not apply directly to the PHA for FUP vouchers. They are instead referred by a PCWA with whom the PHA has entered into a Memorandum of Understanding (MOU). The partnering PCWA initially determines whether the family or youth meets the FUP program eligibility requirements listed in 18-I.C. and 18-I.D. and then refers those families or youths to the PHA.

HUD strongly encourages PHAs and PCWAs to make decisions collaboratively on the administration of the program and to maintain open and continuous communication. The PCWA must have a system for identifying FUP-eligible youth within the agency's caseload and for reviewing referrals from a Continuum of Care (COC) if applicable.

PHA Policy

The PHA has entered into an MOU with the following partnering organization: ***Solano County Child Welfare Services CWS.).***

Supportive Services

The PCWA must provide supportive services for the period of time defined in the notice or NOFA/O for which the funding was made available to all FUP-eligible youth regardless of their age. The MOU between the PHA and the PCWA should identify the period of time in which supportive services will be provided.

SCHA Policy

The PCWA will provide supportive services for all FUP youth for a period of 36 months.

Supportive services may be provided to FUP-eligible youth by the PCWA or by another agency or organization under agreement or contract with the PCWA, including the PHA. The organization providing the services and resources must be identified in the MOU. The following services must be offered:

- Basic life skills information or counseling on money management, use of credit, housekeeping, proper nutrition or meal preparation, and access to health care (e.g., doctors, medication, and mental and behavioral health services);
- Counseling on compliance with rental lease requirements and with HCV program participant requirements, including assistance or referrals for assistance on security deposits, utility hook-up fees, and utility deposits;
- Providing such assurances to owners of rental property as are reasonable and necessary to assist a FUP-eligible youth to rent a unit with a FUP voucher;
- Job preparation and attainment counseling (where to look and how to apply, dress, grooming, relationships with supervisory personnel, etc.); and
- Educational and career advancement counseling regarding attainment of general equivalency diploma (GED), or attendance or financing of education at a technical school, trade school, or college, including successful work ethic and attitude models.

SCHA Policy

Additional supportive services will not be offered.

A FUP-eligible youth cannot be required to participate in these services as condition of receipt of the FUP voucher.

18-I.C. FUP FAMILY VOUCHER ELIGIBILITY CRITERIA

FUP family assistance is reserved for eligible families that the PCWA has certified are a family for whom a lack of adequate housing is a primary factor in:

- The imminent placement of the family's child or children in out-of-home care, or
- The delay in the discharge of the child or children to the family from out-of-home care.

Lack of adequate housing means the family meets any one of the following conditions:

- Living in substandard housing, which refers to a unit that meets any one of the following conditions:
  - Does not have operable indoor plumbing
  - Does not have a usable flush toilet inside the unit for the exclusive use of a family or youth
  - Does not have a usable bathtub or shower inside the unit for the exclusive use of a family or youth
  - Does not have electricity, or has inadequate or unsafe electrical service
  - Does not have a safe or adequate source of heat
  - Should, but does not, have a kitchen

- Has been declared unfit for habitation by an agency or unit of government, or in its present condition otherwise endangers the health, safety, or well-being of the family or youth
- Has one or more critical defects, or a combination of intermediate defects in sufficient number or to the extent that it requires considerable repair or rebuilding. The defects may result from original construction, from continued neglect or lack of repair, or from serious damage to the structure

- Being homeless as defined in 24 CFR 578.3
- Living in a unit where the presence of a household member with certain characteristics (i.e., conviction for certain criminal activities) would result in the imminent placement of the family's child or children in out-of-home care, or the delay in the discharge of the child or children to the family from out-of-home care
- Living in housing not accessible to the family's disabled child or children due to the nature of the disability
- Living in an overcrowded unit, which is defined as living in a unit where one of the following conditions has been met:
  - The family is separated from its child or children and the parents are living in an otherwise standard housing unit, but, after the family is reunited, the parents' housing unit would be overcrowded for the entire family and would be considered substandard; or
  - The family is living with its child or children in a unit that is overcrowded for the entire family and this overcrowded condition may result, in addition to other factors, in the imminent placement of its child or children in out-of-home care.
  - For purposes of this definition, the determination as to whether the unit is overcrowded is made in accordance with the PHA subsidy standards in Chapter 5, Part III of this policy.

Since HUD does not define *imminent placement*, the partnering PCWA may use its discretion to determine whether the potential out of home placement of the family's child or children is imminent [FUP FAQs].

18-I.D. FUP YOUTH VOUCHER ELIGIBILITY CRITERIA

While FUP family vouchers operate as regular HCVs after the family is referred from the PCWA, there are several aspects of the FUP youth vouchers that make them distinct from the FUP family vouchers and from regular HCVs.

Eligibility Criteria

A FUP-eligible youth is a youth the PCWA has certified:

- Is at least 18 years old and not more than 24 years of age (has not yet reached their 25th birthday);
  - The FUP youth must be no more than 24 years old at the time the PCWA certifies them as eligible and at the time of HAP contract execution.

- Has left foster care or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act;
  - Foster care placement can include, but is not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, childcare institutions, and pre-adoptive homes in accordance with 24 CFR 5.576.
- Is homeless or at risk of becoming homeless at age 16 or older;
  - *At risk of being homeless* is fully defined at 24 CFR 576.2.
    - This includes a person that is exiting a publicly funded institution, or system of care (such as a healthcare facility, a mental health facility, foster care or other youth facility, or correction program or institution).
    - Therefore, youth being discharged from an institution may be eligible for a FUP voucher [FUP FAQs].
- Has an annual income at or below 30 percent of area median income; and
- Does not have sufficient resources or support networks (e.g., family, friends, faith-based or other social networks) immediately available to prevent them from moving to a supervised publicly or privately operated shelter designed to provide temporary living arrangements.

18-I.E. BRIEFINGS AND VOUCHER ISSUANCE

The SCHA has 50 vouchers specifically for FUP eligible families and/or youth. When vouchers become available, the SCHA will pull FUP eligible families from the SCHA wait list based on preferences and lottery placement.

FUP eligible families and youth will be issued an initial voucher to search for housing with a 120 day term. 90 day extensions may be authorized when requested. The VHA must approve the first extension request, whether it is written or oral, if made on or before the term expiration date. Subsequent requests shall be completed in accordance with Chapter 5, Section II.E. of this Administrative Plan. A final 60 day extension voucher issuance, notify the applicant prior to the initial term expiration to remind them of the term expiration date, the process for requesting an extension, and to inquire if the applicant needs assistance with their housing search.

FUP eligible youth are eligible to receive housing assistance for a maximum of 36 months. FUP eligible youth who are parents of minor children are considered FUP youth and are eligible to receive assistance for a maximum of 36 months. At the end of 36 months, or any time during the 36 month time frame, a FUP youth may choose to participate in the Family Self Sufficiency (FSS) Program which would allow up to an additional five years, plus up to two years of any eligible extensions, or until the FSS Contract of Participation ends or is terminated, whichever is sooner. At the end of 36 months, or the end of the FSS Contract of Participation, whichever comes first, the SCHA, in coordination with CWS and, will determine if the youth is ready to be self-sufficient. If it is determined that the youth is not ready to be self-sufficient, a special

preference on the waiting list will be given to those FUP youth whose voucher is expiring and will have a lack of adequate housing as a result of the voucher expiration.

There is no limitation on the time a FUP family may receive housing assistance under the FUP. FUP families are eligible to keep their FUP voucher assistance if they lose parental rights.

After verification of eligibility is completed by the SCHA, the family will be required to attend an oral briefing prior to receiving a FUP voucher. The briefing will include information on how the program works and the responsibilities of the family and landlord. In addition to the oral briefing, the SCHA will provide a briefing packet that explains how the SCHA determines the total tenant payment for a family, the family obligations under the program, and applicable fair housing information. Additionally, the family will be required to attend pre-rental housing counseling offered in groups, or individual, as needed.

Adding People to the Household

The SCHA will allow FUP participants to add members to their household provided they are eligible (i.e. clear criminal background, income eligible, etc.). However, if the household splits while receiving assistance, the voucher will remain with the original FUP voucher recipient. Other adults in the family will not have the right to contest the SCHA's decision to allow the voucher to remain with the original FUP recipient. This only applies while the family holds a FUP voucher. If the family is absorbed into the SCHA's HCV program, then the rules on family break-up while being assisted described in Chapter 3 of this Administrative Plan apply.

18-I.F SERVICE PLAN

Solano County CWS and any other organization the SCHA selects to work with that is focused on youth transitional services , will provide case management services to families and youth participating in the FUP for the first 18 months of participation. The service plan will outline services needed to assist the family to achieve self-sufficiency. The family will be required to attend classes and/or meetings that are recommended based on an individual needs assessment. The family will be jointly monitored by CWS, and any other organization the SCHA selects to work with that is focused on youth transitional services and the SCHA on a regular basis for compliance with case management.

18-I.G. FAMILY SELF-SUFFICIENCY

The Family Self-Sufficiency Program (FSS) Coordinator will inform and encourage the family and/or youth to participate in the FSS Program. If the family elects to participate, they will be monitored at least quarterly to ensure that they are on the right track towards achieving their goals.

The SCHA is participating in the FUP and FSS Demonstration (PIH-2016-01). The purpose of the demonstration is to increase opportunities for housing youth with support to achieve self-sufficiency. Program participants with a FUP youth voucher who agree to sign an FSS Contract of Participation will maintain their housing assistance for a period not exceeding the length of the FSS Contract of Participation. If the FSS Contract of Participation is extended in accordance with 24 CFR 303(d), the FUP youth voucher can be extended for the entire length of the FSS Contract of Participation. New and current FUP youth until the end of the 36 months to enroll in the FUP FSS Demonstration Program.

The SCHA will notify current FUP youth, if any, that this Demonstration Program is available with no less than 60 days remaining of the 36 month eligibility period.

If a FUP youth participating in the Demonstration Program fails to comply with the terms and conditions of the FSS Contract of Participation without good cause and is terminated from the FSS program, the youth is no longer considered a participant in the Demonstration Program.

FSS Enrollment at 24 Months

If the FUP youth has not been provided an opportunity to enroll in the FSS program during the first 24 months of FUP assistance, HUD encourages the PHA to remind the youth at the 24-month reexamination of the education, workforce development, and employment requirements described above so that the youth has enough time to meet these requirements prior to the expiration of the 36-month time period for FUP assistance.

SCHA Policy

If the FUP youth has not been provided an opportunity to enroll in the FSS program during the first 24 months of FUP assistance, the SCHA will remind the youth at their second regular reexamination of the education, workforce development, and employment requirements described above.

FSS Enrollment Between 36 and 48 Months

If an FSS slot becomes available between the 36-month and 48-month mark:

- The PHA must offer the slot to a FUP youth who had their voucher extended based on meeting the education, workforce development, or employment requirement listed above, or one of the statutory exceptions listed above (even if the youth previously declined an FSS slot because they met one of the statutory exceptions).
- The PHA must work with the youth to determine whether enrollment in FSS is feasible and in their best interest given any education, workforce development, or employment activities that the youth is engaged in and any statutory exceptions that apply to the youth, as well as the remaining time on their voucher.

- If the FUP youth accepts the FSS slot, the PHA must work with the youth to establish Contract of Participation goals and an Individual Training and Services Plan (ITSP) that can be accomplished within the time period left on the voucher.

If the FUP youth is offered an FSS slot prior to the 36-month mark, the youth:

- Will be required to enroll in the FSS program in order to receive an extension of assistance at the end of the 36-month time period (unless they meet one of the statutory exceptions described above).
- Will not be considered to have been "unable to enroll" in the FSS program as described above, and as a result, will not be eligible to receive an extension of assistance based on meeting the education, workforce development, or employment requirements described above.

FSS Enrollment After 48 Months

The PHA may, but is not required to, offer a FUP youth an FSS slot that becomes available between the 48-month mark and the 60-month mark, since the youth will have already received their second and final extension.

PHA Policy

If an FSS slot becomes available between the 48 and 60-month marks, the PHA will not offer the FSS slot to a FUP youth.

Extensions of Assistance

At the 36-month and 48-month reexamination, the PHA must extend FUP youth assistance if the youth is participating in and in compliance with the FSS program as long as the youth is still eligible for the HCV program.

In any case, the FUP youth cannot receive more than a total of 60 months of FUP youth voucher assistance, even if the FSS Contract of Participation time period extends beyond the voucher 60-month mark.

No FSS Program or Unable to Enroll in FSS

If a PHA does not carry out an FSS program or the FUP youth has been unable to enroll in the program during the first 36 months of receiving FUP assistance, the FUP youth is entitled to receive an extension of assistance for up to two successive 12-month periods beyond the 36-month time limit provided that the youth engaged in at least one of the education, workforce development, or employment activities described above for not less than nine months of the 12-month period preceding each extension. In order to meet the nine months out of the preceding 12 months requirement, the youth may have engaged in one of the education, workforce development, or employment activities described above or a combination of these activities.

Verification Prior to Annual Reexam

In order to provide an extension of assistance, the PHA must verify compliance with the above requirements at the end of the 36-month time period and the 48-month time periods. The PHA does not need to verify compliance with these requirements at the end of the 60-month time period since the maximum length of assistance is 60 months.

To verify compliance with the education, workforce development, or employment requirement or one of the statutory exceptions, the PHA must provide the FUP youth written notification informing them that they may receive an extension of their FUP assistance and providing instructions on how the youth may demonstrate that they meet one of these conditions. This notification must be provided sufficiently in advance of the end of the 36-month or 48-month time periods, as applicable, to allow the FUP youth to demonstrate that they meet the education, workforce development, or employment requirement, or one of the statutory exceptions, and for the PHA to conduct an annual reexamination prior to the expiration of the FUP assistance.

SCHA Policy

The SCHA will verify compliance with the education, workforce development, or employment requirement, or one of the statutory exceptions, at the end of the 36-month and 48-month time periods prior to the FUP youth's scheduled annual reexamination. The SCHA will not verify compliance at the end of the 60-month time period.

The SCHA will provide each FUP youth on the SCHA's program with a written notification informing them that they may receive an extension of their FUP assistance if they meet conditions outlined in this chapter and providing them with instructions on how they may demonstrate compliance at least 60 days prior to their scheduled annual reexamination date. When necessary, the SCHA will provide this notification in a format accessible to FUP youth with disabilities and in a translated format for FUP youth with limited English proficiency in accordance with Chapter 2.

The SCHA will use the following verification methods to verify a FUP youth's eligibility for voucher extensions:

To verify compliance with the FSS requirement, the SCHA will examine its records to confirm, or obtain confirmation from the SCHA's FSS program staff, that the FUP youth participant is in compliance with FSS program requirements and has not been terminated from the FSS program.

To meet the education, workforce development, or employment requirement, the SCHA will verify that the FUP youth was engaged in at least one education, workforce development, or employment activity for at least nine months of the 12-month period immediately preceding the end of 36-month or 48-month time period, as applicable.

Due to the timing of when the SCHA verifies compliance and conducts the annual reexamination, the FUP youth may have not yet met the nine-month requirement but may be able to demonstrate that they will meet the nine-month requirement as of the end of the 36-month or 48-month time period. In such cases, the FUP/FYI youth will still be considered to have met the requirements.

In order for the FUP youth to meet one of the statutory exceptions described above, the youth must submit a certification to the SCHA that they meet one of these exceptions. This certification is the only documentation that the FUP youth

must submit in order to demonstrate that they meet one of the statutory exceptions.

A FUP youth who received an extension of voucher assistance at the end of the 36-month time period based on meeting one of the conditions described in this chapter does not have to meet the same conditions when they reach the end of the 48-month time period. The FUP youth may demonstrate that they meet a different condition in order to receive an extension of their assistance.

If the PHA determines that the youth meets one of the statutory conditions, the PHA would then conduct an annual reexamination. If the annual reexamination determines that the youth is still eligible for the HCV program, the PHA must provide the FUP youth the extension of voucher assistance.

Termination of Assistance for Failure to Meet Conditions

Failure of the FUP youth to meet one of the above conditions will only impact their ability to receive subsequent extensions of assistance. It will not serve as a basis for terminating the FUP assistance prior to the annual reexam.

If the FUP youth does not meet any of the conditions described in in this chapter, the youth is subject to the statutory time limit of 36 months or the time limit of any extension that the youth has already received, and the FUP youth voucher must be terminated once the youth reaches this time limit. The calculation of the time limit begins from the date the first HAP contract is signed (for tenant-based vouchers) or from the date the youth entered into the initial lease agreement (for project-based vouchers). The number of months is calculated based on the number of months that HAP subsidy is being paid on behalf of the youth, not the number of months that the youth is in the FUP youth program. Prior to termination, the PHA must offer the FUP youth the opportunity to request an informal hearing, in accordance with Chapter 16.

18-I.H. PROGRAM ADVISORY COMMITTEE (PAC)

The SCHA, Solano County CWS, and any other organization the SCHA selects to work with that is focused on youth transitional services, will establish a Program Advisory Committee (PAC) for FUP. The Purpose of the PAC is to assist the FUP in securing commitments of public and private resources for the operation of the FUP and to better address the needs of FUP participants. The PAC will meet at least quarterly to assess program progress and outcomes.

18.I.I. PROGRAM ACCESSIBILITY

In accordance with federal, state, and local nondiscrimination laws, and with the rules and regulations governing fair housing and equal opportunity in housing and employment, the SCHA takes appropriate steps to ensure effective communication with FUP applicants, FUP participants and members of the public with disabilities, including during outreach, recruitment, enrollment, and trainings. In addition, the SCHA provides appropriate auxiliary aids and services, makes reasonable adjustments or modifications to rules, policies, practices and procedures in order for individuals with disabilities to equally participate in all program activities. The SCHA also

ensures physical accessibility to their location. For more specific information on program accessibility, see Chapter 2 of this Administrative Plan.

18-I.J. ASSISTANCE PERIOD [FR Notice 1/24/22]

Maximum Assistance Period

Although there is no time limit on FUP family vouchers, FUP youth vouchers are limited by statute. Unless the FUP youth meets an exception outlined below, after 36 months of assistance, the FUP youth voucher must be terminated. However, any period of time for which no subsidy (HAP) is being paid on behalf of the youth does not count toward the 36-month limitation.

If the FUP youth does meet the requirements outlined below, the statutory limit on FUP assistance is a total of 60 months of FUP voucher assistance [FR Notice 1/24/22].

Extension of Assistance

FUP youth who first leased or lease a unit after December 27, 2020, may be eligible for an extension of assistance up to 24 months beyond the 36-month time limit (for a total of 60 months of assistance).

While FUP youth cannot be required to participate in the Family Self-Sufficiency (FSS) program as a condition of receipt of assistance, an eligible youth who participates in the FSS program and is in compliance with the applicable terms and conditions of the program is entitled to receive assistance for up to an additional 24 months. A FUP youth must accept an FSS slot if it is offered to them prior to the 36-month mark in order to receive an extension of assistance (unless the youth meets one of the statutory exceptions described below).

Statutory Exceptions

A FUP youth will be entitl
ed to receive an extension of assistance for up to 24 months beyond the 36-month time limit without participating in the PHA's FSS program if they certify that they meet one of the exceptions below:

- The FUP youth is a parent or other household member responsible for the care of a dependent child under the age of six or for the care of an incapacitated person.

  SCHA Policy

  The SCHA will apply this exception in a manner that provides extensions of FUP youth assistance to the broadest population possible consistent with the statutory requirements.

  The FUP youth will be required to self-certify that they meet this exception on a SCHA-provided form. This certification is the only documentation that the FUP youth must submit.

  The child or incapacitated person is not required to reside in the household in order for the youth to certify they meet this exception. For example, a child in a joint custody arrangement under the age of six who resides in the household only part-time may qualify the youth for this exception.

The FUP youth is a person who is regularly and actively participating in a drug addiction or alcohol treatment and rehabilitation program.

SCHA Policy

The SCHA will define *regular and active participation* in a manner that provides extensions of FUP youth assistance to the broadest population possible consistent with the statutory requirements.

The FUP youth will be required to self-certify that they meet this exception on a SCHA-provided form. This certification is the only documentation that the FUP youth must submit.

- The FUP youth is a person who is incapable of complying with the requirement to participate in a FSS program as described above or engage in education, workforce development, or employment activities as described below, as applicable, due to a documented medical condition.

SCHA Policy

The SCHA will apply this requirement in a manner that provides extensions of FUP youth assistance to the broadest population possible consistent with statutory requirements.

The FUP youth will be required to self-certify that they meet this exception on a SCHA-provided form. This certification is the only documentation that the FUP youth must submit.

A FUP youth that meets one of the above exceptions must still be offered an opportunity to enroll in the PHA's FSS program (if it is available to them) and receive any supportive services available to FUP youth. A FUP youth may choose to participate in an FSS program or engage in education, workforce development, or employment activities, even if they meet one of the above statutory exceptions.

Education, Workforce Development, or Employment Activities

If a PHA that carries out an FSS program is unable to offer a FUP youth an FSS slot during their first 36 months of receiving FUP youth assistance, the youth is considered to have been "unable to enroll" in the program and may have their voucher extended by meeting the education, workforce development, or employment criteria described below:

- The youth was engaged in obtaining a recognized postsecondary credential or a secondary school di
- ploma or its recognized equivalent.

SCHA Policy

The SCHA will use the definitions of *recognized postsecondary credential* and *secondary school diploma or its recognized equivalent* under the Workforce Innovation and Opportunity Act (WIOA). WIOA defines a *recognized postsecondary credential* as a

credential consisting of an industry-recognized certificate or certification, a certificate of completion of an apprenticeship, a license recognized by the state involved or federal government, or an associate or baccalaureate degree (29 U.S.C. 3102). Examples of a recognized postsecondary credential include, but are not limited to, an associate's degree, bachelor's degree, occupational licensure, or occupational certification (see U.S. Department of Labor, Training and Employment Guidance Letter No. 10–16, Change 1). For the purpose of WIOA, the U.S. Department of Labor defines a *secondary school diploma or its recognized equivalent* as a secondary school diploma (or alternate diploma) that is recognized by a state and that is included for accountability purposes under the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA). A secondary school equivalency certification signifies that a student has completed the requirement for a high school education. Examples of a secondary school diploma or its recognized equivalent include, but are not limited to, obtaining certification of attaining passing scores on a state-recognized high school equivalency test, earning a secondary school diploma or state-recognized equivalent, or obtaining certification of passing a state-recognized competency-based assessment.

- The youth was enrolled in an *institution of higher education*, as such term is defined in section 101(a) of the Higher Education Act of 1965 (20 U.S.C. 1001(a)) or an institution that meets the definition of a *proprietary institution of higher education* or a *postsecondary vocational institution* under sections 102(b)(1) and (c)(1) of the Higher Education Act of 1965 (20 U.S.C. 1002(b)(1) and (c)(1)), respectively.

  SCHA Policy

  Youth must be enrolled in education activities on at least a half-time basis, as defined by the institution that they attend. However, the SCHA may make exceptions to this requirement if the youth is unable to enroll in a sufficient number of classes due to a lack of course offerings by the educational institution where the youth is enrolled.

- The youth was participating in a career pathway, as such term is defined in Section 3 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3102). The term *career pathway* means a combination of rigorous and high-quality education, training, and other services that:
  - Aligns with the skill needs of industries in the economy of the state or regional economy involved;
  - Prepares an individual to be successful in any of a full range of secondary or postsecondary education options, including apprenticeships registered under the Act of August 16, 1937 (commonly known as the "National Apprenticeship Act"; 50 Stat. 664, chapter 663; 29 U.S.C. 50 et seq.) (referred to individually in this Act as an *apprenticeship*, except in section 3226 of this title);
  - Includes counseling to support an individual in achieving the individual's education and career goals;

- Includes, as appropriate, education offered concurrently with and in the same context as workforce preparation activities and training for a specific occupation or occupational cluster;
- Organizes education, training, and other services to meet the particular needs of an individual in a manner that accelerates the educational and career advancement of the individual to the extent practicable;
- Enables an individual to attain a secondary school diploma or its recognized equivalent, and at least one recognized postsecondary credential; and
- Helps an individual enter or advance within a specific occupation or occupational cluster.

- The youth was employed.

  SCHA Policy

  The SCHA will consider the youth to be employed if they work a minimum of 20 hours per week. The SCHA may make exceptions to this requirement if the youth's hours are reduced due to circumstances beyond their control or the youth must temporarily reduce their work hours due to a verified family emergency.

18-I.K. REFERRALS AND WAITING LIST MANAGEMENT

Referrals

The PCWA must establish and implement a system to identify FUP-eligible families and youths within the agency's caseload and make referrals to the PHA. The PCWA must certify that the FUP applicants they refer to the PHA meet FUP eligibility requirements. The PHA is not required to maintain full documentation that demonstrates the family's or youth's FUP eligibility as determined by the PCWA but should keep the referral or certification from the PCWA.

PHAs must adopt a referral policy to accept referrals of youth, otherwise eligible for FUP vouchers, that are leaving foster care within 180 days. This replaces the previous 90-day requirement.

SCHA Policy

As part of the MOU, the SCHA and PCWA
have identified staff positions to serve as lead FUP liaisons. These positions will be responsible for transmission and acceptance of FUP referrals. The PCWA must commit sufficient staff and resources to ensure eligible families and youths are identified and determined eligible in a timely manner.

When FUP vouchers are available, the PHA liaison responsible for acceptance of referrals will contact the PCWA FUP liaison via email indicating the number of vouchers available and requesting an appropriate numbe

r of referrals. No more than 10 business days from the date the PCWA receives this notification, the PCWA liaison will provide the PHA with a list of eligible referrals include the name, address, and contact phone number for each adult individual who is being referred; a completed release form for e
ach adult family member; and a written certification for each referral indicating the youth or family is FUP-eligible.

The PHA will maintain a copy of the referral or certification from the PCWA in the participant's file along with other eligibility paperwork.

SCHA will adopt a referral policy to accept referrals of youth, otherwise eligible for FUP vouchers, that are leaving foster care within 180 days. This replaces the previous 90-day requirement

A PHA must serve any referrals (youths or families) that meet all program eligibility requirements. If a PHA determines that it has received a sufficient number of referrals from the PCWA so that the PHA will be able to lease all FUP vouchers awarded, the PHA may request that the PCWA suspend transmission of referrals. If the PHA determines that additional referrals will be needed after it has made such a request, the PHA may request that the PCWA resume transmission of referrals [Notice PIH 2011-52].

Waiting List Placement

A family that is already participating in the regular HCV program cannot be transferred to a FUP voucher.

Once a referral is made, the PHA must compare the list of PCWA referrals to its HCV waiting list to determine if any applicants on the PCWA's referral list are already on the PHA's HCV waiting list. Applicants already on the PHA's HCV waiting list retain the order of their position on the list. Applicants not already on the PHA's HCV waiting list must be placed on the HCV waiting list.

If the PHA's HCV waiting list is closed, the PHA must open its HCV waiting list in order to accept new FUP applicants. If necessary, the PHA may open its waiting list solely for FUP applicants, but this information must be included in the PHA's notice of opening its waiting list (see section 4-II.C., Opening and Closing the Waiting List of this administrative plan).

SCHA Policy

The SCHA will not maintain a separate waiting list for FUP-eligible applicants. The SCHA will compare the names of those referred by CWS with those of families and youths already on the SCHA's waiting list. Any family or youth on the SCHA's waiting list that matches with CWS's list must be assisted in order of their position on the waiting list in accordance with SCHA admission policies. Any family or youth not on the waiting list must complete a waiting list application. FUP eligible families and/or youth

are uniquely identified and are ordered based on the same preferences as all SCHA applicants.

Waiting List Selection

Families and/or youth that contact the SCHA directly will not be allowed to complete a SCHA waiting list application (when the waiting list is closed) and/or identified for FUP until they are certified eligible by CWS. If the SCHA has a closed waiting list, it will reopen the waiting list to accept a FUP applicant family or youth who is not currently on the SCHA's waiting list. All applications are prioritized based on the preferences identified on the application as well as the date/time of the application. The SCHA will use the same selection preferences that are used for the tenant-based voucher program (see Chapter 4 of this Administrative Plan). Applicants on the waiting list identified as FUP eligible will be taken off the waiting list in the order they have been prioritized. FUP eligible applicants may be taken off the waiting list out of order from all other waiting list applicants that are not identified as FUP eligible.

18-I.L. PHA HCV ELIGIBILITY DETERMINATION

Once a FUP-eligible family or youth is selected from the HCV waiting list, the PHA must determine whether the family or youth meets HCV program eligibility requirements. Applicants must be eligible under both FUP family or youth eligibility requirements, as applicable, and HCV eligibility requirements as outlined in Chapter 3 of this policy.

The PCWA may, but is not obligated to, provide information to the PHA on the family's criminal history.

SCHA Policy

Subject to privacy laws, the PCWA will provide any available information regarding the applicant's criminal history to the SCHA.

The SCHA will consider the information in making its eligibility determination in accordance with the SCHA's policies in Chapter 3, Part III.

Additional FUP Eligibility Factors [FUP FAQs]

For FUP family vouchers, the family must remain FUP-eligible thorough lease-up.

- If, after a family is referred by the PCWA but prior to issuing a family FUP voucher, the PHA discovers that the lack of adequate housing is no longer a primary factor for the fam
- ily not reunifying, the FUP voucher may not be issued to the family.
- Similarly, if the FUP voucher has already been issued before the PHA discovers that the reunification will not happen, but the family has not yet leased up under the voucher, the PHA must not execute the HAP contract, as the family is no longer FUP-eligible.

FUP-eligible youth must be no more than 24 years old both at the time of PCWA certification and at the time of the HAP execution. If a FUP youth is 24 at the time of PCWA certification but will turn 25 before the HAP contract is executed, the youth is no longer eligible for a FUP youth voucher.

SCHA Policy

Any applicant that does not meet the eligibility criteria for the HCV program listed in Chapter 3 or any eligibility criteria listed in this section will be notified by the SCHA in writing following policies in Section 3-III.F., including stating the reasons the applicant was found ineligible and providing an opportunity for an informal review.

18.I.M. LEASE UP [FR Notice 1/24/22]

Once the PHA determines that the family or youth meets HCV eligibility requirements, the family or youth will be issued a FUP voucher in accordance with PHA policies.

During the family briefing, PHAs must inform the FUP youth of:

- The extension of assistance provisions and requirements;
- The availability of the FSS program and offer them an FSS slot, if available, or offer to place them on the FSS waiting list (provided the PHA has an FSS program); and
- Supportive services available to them, the existence of any other programs or services, and their eligibility for such programs and services. However, participation in supportive services cannot be required as a condition of receiving FUP youth assistance.

SCHA Policy

Eligible applicants will be notified by the SCHA in writing following policies in Section 3-III.F. of this administrative plan. FUP families will attend a standard HCV briefing in accordance with SCHA policies in Part I of Chapter 5 of this admin
istrative plan. FUP youth will be briefed individually. The SCHA will provide all aspects of the written and oral briefing as outlined in Part I of Chapter 5 but will also provide an explanation of the required items listed above, as well as discussing supportive servi
ces offered by the PCWA.

For both FUP youth and FUP families, vouchers will be issued in accordance with SCHA policies in Chapter 5 Part II, except that the SCHA will consider one additional 30-day extension beyond the first automatic extension for any reason, not just those listed in the policy in Section 5-II.E.

Once the family or youth locate a unit, the SCHA conducts all other processes relating to voucher issuance and administration per HCV program regulations and the SCHA's policies (including, but not limited to: inspections, determination of rent reasonableness, etc.).

18-I.N. TERMINATION OF ASSISTANCE

General Requirements

With the exception of terminations of assistance for FUP youth after the statutorily required time period, terminations of FUP assistance are handled in the same way as the regular HCV program. Termination of a FUP voucher must be consistent with regulations for termination in 24 CFR Part 982, Subpart L and be in compliance with PHA policies (Chapter 12).

If the person who qualifies for the FUP voucher passes away, the family retains the FUP voucher. In the case of a FUP-youth voucher, assistance will terminate after the statutorily required time period, even if the FUP-eligible youth is no longer included in the household.

If the person who qualifies for the FUP voucher moves, the remaining family members may keep the FUP voucher based on PHA policy (see administrative plan, Section 3-I.C., Family Breakup and Remaining Member of Tenant Family).

FUP Family Vouchers

If parents lose their parental rights or are separated from their children after voucher lease-up (or their children reach adulthood), the family is still eligible to keep their FUP assistance, as the regulations do not permit HCV termination for a family losing parental rights or the children reaching adulthood. However, the PHA may transfer the assistance of a FUP family voucher holder to regular HCV assistance if there are no longer children in the household.

SCHA Policy

The SCHA will transfer the assistance of a FUP family voucher holder to regular HCV assistance if there are no longer children in the household and there is no prospect of any minor child being returned to the household.

If the SCHA has no regular HCV vouchers available at the time this determination is made, including if no vouchers are available due to lack of funding, the SCHA will issue the family the next available regular HCV voucher after those being issued to families residing in PBV units claiming Choice Mobility.

FUP Youth Vouchers

A PHA cannot terminate a FUP youth's assistance for noncompliance with PCWA case management, nor may the PHA terminate assistance for a FUP youth for not accepting services from the PCWA.

The PHA may not transfer the assistance of a FUP youth voucher holder to regular HCV assistance upon the expiration of the statutorily required time period. However, the PHA may issue a regular HCV to FUP youth if they were selected from the waiting list in accordance with PHA policies and may also adopt a preference for FUP youth voucher holders who are being terminated for this reason.

SCHA Policy

The SCHA will not provide a selection preference on the SCHA's HCV waiting list for FUP youth who are terminated due to the time limit on assistance.

Upon the expiration of the statutorily required time period, a FUP youth voucher holder who has children and who lacks adequate housing may qualify for a FUP family voucher provided they are referred by the PCWA as an eligible family and meet the eligibility requirements for the PHA's HCV program.

18-I.O. FUP PORTABILITY

Portability for a FUP family or youth is handled in the same way as for a regular HCV family. A PHA may not restrict or deny portability for a FUP family or youth for reasons other than those specified in the HCV program regulations, as reflected in Chapter 10 of the administrative plan.

A FUP family or youth does not have to port to a jurisdiction that administers FUP.

If the receiving PHA administers the FUP voucher on behalf of the initial PHA, the voucher is still considered a FUP voucher regardless of whether the receiving PHA has a FUP program.

If the receiving PHA absorbs the voucher, the receiving PHA may absorb the incoming port into its FUP program (if it has one) or into its regular HCV program (if the receiving PHA has vouchers available to do so) and the family or youth become regular HCV participants. In either case, when the receiving PHA absorbs the voucher, a FUP voucher becomes available to the initial PHA.

Considerations for FUP Youth Vouchers

If the voucher is a FUP youth voucher and remains such upon lease-up in the receiving PHA's jurisdiction, termination of assistance must still take place once the youth has received assistance for the statutorily required time period. If the receiving PHA is administering the FUP youth voucher on behalf of the initial PHA, the two PHAs must work together to initiate termination upon expiration of the statutorily required time period.

18-I.P. PROJECT-BASING FUP VOUCHERS [Notice PIH 2017-21; FR Notice 5/7/24; 24 CFR 983.6(d)(2); 983.54(c); 983.262(c) and (e); and FR Notice 1/24/22]

The PHA may project-base FUP vouchers without HUD approval in accordance with all statutory and regulatory requirements for the PBV program. See Chapter 17 for PHA policies related to project-basing FUP vouchers.

18-I.Q. PREFERENCES [Notice PIH 2025-08]

A PHA may not apply any residency preference to FUP voucher applicants. PHAs may establish separate preferences for FUP vouchers.

PHA Policy

SCHA will not establish separate preferences for FUP voucher applicants.

SCHA will not establish separate waiting lists for FUP vouchers.

18-I.R. WAITLIST [Notice PIH 2025-08]

A PHA may establish a waitlist separate from the HCV waitlist for FUP vouchers.

SCHA Policy

SCHA will not establish separate waiting lists for FUP vouchers.

18-I.S. VOUCHER ISSUANCE

Initial Search Term [Notice PIH 2025-08]

For FUP vouchers, HUD waived 24 CFR 982.303(a), which requires an initial search term of at least 60 days, and established an alternative requirement that the initial search term for a FUP voucher be at least 120 days. The initial 120-day term also applies when a family chooses to move to a new unit with continued assistance inside or outside the PHA's jurisdiction.

VHA Policy

The initial voucher term for all FUP vouchers, including those issued when a family wishes to exercise portability, will be 120 days.

Voucher Extension [Notice PIH 2025-08]

The PHA's administrative plan must describe the PHA's policies for granting extensions to the initial 120-day voucher term and provide clear instructions to families on the procedures for requesting an extension. If a family requires additional time, the PHA is required to provide an extension as a reasonable accommodation.

PHAs must adopt an extension policy for FUP vouchers that includes the following:

- Each extension must be for a minimum of 90 days;
- The PHA must approve the first extension request, regardless of how the request is made (written or verbal) or when it is made, as long as the request is made on or before the expiration date of the voucher and is consistent with applicable requirements (subsequent requests should be processed in accordance with the PHA's administrative plan); and
- The PHA must, on at least one occasion after voucher issuance, notify the family prior to the expiration of the initial term to remind them of the expiration date, the process for requesting an extension, and to inquire if the family is in need of assistance with their housing search.

As part of its search extension policy, the PHA may not restrict a first extension approval to certain circumstances or require documentation from applicants. For all extension requests, a written or verbal request is sufficient. In providing notice to families of the expiration date and extension request process, PHAs must ensure effective communication with persons with disabilities, including those with vision, hearing, speech, intellectual or other developmental disabilities, or any other communication-related disabilities. PHAs must approve all extensions made as a reasonable accommodation, and PHAs must provide this information during the family briefing.

SCHA Policy

At least 30 days prior to the expiration of the initial term of the voucher, the VHA will contact the family to remind them of the expiration date of their voucher, the process for requesting an extension, and to inquire if the family needs assistance with their housing search. Depending on the family's preferred method of communication, the PHA may contact the family via telephone, text message, email, or other accessible communication method. The VHA will ensure effective communication with persons with disabilities, including those with vision, hearing, speech, intellectual or other developmental disabilities, or any other communication-related disabilities.

Families may request an extension, either orally or in writing, at any time prior to the expiration of the family's voucher. All requests for extensions will automatically be granted without the requirement for the family to provide documentation. The initial extension period will be for 90 days. If the family requires additional extensions beyond 90 days, the family may request additional extensions, either orally or in writing, at any time prior to the expiration of the extended voucher term. All subsequent extensions will also be for a period of 90 days and will not require the family to meet certain circumstances or provide documentation. Each time the family requests an extension, the PHA will inquire if the family needs assistance with their housing search and will provide a current listing of available accessible units known to the VHA.

PART II: FOSTER YOUTH TO INDEPENDENCE INITIATIVE

18-II.A. PROGRAM OVERVIEW [Notice PIH 2020-28; Notice PIH 2023-04; FR Notice 1/24/22]

The Foster Youth to Independence (FYI) initiative was announced in 2019. The FYI initiative allows PHAs who partner with a Public Child Welfare Agency (PCWA) to request targeted HCVs to serve eligible youth with a history of child welfare involvement that are homeless or at risk of being homeless. Rental assistance and supportive services are provided to qualified youth for a period of between 36 and 60 months. The PHA must have an existing ACC with HUD for HCVs.

Funding is available either competitively though an FYI NOFA or noncompetitively on a rolling basis in accordance with the application requirements outlined in Notice PIH 2020-28, Notice PIH 2021-26, or Notice PIH 2023-04, as applicable. Under the noncompetitive process, PHAs are limited to 25 vouchers in a fiscal year with the ability to request additional vouchers. Where the PHA has a combined FYI and/or FUP size of no more than 10 vouchers, the PHA may request FYI vouchers with at least 50 percent utilization of its FUP and/or FYI vouchers. Where the PHA has a combined FYI and/or FUP size of 11 or more vouchers, the PHA may request FYI vouchers with 90 percent or greater utilization of its FUP and/or FYI vouchers. PHAs may be eligible for an exception to the utilization criteria with the submission to HUD of a narrative that explains why the PHA does not meet the utilization criteria and requires the award of FYI vouchers.

18-II.B. PARTNERING AGENCIES [Notice PIH 2023-04; FYI Updates and Partnering Opportunities Webinar]

Public Child Welfare Agency (PCWA)

The PHA must enter into a partnership agreement with a PCWA in the PHA's jurisdiction in the form of a Memorandum of Understanding (MOU) or letter of intent. The minimum contents of the partnership agreement are outlined in Notice PIH 2023-04. The PCWA is responsible for identifying and referring eligible youth to the PHA and providing or securing a commitment for the provision of supportive services once youth are admitted to the program.

SCHA Policy

The SCHA does not have FYI vouchers. In the case that FYI vouchers are awarded, SCHA will implement a Foster Youth to Independence (FYI) program in partnership with Solano County CWS**.**

The PCWA is responsible for:

- Identifying FYI-eligible youth;
- Developing a system of prioritization based on the level of need of the youth and the appropriateness of intervention;
- Providing a written certification to the PHA that the youth is eligible; and
- The PCWA must provide or secure a commitment for the provision of supportive services that are required to be offered.

Continuum of Care (CoC) and Other Partners

HUD strongly encourages PHAs to add other partners into the partnership agreement with the PCWA such as state, local, philanthropic, faith-based organizations, and the CoC, or a CoC recipient it designates. The CoC plays a role in identifying eligible youth in the community at risk of or experiencing homelessness that are no longer part of the child welfare system. Through the CoC's coordinated entry process, referrals of eligible youth to the PCWA are made based on prioritization of need and appropriateness of the intervention. Further, CoC recipients may provide supportive services using CoC program funds to youth who qualify for CoC program assistance. Youth who are part of the PCWA's active caseload do not have to be added to the CoC's coordinated entry process.

SCHA Policy

SCHA has not been awarded FYI vouchers. In the case that FYI vouchers are awarded to SCHA, In addition to the PCWA, the SCHA will implement the FYI program in partnership with Solano County Welfare Services and any other organization focused on youth transitional services.

18-II.C. YOUTH ELIGIBILITY CRITERIA [Notice PIH 2023-04; FYI Q&As; FYI FAQs]

The PCWA is responsible for certifying that the youth has prior qualifying foster care involvement. As determined by the PCWA, eligible youth:

- Are at least 18 years of age and not more than 24 years of age (have not yet reached their 25th birthday);
  - Youth must be no more than 24 years of age at the time the PCWA certifies them as eligible and at the time of HAP contract execution.
- Have left foster care or will leave foster care within 1200 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act; and
  - Placements can include, but are not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, childcare institutions, and pre-adoptive homes in accordance with 24 CFR 5.576;
- Are homeless or at risk of becoming homeless at age 16 and older.
  - *At risk of being homeless* is fully defined at 24 CFR 576.2.

- This includes a person that is exiting a publicly funded institution, or system of care (such as a healthcare facility, a mental health facility, foster care or other youth facility, or correction program or institution). Therefore, youth being discharged from an institution may be eligible for an FYI voucher [FYI FAQs].

Eligibility is not limited to single persons. For example, pregnant and/or parenting youth are eligible to receive assistance assuming they otherwise meet eligibility requirements. PHAs may not exclude pregnant or parenting youth from service.

18-II.D. SUPPORTIVE SERVICES [Notice PIH 2023-04; FYI Updates and Partnering Opportunities Webinar; FYI Q&As]

Supportive services may be provided by the PHA, PCWA, or a third party. The PCWA must provide or secure a commitment to provide supportive services for participating youth for the period of time defined in the NOFA/O for which the funding was made available. At a minimum, the following supportive services must be offered:

- Basic life skil
- ls information/counseling on money management, use of credit, hou
- sekeeping, proper nutrition/meal preparation, and access to health care (e.g., doctors, medication, and mental and behavioral health services);
- Counseling on compliance with rental lease requirements and with HCV program participant requirements, including assistance/referrals for assistance on security deposits, utility hook-up fees, and utility deposits;
- Providing such assurances to owners of rental property as are reasonable and necessary to assist eligible youth to rent a unit with a voucher;
- Job preparation and attainment counseling (where to look/how to apply, dress, grooming, relationships with supervisory personnel, etc.); and
- Educational and career advancement counseling regarding attainment of general equivalency diploma (GED) or attendance/financing of education at a technical school, trade school, or college, including successful work ethic and attitude models.

SCHA Policy

Additional supportive services will not be offered.

Since participation in supportive services is optional, but strongly encouraged, an FYI participant may decline supportive services.

Administrative fee reserves may be used to cover costs for the supportive services listed above with HUD approval in accordance with Notice PIH 2022-14 and Notice PIH 2022-18.

18-II.E. REFERRALS AND WAITING LIST MANAGEMENT [Notice PIH 2023-04; FYI Updates and Partnering Opportunities Webinar FYI FAQs]

Referrals

The PCWA is responsible for certifying that the youth has prior qualifying foster care involvement. Once the PCWA sends the PHA the referral certifying the youth is program-eligible, the PHA determines HCV eligibility.

The PCWA must have a system for identifying eligible youth within the agency's caseload and reviewing referrals from other partners, as applicable. The PCWA must also have a system for prioritization of referrals to ensure that youth are prioritized for an FYI voucher based upon their level of need and appropriateness of the intervention. For youth still involved in the child welfare system, the permanency goals of the young person should be taken into account. Prioritization must be designed in a way that is consistent with fair housing and civil rights requirements.

Referrals may come from other organizations in the community who work with the population, but the PCWA must certify that the youth meets eligibility requirements, unless the PCWA has vested another organization with this authority.

The PHA is not required to maintain full documentation that demonstrates the youth's eligibility as determined by the PCWA but should keep the referral or certification from the PCWA. The PCWA is not required to provide the PHA with HCV eligibility documents.

PHAs must adopt a referral policy to accept referrals of youth, otherwise eligible for FYI vouchers, that are leaving foster care within 180 days. This replaces the previous 90-day requirement.

SCHA Policy

The SCHA and PCWA have identified staff positions to serve as lead FYI liaisons. These positions will be responsible for transmission and acceptance of referrals. The PCWA must commit sufficient staff and resources to ensure eligible youths are identified, prioritized, and determined eligible in a timely manner.

When vouchers are available, the SCHA liaison responsible for acceptance of referrals will contact the PCWA liaison via email indicating the number of vouchers available and requesting an appropriate
number of referrals. No more than 10 business days from the date the PCWA receives this notification, the PCWA liaison must provide the SCHA with a list of eligible referrals, a completed release form, and a written certification for each referral indicating the referral is eligible. The list will include the nam
e, address, and contact phone number for each adult individual who is being referred.

The SCHA will maintain a copy of each certification from the PCWA in the participant's file along with other eligibility paperwork.

SCHA Policy

SCHA will adopt a referral policy to accept referrals of youth, otherwise eligible for FYI vouchers, that are leaving foster care within 180 days. This replaces the previous 90-day requirement.

Waiting List Placement [Notice PIH 2023-04 and FYI FAQs]

The PHA must use the HCV waiting list for the FYI program. Youth already on the HCV program may not be transferred to an FYI voucher since they are not homeless or at-risk of homelessness.

Once a referral is made, the PHA must compare the list of PCWA referrals to its HCV waiting list to determine if any applicants on the PCWA's referral list are already on the PHA's HCV waiting list. Applicants already on the PHA's HCV waiting list retain the order of their position on the list. Applicants not already on t
he PHA's HCV waiting list must be placed on the HCV waiting list.

If the PHA's HCV waiting list is closed, the PHA must open its HCV waiting list in order to accept new referrals. The PHA may reopen the waiting list to accept an FYI eligible youth without opening the waiting list for other applicants; however, the requirements at 24 CFR 982.206 for giving public notice when opening and closing the waiting list apply (see section 4-II.C., Opening and Closing the Waiting List of this administrative plan).

SCHA Policy

Within 10 business days of receiving the referral from the PCWA, the SCHA will review the HCV waiting list and will send the PCWA a list confirming whether or not referrals are on the waiting list.

Referrals who are already on the list will retain their position and the list will be notated to indicate the applicant is FYI-eligible.

For those referrals not already on the waiting list, the SCHA will work with the PCWA to ensure they receive and successfully complete a pre-application or application, as applicable. Once the pre-application or application has been completed, the SCHA will place the referral on the HCV waiting list with the date and time of the original referral and an indication that the r
eferral is FYI-eligible.

Waiting List Selection

The SCHA selects eligible youths based on the PHA's regular HCV waiting list selection policies in Chapter 4, including any preferences that may apply.

18-II.F. PHA HCV ELIGIBILITY DETERMINATION [FYI FAQs]

Once an eligible youth is selected from the HCV waiting list, the PHA must determine whether the youth meets HCV program eligibility requirements. Applicants must be eligible under both FYI eligibility requirements and HCV eligibility requirements as outlined in Chapter 3 of this policy.

The PCWA may, but is not obligated to, provide information to the PHA on the youth's criminal history.

SCHA Policy

Subject to privacy laws, the PCWA will provide any available information regarding the applicant's criminal history to the SCHA.

The SCHA will consider the information in making its eligibility determination in accordance with the SCHA's policies in Chapter 3, Part III.

Additional Eligibility Factors

Youth must be no more than 24 years old both at the time of PCWA certification and at the time of the HAP execution. If a youth is 24 at the time of PCWA certification but will turn 25 before the HAP contract is executed, the youth is no longer eligible for a FYI voucher.

SCHA Policy

Any applicant that does not meet the eligibility criteria for the HCV program listed in Chapter 3 or any eligibility criteria listed in this section will be notified by the SCHA in writing following policies in Section 3-III.F, including stating the reasons the applicant was found ineligible and providing an opportunity for an informal review.

18-II.G. LEASE UP [FR Notice 1/24/22]

Once the PHA determines that the family or youth meets HCV eligibility requirements, the youth will be issued an FYI voucher in accordance with PHA policies.

During the family briefing, PHAs must inform the FYI voucher holder of:

- The extension of assistance provisions and requirements;
- The availability of the FSS program and offer them an FSS slot, if available, or offer to place them on the FSS waiting list (provided the PHA has an FSS program); and
- The supportive services available to them, the existence of any other programs or services, and their eligibility for such programs and services. However, participation in supportive services cannot be required as a condition of receiving FYI assistance.

SCHA Policy

Eligible applicants will be notified by the SCHA in writing following policies in Section 3-III.F. of this policy. FYI youth will be briefed individually. The SCHA will provide all aspects of the written and oral briefing as outlined in Part I of C
hapter 5.

Vouchers will be issued in accordance with SCHA policies in Chapter 5, Part II, except that the SCHA will consider one additional 30-day extension beyond the first automatic extension for any reason, not just those listed in the policy in Section 5-II.E.

Once the youth locates a unit, the PHA conducts all other processes relating to voucher issuance and administration per HCV program regulations and the PHA policy in Chapter 9.

Should a youth fail to use the voucher, the PHA may issue the voucher to another eligible youth if one has been identified [Notice PIH 2023-04].

When providing education or counseling on renting housing that may include pre-1978 housing, the PHA must inform participating youth of their rights under the Lead Disclosure Rule (24 CFR part 35, subpart A) and the Lead Safe Housing Rule (subparts B, R, and, as applicable, F-M).

Turnover

Awards of FYI Tenant Protection Vouchers (TPVs) continue to be administered under the requirements of Notice PIH 2019-20. This includes turnover requirements and the requirement to inform HUD should a youth not use a voucher or leave the program. For example, FYI TPVs awarded under Notice PIH 2019-20 "sunset" when a youth leaves the program. This means that the PHA cannot reissue FYI TPV assistance issued under that notice to another youth when an initial youth exits the HCV program. HUD does not have the authority to allow the voucher to be used for a youth other than the one identified in the request.

For awards under Notice PIH 2023-04, if another eligible youth is not available, the PHA must notify HUD before the end of the calendar year, and HUD will reduce the PHA's HCV assistance to account for the removal of the FYI assistance from the PHA's HCV baseline.

18-II.H. MAXIMUM ASSISTANCE PERIOD [Notice PIH 2023-04 and FYI FAQs; FR Notice 1/24/22]

Vouchers are limited by statute to a total of between 36 months and 60 months of housing assistance. At the end of the statutory time period, assistance must be terminated. However, any period of time for which no subsidy (HAP) is being paid on behalf of the youth does not count toward the limitation. It is not permissible to reissue another FYI TPV to the same youth upon expiration of their FYI assistance.

Participants do not "age out" of the program. A participant may continue with the program until they have received the period of assistance for which they are eligible. Age limits are only applied for entry into the program.

Extension of Assistance

FYI voucher holders who first leased or lease a unit after December 27, 2020, may be eligible for an extension of assistance up to 24 months beyond the 36-month time limit (for a total of 60 months of assistance).

While FYI voucher holders cannot be required to participate in the Family Self-Sufficiency (FSS) program as a condition of receipt of assistance, an eligible youth who participates in the FSS program and is in compliance with the applicable terms and conditions of the program is entitled to receive assistance for up to an additional 24 months. A FYI voucher holders must

accept an FSS slot if it is offered to them prior to the 36-month mark in order to receive an extension of assistance (unless the youth meets one of the statutory exceptions described below).

Statutory Exceptions

FYI voucher holders will be entitled to receive an extension of assistance for up to 24 months beyond the 36-month time limit w
ithout participating in the PHA's FSS program if they certify that they meet one of the exceptions below:

- The FYI voucher holder is a parent or other household member responsible for the care of a dependent child under the age of six or for the care of an incapacitated person.

  SCHA Policy

  The SCHA will apply this exception in a manner that provides extensions of FYI assistance to the broadest population possible consistent with the statutory requirements.

  The FYI voucher holder will be required to self-certify that they meet this exception on a SCHA-provided form. This certification is the only documentation that the FYI voucher holder must submit.

  The child or incapacitated person is not required to reside in the household in order for the FYI voucher holder to certify they meet this exception. For example, a child in a joint custody arrangement under the age of six who resides in the household only part time may qualify the FYI voucher holder for this exception.

- The FYI voucher holder is a person who is regularly and actively participating in a drug addiction or alcohol treatment and rehabilitation program.

  SCHA Policy

  The SCHA will define *regular and active participation* in a manner that provides extensions of FYI voucher holder assistance to the broadest population possible consistent with the statutory requirements.

  The FYI voucher holder will be required to self-certify that they meet this exception on a SCHA-provided form. This certification is the only documentation that the FYI voucher holder must submit.

- The FYI voucher holder is a person who is incapable of complying with the requirement to participate in a FSS program as described above or engage in education, workforce development, or employment activities as described below, as applicable, due to a documented medical condition.

  SCHA Policy

  The SCHA will apply this requirement in a manner that provides extensions of FYI voucher holder assistance to the broadest population possible consistent with statutory requirements.

The FYI voucher holder will be required to self-certify that they meet this exception on a SCHA-provided form. This certification is the only documentation that the FYI voucher holder must submit.

An FYI voucher holder that meets one of the above exceptions must still be offered an opportunity to enroll in the PHA's FSS program (if it is available to them) and receive any supportive services available to FYI voucher holders. An FYI voucher holder may choose to participate in an FSS program or engage in education, workforce development, or employment activities, even if they meet one of the above statutory exceptions.

Education, Workforce Development, or Employment Activities

If a PHA that carries out an FSS program is unable to offer a FYI voucher holder an FSS slot during their first 36 months of receiving FYI assistance, the FYI voucher holder is considered to have been "unable to enroll" in the program and may have their voucher extended by meeting the education, workforce development, or employment criteria described below:

- The FYI voucher h
- older was engaged in obtaining a recognized postsecondary credential or a secondary school diploma or its recognized equivalent.

  SCHA Policy

  The SCHA will use the definitions of *recognized postsecondary credential* and *secondary school diploma or its recognized equivalent* under the Workforce Innovation and Opportunity Act (WIOA). WIOA defines a *recognized postsecondary credential* as a credential consisting of an industry-recognized certificate or certification, a certificate of completion of an apprenticeship, a license recognized by the state involved or federal government, or an associate or baccalaureate degree (29 U.S.C. 3102). Examples of a recognized postsecondary credential include, but are not limited to, an associate's degree, bachelor's degree, occupational licensure, or occupational certification (see U.S. Department of Labor, Training and Employment Guidance Letter No. 10–16, Change 1). For the purpose of WIOA, the U.S. Department of Labor defines a *secondary school diploma or its recognized equivalent* as a secondary school diploma (or alternate diploma) that is recognized by a state and that is included for accountability purposes under the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA). A secondary school equivalency certification signifies that a student has completed the requirement for a high school education. Examples of a secondary school diploma or its recognized equivalent include, but are not limited to, obtaining certification of attaining passing scores on a state-recognized high school equivalency test, earning a secondary school diploma or state-recognized equivalent, or obtaining certification of passing a state-recognized competency-based assessment.

- The FYI voucher holder was enrolled in an *institution of higher education*, as such term is defined in section 101(a) of the Higher Education Act of 1965 (20 U.S.C. 1001(a)) or an institution that meets the definition of a *proprietary institution of higher education* or a *postsecondary vocational institution* under sections 102(b)(1) and (c)(1) of the Higher Education Act of 1965 (20 U.S.C. 1002(b)(1) and (c)(1)), respectively.

SCHA Policy

The FYI voucher holder must be enrolled in education activities on at least a half-time basis, as defined by the institution which they attend. However, the SCHA may make exceptions to this requirement if the FYI voucher holder is unable to enroll in a sufficient number of classes due to a lack of course offerings by the educational institution where they are enrolled.

- The FYI voucher holder was participating in a career pathway, as such term is defined in Section 3 of the Workforce Innovation and Opportunit
- y Act (29 U.S.C. 3102).
- The FYI voucher holder was employed.

SCHA Policy

The SCHA will consider the FYI voucher holder to be employed if they work a minimum of 20 hours per week. The SCHA may make exceptions to this requirement if the FYI voucher holder's hours are reduced due to circumstances beyond their control or the FYI voucher holder must temporarily reduce their work hours due to a verified family emergency.

FSS Enrollment at 24 Months

If the FYI voucher holder has not been provided an opportunity to enroll in the FSS program during the first 24 months of FYI assistance, HUD encourages the PHA to remind the FYI voucher holder at the 24-month reexamination of the education, workforce development, and employment requirements described above so that they have enough time to meet these requirements prior to the expiration of the 36-month time period for FYI assistance.

SCHA Policy

If the FYI voucher holder has not been provided an opportunity to enroll in the FSS program during the first 24 months of FYI assistance, the SCHA will remind the FYI voucher holder at their second regular reexamination of the education, workforce development, and employment requirements described above.

FSS Enrollment Between 36 and 48 Months

If an FSS slot becomes available between the 36-month and 48-month mark:

- The PHA must offer the slot to an FYI voucher holder who had their voucher extended based on meeting the education, workforce development, or employment requ
- irement listed above, or one of the statutory exceptions listed above (even if the FYI voucher holder previously declined an FSS slot because they met one of the statutory exceptions).
- The PHA must work with the FYI voucher holder to determine whether enrollment in FSS is feasible and in their best interest given any education, workforce development, or

employment activities that the FYI voucher holder is engaged in and any statutory exceptions that apply to the FYI voucher holder, as well as the remaining

- time on their voucher.
- If the FYI voucher holder accepts the FSS slot, the PHA must work with them to establish Contract of Participation goals and an Individual Training and Services Plan (ITSP) that can be accomplished within the time period left on the voucher.

If the FYI voucher holder is offered an FSS slot prior to the 36-month mark, the FYI voucher holder:

- Will be required to enroll in the FSS program in order to receive an extension of assistance at the end of the 36-month time period (unless they meet one of the statutory exceptions described above).
- Will not be considered to have been "unable to enroll" in the FSS program, and as a result, will not be eligible to receive an extension of assistance based on meeting the education, workforce development, or employment requirements described above.

FSS Enrollment After 48 Months

The PHA may, but is not required, to offer an FYI voucher holder an FSS slot that becomes available between the 48-month mark and the 60-month mark, since the FYI voucher holder will have already received their second and final extension.

SCHA Policy

If an FSS slot becomes available between the 48 and 60-month marks, the SCHA will not offer the FSS slot to an FYI voucher holder.

Extensions of Assistance

At the 36-month and 48-month reexamination, the PHA must extend FYI assistance if the FYI voucher holder is participating in and in compliance with the FSS program as long as the FYI voucher holder is still eligible for the HCV program.

In any case, the FYI voucher holder cannot receive more than a total of 60 months of FYI assistance even if the FSS Contract of Participation time period extends beyond the voucher 60-month mark.

No FSS Program or Unable to Enroll in FSS

If a PHA does not carry out an FSS program or the FYI voucher holder has been unable to enroll in the program during the first 36 months of receiving FYI assistance, the FYI voucher holder is entitled to receive an extension of assistance for up to two successive 12-month periods beyond the 36-month time limit provided that the FYI voucher holder engaged in at least one of the education, workforce development, or employment activities described above for not less than nine months of the 12-month period preceding each extension. In order to meet the nine months out of the preceding 12 months requirement, the FYI voucher holder may have engaged in one of the education, workforce development, or employment activities described above or a combination of these activities.

Verification Prior to Annual Reexam

In order to provide an extension of assistance, the PHA must verify compliance with the above requirements at the end of the 36-month time period and the 48-month time periods. The PHA does not need to verify compliance with these requirements at the end of the 60-month time period since the maximum length of assistance is 60 months.

To verify compliance with the education, workforce development, or employment requirement or one of the statutory exceptions, the PHA must provide the FYI voucher holder written notification informing them that they may receive an extension of their FYI assistance and providing instructions on how the FYI voucher holder may demonstrate that they meet one of these conditions. This notification must be provided sufficiently in advance of the end of the 36-month or 48-month time periods, as applicable, to allow the FYI voucher holder to demonstrate that they meet the education, workforce development, or employment requirement, or one of the statutory exceptions, and for the PHA to conduct an annual reexamination prior to the expiration of the FYI assistance.

SCHA Policy

The SCHA will verify compliance with the education, workforce development, or employment requirement, or one of the statutory exceptions, at the end of the 36-month and 48-month time periods prior to the FYI voucher holder's scheduled annual reexamination. The SCHA will not verify compliance at the end of the 60-month time period.

The SCHA will provide each FYI voucher holder on the SCHA's program with a written notification informing them that they may receive an extension of their FYI assistance if they meet conditions outlined in this chapter and providing them with instructions on how they may demonstrate compliance at least 60 days prior to their scheduled annual reexamination date. When necessary, the SCHA will provide this notification in a format accessible to FYI voucher holders with disabilities and in a translated format for FYI voucher holders with limited English proficiency in accordance with Chapter 2.

The SCHA will use the following verification methods to verify an FYI voucher holder's eligibility for voucher extensions:

To verify compliance with the FSS requirement, the SCHA will examine its records to confirm, or obtain confirmation from the SCHA's FSS program staff, that the FYI participant is in compliance with FSS program requirements and has not been terminated from the FSS program.

To meet the education, workforce development, or employment requirement, the SCHA will verify that the FYI voucher holder was engaged in at least one education, workforce development, or employment activity for at least nine months of the 12-month period immediately preceding the end of the 36-month or 48-month time period, as applicable.

Due to the timing of when the SCHA verifies compliance and conducts the annual reexamination, the FYI voucher holder may have not yet met the nine-month requirement but may be able to demonstrate that they will meet the nine-month requirement as of the end of the 36-month or 48-

month time period. In such cases, the FYI voucher holder will still be considered to have met the requirements.

In order for the FYI voucher holder to meet one of the statutory exceptions described above, the FYI voucher holder must submit a certification to the PHA that they meet one of these exceptions. This certification is the only documentation that the FYI voucher holder must submit in order to demonstrate that they meet one of the statutory exceptions.

An FYI voucher holder who received an extension of voucher assistance at the end of the 36-month time period based on meeting one of the conditions described in this chapter does not have to meet the same conditions when they reach the end of the 48-month time period. The FYI voucher holder may demonstrate that they meet a different condition in order to receive an extension of their assistance.

If the PHA determines that the FYI voucher holder meets one of the statutory conditions, the PHA would then conduct an annual reexamination. If the annual reexamination determines that the FYI voucher holder is still eligible for the HCV program, the PHA must provide the FYI voucher holder the extension of voucher assistance.

Termination of Assistance for Failure to Meet Conditions

Failure of the FYI voucher holder to meet one of the above conditions will only impact their ability to receive subsequent extensions of assistance. It will not serve as a basis for terminating the FYI assistance prior to the annual reexam.

If the FYI voucher holder does not meet any of the statutory conditions described in in this chapter, the youth is subject to the statutory time limit of 36 months or the time limit of any extension that the youth has already received, and the FYI voucher must be terminated once they reach this time limit. The calculation of the time limit begins from the date the first HAP contract is signed (for tenant-based vouchers) or from the date the FYI voucher holder entered into the initial lease agreement (for project-based vouchers). The number of months is calculated based on the number of months that HAP subsidy is being paid on behalf of the FYI voucher holder, not the number of months that they are in the FYI program. Prior to termination, the PHA must offer the FYI voucher holder the opportunity to request an informal hearing, in accordance with Chapter 16.

18-II.I. TERMINATION OF ASSISTANCE [FYI FAQs]

Termination of a FYI voucher is handled in the same way as with any HCV; therefore, termination of a FYI voucher must be consistent with HCV regulations at 24 CFR Part 982, Subpart L and PHA policies in Chapter 12. Given the statutory time limit that requires FYI vouchers to sunset, a PHA must terminate the youth's assistance once the limit on assistance has expired.

A PHA cannot terminate a FYI youth's assistance for noncompliance with PCWA case management, nor may the PHA terminate assistance for a FYI youth for not accepting services from the PCWA.

The PHA may not transfer the assistance of FYI voucher holders to regular HCV assistance upon the expiration of the limit on assistance. However, the PHA may issue a regular HCV to FYI

voucher holders if they were selected from the waiting list in accordance with PHA policies. The PHA may also adopt a waiting list preference for FYI voucher holders who are being terminated for this reason.

SCHA Policy

The SCHA will not provide a selection preference on the SCHA's HCV waiting list for FYI voucher holders who are terminated due to the time limit on assistance.

18-II.J. PORTABILITY [FYI FAQs]

Portability for an FYI youth is handled in the same way as for a regular HCV family. A PHA may not restrict or deny portability for an FYI youth for reasons other than those specified in the HCV program regulations, as reflected in Chapter 10 of the administrative plan.

An FYI youth does not have to port to a jurisdiction that administers FYI vouchers.

If the receiving PHA absorbs the voucher, the PHA may absorb the youth into its regular HCV program if it has vouchers available to do so. If the receiving PHA absorbs the youth into its regular HCV program, that youth becomes a regular HCV participant with none of the limitations of an FYI voucher.

The initial and receiving PHA must work together to initiate termination of assistance upon expiration of the time limit on assistance.

18-II.K. PROJECT-BASING FYI VOUCHERS [FYI FAQs; FR Notice 1/24/22; Notice PIH 2024-03]

PHAs that have initiated the selection process to project-base FYI and/or FUP vouchers may be eligible to project-base FYI and FUP units formally identified for project basing in accordance with all applicable PBV regulations and PHA policies in Chapter 17. This includes FYI vouchers awarded under Notices PIH 2020-28, PIH 2021-26, and PIH 2023-04. Assistance awarded under Notice PIH 2019-20 is prohibited from being project-based.

SCHA Policy

The SCHA will not project-base FYI vouchers. All FYI vouchers will be used to provide tenant-based assistance.

18-II.L. PREFERENCES [Notice PIH 2025-08]

A PHA may not apply any residency preference to FYI voucher applicants. PHAs may establish separate preferences for FUP and FYI vouchers.

SCHAHA Policy

SCHA will not establish separate preferences for FYI voucher applicants.

18-II.M. WAITLIST [Notice PIH 2025-08]

A PHA may establish a waitlist separate from the HCV waitlist for FYI vouchers.

SCHA Policy

SCHA will not establish separate waiting lists for FYI vouchers.

18-II.N. VOUCHER ISSUANCE

Initial Search Term [Notice PIH 2025-08]

For FYI vouchers, HUD waived 24 CFR 982.303(a), which requires an initial search term of at least 60 days, and established an alternative requirement that the initial search term for a FYI voucher be at least 120 days. The initial 120-day term also applies when a family chooses to move to a new unit with continued assistance inside or outside the PHA's jurisdiction.

VHA Policy

The initial voucher term for all FYI vouchers, including those issued when a family wishes to exercise portability, will be 120 days.

Voucher Extension [Notice PIH 2025-08]

The PHA's administrative plan must describe the PHA's policies for granting extensions to the initial 120-day voucher term and provide clear instructions to families on the procedures for requesting an extension. If a family requires additional time, the PHA is required to provide an extension as a reasonable accommodation.

PHAs must adopt an extension policy for FYI vouchers that includes the following:

- Each extension must be for a minimum of 90 days;
- The PHA must approve the first extension request, regardless of how the request is made (written or verbal) or when it is made, as long as the request is made on or before the expiration date of the voucher and is consistent with applicable requirements (subsequent requests should be processed in accordance with the PHA's administrative plan); and
- The PHA must, on at least one occasion after voucher issuance, notify the family prior to the expiration of the initial term to remind them of the expiration date, the process for requesting an extension, and to inquire if the family is in need of assistance with their housing search.

As part of its search extension policy, the PHA may not restrict a first extension approval to certain circumstances or require documentation from applicants. For all extension requests, a written or verbal request is sufficient. In providing notice to families of the expiration date and extension request process, PHAs must ensure effective communication with persons with disabilities, including those with vision, hearing, speech, intellectual or other developmental disabilities, or any other communication-related disabilities. PHAs must approve all extensions made as a reasonable accommodation, and PHAs must provide this information during the family briefing.

SCHA Policy

At least 30 days prior to the expiration of the initial term of the voucher, the VHA will contact the family to remind them of the expiration date of their voucher, the process for requesting an extension, and to inquire if the family needs assistance with their housing search. Depending on the family's preferred method of communication, the PHA may contact the family via telephone, text message, email, or other accessible communication method. The VHA will ensure effective communication with persons with disabilities, including those with vision, hearing, speech, intellectual or other developmental disabilities, or any other communication-related disabilities.

Families may request an extension, either orally or in writing, at any time prior to the expiration of the family's voucher. All requests for extensions will automatically be granted without the requirement for the family to provide documentation. The initial extension period will be for 90 days. If the family requires additional extensions beyond 90 days, the family may request additional extensions, either orally or in writing, at any time prior to the expiration of the extended voucher term. All subsequent extensions will also be for a period of 90 days and will not require the family to meet certain circumstances or provide documentation. Each time the family requests an extension, the PHA will inquire if the family needs assistance with their housing search and will provide a current listing of available accessible units known to the VHA.

PART III: VETERANS AFFAIRS SUPPORTIVE HOUSING (VASH) PROGRAM

18-III.A. PROGRAM OVERVIEW

Since 2008, HCV program funding has provided rental assistance under a supportive housing program for homeless veterans. The Veterans Affairs Supportive Housing (VASH) program combines HCV rental assistance with case management and clinical services provided by the Department of Veterans Affairs (VA) at VA medical centers (VAMCs) and Community-Based Outpatient Clinics (CBOCs), or through a designated service provider (DSP) as approved by the VA Secretary. Eligible families are homeless veterans and their families that agree to participate in VA case management and are referred to the VAMC's partner PHA for HCV assistance. The VAMC or DSP's responsibilities include:

- Screening homeless veterans to determine whether they meet VASH program participation criteria;
- Referring homeless veterans to the PHA;
  - The term *homeless veteran* means a veteran who is homeless (as that term is defined in subsection (a) or (b) of Section 103 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302)). See 38 U.S.C. 2002.
- Providing appropriate treatment and supportive services to potential VASH participants, if needed, prior to PHA issuance of a voucher;
- Providing housing search assistance to VASH participants;
- Identifying the social service and medical needs of VASH participants, and providing or ensuring the provision of regular ongoing case management, outpatient health services, hospitalization, and other supportive services as needed throughout the veterans' participation period; and
- Maintaining records and providing information for evaluation purposes, as required by HUD and the VA.

VASH vouchers are awarded noncompetitively based on geographic need and PHA administrative performance. Eligible PHAs must be located within the jurisdiction of a VAMC and in an area of high need based on data compiled by HUD and the VA. When Congress funds a new allocation of VASH vouchers, HUD invites eligible PHAs to apply for a specified number of vouchers.

Generally, the HUD-VASH program is administered in accordance with regular HCV program requirements. However, HUD is authorized to waive or specify alternative requirements to allow PHAs to effectively deliver and administer VASH assistance. Alternative requirements are established in the HUD-VASH Operating Requirements, which were originally published in the Federal Register on May 6, 2008, and updated September 27, 2021, and then again in 2024. Unless expressly waived by HUD, all regulatory requirements and HUD directives regarding the HCV program requirements are applicable to VASH vouchers, including the use of all HUD-required contracts and other forms, and all civil rights and fair housing requirements. In addition, the PHA may request additional statutory or regulatory waivers that it determines are necessary for the effective delivery and administration of the program.

The VASH program is administered in accordance with applicable Fair Housing requirements since civil rights requirements cannot be waived under the program. These include applicable authorities under 24 CFR 5.105(a) and 24 CFR 982.53 including, but not limited to, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act, and the Age Discrimination Act and all PHA policies as outlined in Chapter 2 of this document.

When HUD-VASH recipients include veterans with disabilities or family members with disabilities, reasonable accommodation requirements in Part II of Chapter 2 of this policy apply.

18-III.B. REFERRALS [FR Notice 8/13/24 and HUD-VASH Qs and As]

VAMC case managers will screen all families in accordance with VA screening criteria and refer eligible families to the PHA for determination of program eligibility and voucher issuance. The PHA has no role in determining or verifying the veteran's eligibility under VA screening criteria, including determining the veteran's homelessness status. The PHA must accept referrals from the partnering VAMC and must maintain written documentation of referrals in VASH tenant files. Upon turnover, VASH vouchers must be issued to eligible veteran families as identified by the VAMC.

SCHA Policy

In order to expedite the screening process, the SCHA will provide all forms and a list of documents required for the VASH application to the VAMC. Case managers will work with veterans to fill out the forms and compile all documents prior to meeting with the SCHA and submitting an application. When feasible, the VAMC case manager should email copies of all documents to the SCHA prior to the meeting in order to allow the SCHA time to review them and start a file for the veteran.

After the VAMC has given the SCHA a complete referral, the SCHA will perform an eligibility screening within five business days of receipt of a VAMC referral.

18-III.C. HCV PROGRAM ELIGIBILITY [FR Notice 8/13/24]

Eligible participants are homeless veterans and their families who agree to participate in case management from the VAMC.

- A *VASH Veteran* or *veteran family* refers to either a single veteran or a veteran with a household composed of two or more related persons. It also includes one or more eligible persons living with the veteran who are determined to be important to the veteran's care or well-being.
- A veteran for the purpose of VASH is a person whose length of service meets statutory requirements, and who served in the active military, naval, or air service, was discharged or released under conditions other than dishonorable, and is eligible for VA health care.

Under VASH, PHAs do not have authority to determine family eligibility in accordance with HCV program rules and PHA policies. The only reasons for denial of assistance by the PHA are failure to meet the income eligibility requirements and/or that a family member is subject to a lifetime registration requirement under a state sex offender registration program. Under portability, the receiving PHA must also comply with these VASH screening requirements.

Social Security Numbers

When verifying Social Security numbers (SSNs) for homeless veterans and their family members, PHAs must use available flexibilities in accordance with 24 CFR 5.216(g)(1)(iii) to accept self-certification of SSNs and at least one third-party document, such as a bank statement, utility or cell phone bill, or benefit letter that contains the name of the individual in the absence of other documentation.

In the case of the homeless veteran, the PHA must accept the Certificate of Release or Discharge from Active Duty (DD-214) or the VA-verified Application for Health Benefits (10-10EZ) as verification of SSN if these forms are available and cannot require the veteran to provide a Social Security card. A VA-issued identification card may also be used to verify the SSN of a homeless veteran.

Proof of Age

The DD-214 or 10-10EZ must be accepted as proof of age in lieu of birth certificates or other PHA-required documentation as outlined in Section 7-II.C. of this policy. A VA-issued identification card may also be used to verify the age of a homeless veteran.

Photo Identification

A VA-issued identification card must be accepted in lieu of another type of government-issued photo identification. These cards also serve as verification of SSNs and date of birth.

Income Eligibility [FR Notice 8/13/24]

With some exceptions, the PHA must determine income eligibility for VASH families in accordance with 24 CFR 982.201 and policies in Section 3-II.A. Low-income families (80 percent of AMI) are eligible for assistance under VASH, and PHAs may not condition eligibility based on additional eligibility criteria specified in its administrative plan. If the family is over-income based on the most recently published income limits for the family size, the family will be ineligible forassistance.

The following alternative requirements related to income apply to VASH families:

- The PHA must determine the applicant's annual income for purposes of income eligibility by excluding all VA service-connected benefits received by the applicant. This special income

exclusion only applies to the definition of *annual income* for purposes of determining income eligibility. If the HUD-VASH applicant qualifies as a low-income family under the alternative requirement, the VA service-connected benefits (with the exception of the normally excluded deferred VA disability payments under 24 CFR 5.609(b)(16) and the payments related to aid and attendance under 24 CFR 5.609(b)(17)) must still be included as annual income when calculating the family's adjusted income. In other words, the VA service-connected disability benefits are excluded for purposes of determining income eligibility but included for purposes of calculating the family's total tenant payment (TTP), housing assistance payment (HAP), and family share.

- When a veteran family reports that they have zero income, the PHA must accept a self-certification of zero income from the family at admission and at reexamination without taking any additional steps to verify the family is indeed zero income. The self-certification does not need to be notarized. The PHA must verify families' income in the Enterprise Income Verification (EIV) system within 120 days after admission. The PHA may not deny zero income families.
- Regardless of PHA policy, in determining compliance with the asset limitation at admission, for the VASH program, the PHA must accept a self-certification by the family that the family's total assets are equal to or less than the HUD-published asset limitation amount (adjusted annually) and that the family does not have any present ownership interest in real property, without taking additional steps to verify the accuracy of the declaration.
- The PHA must not enforce the asset limitation for VASH families at reexamination.
- In addition, because there needs to be a monthly housing assistance payment (HAP) in order to enter into a HAP contract on behalf of a tenant-based voucher family, the utilization of tenant-based VASH assistance by families determined income-eligible is limited to those areas where the family's (TTP) is less than the applicable payment standard or exception payment standard (including any VASH-specific exception payment standard established by the PHA). The family must select a unit with a gross rent that is above the family's TTP in order to lease a unit with the tenant-based VASH voucher.

While income-targeting does not apply to VASH vouchers, the PHA may include the admission of extremely low-income VASH families in its income targeting numbers for the fiscal year in which these families are admitted.

SCHA Policy

While income-targeting requirements will not be considered by the SCHA when families are referred by the partnering VAMC, the SCHA will include any extremely low-income VASH families that are admitted in its income targeting numbers for the fiscal year in which these families are admitted.

Minimum Rent [FR Notice 8/13/24]

PHAs must consider hardship circumstances before charging a minimum rent in accordance with 24 CFR 5.630(b). The PHA may choose to charge a lower minimum rent (including a minimum rent of $0) specifically for their VASH program regardless of the minimum rent policies established in their administrative plan for other HCV families.

SCHA Policy

The SCHA will establish a minimum rent of $0 for VASH families.

Screening [FR Notice 8/13/24]

The PHA may not screen any potentially eligible family members or deny assistance for any grounds permitted under 24 CFR 982.552 and 982.553 with one exception: the PHAs is still required to prohibit admission if any member of the household is subject to a lifetime registration requirement under a state sex offender registration program. Accordingly, with the exception of denial for registration as a lifetime sex offender under state law and PHA policies on how sex offender screenings will be conducted, PHA policy in Sections 3-III.B. through 3-III.E. do not apply to VASH. The prohibition against screening families for anything other than lifetime sex offender status applies to all family members, not just the veteran.

If a family member is subject to lifetime registration under a state sex offender registration program, the remaining family members may be served if the family agrees to remove the sex offender from its family composition. This is true unless the family member subject to lifetime registration under a state sex offender registration program is the homeless veteran, in which case the family would be denied admission to the program [CFR Notice 8/13/24].

Denial of Assistance [Notice PIH 2008-37]

Once a veteran is referred by the VAMC, the PHA must either issue a voucher or deny assistance. If the PHA denies assistance, it must provide the family with prompt notice of the decision and a brief statement of the reason for denial in accordance with Section 3-III.F. Like in the standard HCV program, the family must be provided with the opportunity for an informal review in accordance with policies in Section 3-III.F. In addition, a copy of the denial notice must be sent to the VAMC case manager.

18-III.D. CHANGES IN FAMILY COMPOSITION

Adding Family Members [FR Notice 8/13/24]

When adding a family member after the family has been admitted to the program, PHA policies in Section 3-II.B. apply. Other than the birth, adoption, or court-awarded custody of a child, the PHA must approve additional family members and will apply its regular screening criteria in doing so.

Remaining Family Members [HUD-VASH Qs and As]

If the homeless veteran dies while the family is being assisted, the voucher would remain with the remaining members of the tenant family. The PHA may use one of its own regular vouchers, if available, to continue assisting this family and free up a VASH voucher for another VASH-eligible family. If a regular voucher is not available, the family would continue utilizing the VASH voucher. Once the VASH voucher turns over, however, it must go to a homeless veteran family.

Family Break Up [HUD-VASH Qs and As]

In the case of divorce or separation, since the set-aside of VASH vouchers is for veterans, the voucher must remain with the veteran. This overrides the PHA's policies in Section 3-I.C. on how to determine who remains in the program if a family breaks up.

18-III.E. LEASING [FR Notice 8/13/24]

Waiting List

The PHA does not have the authority to maintain a waiting list or apply local preferences for HUD–VASH vouchers. Policies in Chapter 4 relating to applicant selection from the waiting list, local preferences, special admissions, cross-listing, and opening and closing the waiting list do not apply to VASH vouchers.

Exception Payment Standards [FR Notice 8/13/24]

To assist VASH participants in finding affordable housing, especially in competitive markets, HUD allows PHAs to establish a HUD-VASH exception payment standard. PHAs may go up to but no higher than 120 percent of the published metropolitan area-wide fair market rent (FMR) or small area fair market rent (SAFMR) specifically for VASH families. PHAs who want to establish a VASH exception payment standard over 120 percent are allowed but must still request a waiver from HUD through the regular waiver process outlined in Notice PIH 2018-16, or any successor notices.

Exception payment standards implemented by the PHA under this section also apply in determining rents under 24 CFR 983.301(b) for PBV projects only when the project is comprised solely of units exclusively made available to VASH families.

The PHA may also establish an exception payment standard up to 140 percent of the published FMR or SAFMR only to be applied if required as a reasonable accommodation for a family that includes a person with a disability. Any unit approved under an exception payment standard must still meet reasonable rent requirements. The PHA may use a payment standard that is greater than 140 percent of FMR as a reasonable accommodation for a person with a disability, but only with HUD approval.

Voucher Issuance [FR Notice 8/13/24]

Unlike the standard HCV program which requires an initial voucher term of at least 60 days, VASH vouchers must have a search term of at least 120 days. This applies both to the initial search term and moves. PHA policies on extensions as outlined in Section 5-II.E. will apply.

SCHA Policy

All VASH vouchers will have an initial term of 120 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 120-day period unless the SCHA grants an extension.

The SCHA must track issuance of HCVs for families referred by the VAMC or DSP in HUD systems as required in FR Notice 8/13/24.

Special Housing Types [FR Notice 8/13/24]

The PHA must permit VASH clients to use the following special housing types for tenant-based VASH assistance, regardless of whether these types are permitted in their administrative plan for other families:

- Single room occupancy (SRO);

- Congregate housing;
- Group home;
- Shared housing; and
- Cooperative housing.

Initial Lease Term [FR Notice 8/13/24]

Unlike in the standard the HCV program, VASH voucher holders may enter into an initial lease that is for less than 12 months. Accordingly, PHA policy in Section 9-I.E., Term of Assisted Tenancy, does not apply.

Ineligible Housing [FR Notice 8/13/24]

Unlike in the standard HCV program, VASH families are permitted to live on the grounds of a VA facility in units developed to house homeless veterans. This applies to both tenant-based assistance and PBV. Therefore, 24 CFR 982.352(a)(5) and 983.53(a)(2), which prohibit units on the physical grounds of a medical, mental, or similar public or private institution, do not apply to VASH for this purpose only. Accordingly, PHA policy in 9-I.D., Ineligible Units, does not apply for this purpose only.

Pre-Inspections [FR Notice 8/13/24]

To expedite the leasing process, PHAs may pre-inspect available units that veterans may be interested in leasing in order to maintain a pool of eligible units. If a VASH family selects a unit that passed inspection (without intervening occupancy) within 90 days of the date of the Request for Tenancy Approval (Form HUD-52517), the unit may be approved if it meets all other conditions under 24 CFR 982.305. However, the veteran must be free to select their unit and cannot be steered to these units. All regulatory requirements pertaining to housing quality standards found at 24 CFR 5.703 apply to HUD-VASH.

SCHA Policy

To expedite the leasing process, the SCHA may pre-inspect available units that veterans may be interested in leasing to maintain a pool of eligible units. If a VASH family selects a unit that passed a pre-inspection (without intervening occupancy) within 45 days of the date of the RTA, the unit may be approved provided that it meets all other conditions under 24 CFR 982.305. The veteran will be free to select their unit.

When a pre-inspected unit is not selected, the SCHA will make every effort to fast-track the inspection process, including adjusting the normal inspection schedule for both initial and any required reinspections.

18-III.F. PORTABILITY [Notice PIH 2011-53 and FR Notice 8/13/24]

General Requirements

Portability policies under VASH depend on whether the family wants to move within or outside of the initial VA facility's catchment area (the area in which the VAMC or DSP operates). In all cases, the initial VA facility must be consulted prior to the move and provide written confirmation that case management will continue to be provided in the family's new location.

VASH participant families may only reside in jurisdictions that are accessible to case management services, as determined by case managers at the partnering VAMC or DSP.

Under VASH, applicant families may move under portability even if the family did not have legal residency in the jurisdiction of the initial PHA when they applied. As a result, PHA policies in Section 10-II.B. about nonresident applicants do not apply. A family that moves under the portability procedures must not be subject to rescreening by the receiving PHA.

If the family no longer requires case management, there are no portability restrictions. Normal portability rules apply.

Portability within the Initial VAMC or DSP's Catchment Area

A VASH family can move within the VAMC's catchment area as long as case management can still be provided, as determined by the VA. If the initial PHA's partnering VAMC will still provide the case management services, the receiving PHA must process the move in accordance with portability procedures:

- If the receiving PHA has been awarded VASH vouchers, it can choose t
- o either bill the initial PHA or absorb the family if it has a VASH voucher available to do so.
  - If the PHA absorbs the family, the VAMC or DSP providing the initial case management must agree to the absorption and the transfer of case management.
- If the receiving PHA does not administer a VASH program, it must always bill the initial PHA.

Portability Outside of the Initial VAMC or DSP's Catchment Area

If a family wants to move to another jurisdiction where it will not be possible for the initial PHA's partnering VAMC or DSP to provide case management services, the initial VAMC or DSP must first determine that the VASH family could be served by another VAMC or DSP that is participating in the VASH program, and the receiving PHA has an available VASH voucher.

In these cases, the family must be absorbed by the receiving PHA either as a new admission or as a portability move-in, as applicable. Upon absorption, the initial PHA's VASH voucher will be available to lease to a new VASH-eligible family, and the absorbed family will count toward the number of VASH slots awarded to the receiving PHA.

Portability Outside of the Initial VAMC or DSP's Catchment Area under VAWA

Veterans who request to port beyond the catchment area of the VAMC or DSP where they are receiving case management to protect the health or safety of a person who is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, and who reasonably believes they are threatened with imminent harm from further violence by remaining in the unit may port prior to receiving approval from the receiving VAMC or DSP. The initial PHA must follow its emergency transfer plan (see Exhibit 16-3). PHAs may require verbal self-certification or a written request from a participant seeking a move beyond the catchment area of the VAMC or DSP.

The verbal self-certification or written request must include either a statement expressing why the participant reasonably believes that there is a threat of imminent harm from further violence if they were to remain in the same unit or a statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-day period preceding the participants request for the move.

The participant must still port to a PHA that has a VASH program. If the receiving PHA does not have a VASH voucher available to lease, they may bill the initial PHA until a VASH voucher is available, at which point the porting veteran must be absorbed into the receiving PHA's program.

18-III.G. TERMINATION OF ASSISTANCE [FR Notice 8/13/24]

Prior to terminating VASH participants, HUD strongly encourages PHAs to exercise their discretion under 24 CFR 982.552(c)(2) as outlined in Section 12-II.D. of this policy and consider all relevant circumstances of the specific case. This includes granting reasonable accommodations for persons with disabilities, as well as considering the role of the case manager and the impact that ongoing case management services can have on mitigating the conditions that led to the potential termination.

VASH participant families may not be terminated after admission for a circumstance or activities that occurred prior to admission and were known to the PHA but could not be considered at the time of admission due to VASH program requirements. The PHA may terminate the family's assistance only for program violations that occur after the family's admission to the program.

There are two alternative requirements for termination of assistance for VASH participants.

Cessation of Case Management

As a condition of receiving HCV rental assistance, a HUD-VASH-eligible family must receive case management services from the VAMC or DSP. A VASH participant family's assistance must be terminated for failure to participate, without good cause, in case management as verified by the VAMC or DSP. However, the PHA may offer the family continued assistance through one of its regular vouchers or a PBV unit not exclusively made available for HUD-VASH.

However, a VAMC or DSP determination that the participant family no longer requires case management is not grounds for termination of voucher or PBV assistance. In such a case, at its option, the PHA may offer the family continued assistance through one of its regular vouchers. The decision to transfer assistance to a regular voucher must consider veteran preference and must be communicated to the VA prior to occurring. If the PHA has no voucher to offer, the family will retain its VASH voucher, or PBV unit, until such time as the PHA has an available voucher (or PBV unit not exclusively made available for VASH) for the family. If the PHA has no voucher to offer, the family will retain its VASH voucher or PBV unit until such time as the PHA has an available voucher for the family.

Serious Violation of the Lease

The regulation at 24 CFR 982.552(b)(2) states that the PHA must terminate program assistance for a family evicted from housing assisted under the program for serious violation of the lease. HUD waived this provision, and establishing the alternative requirement that the PHA may terminate program assistance in this case. Prior to terminating VASH participants for this reason, HUD strongly encourages PHAs to exercise their discretion under 24 CFR 982.552(c)(2) and

consider all relevant circumstances of the specific case, as well as including the role of the case manager and the impact that ongoing case management services can have on mitigating the conditions that led to the potential termination, prior to determining whether to terminate assistance.

VAWA [FR Notice 8/13/24]

When a veteran's family member is receiving protection under VAWA because the veteran is the perpetrator of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the victim must continue to be assisted. Upon termination of the perpetrator's VASH assistance, the victim must be given a regular HCV if one is available, and the perpetrator's VASH voucher must be used to serve another eligible veteran family. If a regular HCV is not available, the perpetrator must be terminated from assistance and the victim will continue to use the VASH voucher.

18-III.H. PROJECT-BASING VASH VOUCHERS

General Requirements [Notice PIH 2017-21 and FR Notice 8/13/24]

PHAs are authorized to project-base their tenant-based VASH vouchers without additional HUD review or approval in accordance with Notice PIH 2017-21 and all PBV program requirements provided that the VAMC will continue to make supportive services available. In addition, since 2010, HUD has awarded VASH vouchers specifically for project-based assistance in the form of PBV HUD-VASH set-aside vouchers. While these vouchers are excluded from the PBV program cap as long as they remain under PBV HAP contract at the designated project, all other VASH vouchers are subject to the PBV program percentage limitation discussed in Section 17-I.A. Note that VASH supportive services only need to be provided to VASH families receiving PBV assistance in the project, not all families receiving PBV assistance in the project. If a VASH family does not require or no longer requires case management, the unit continues to count as an excepted PBV unit as long as the family resides in the unit. In the description of units in Exhibit A of the HAP contract, PHAs must indicate the number of units that will be exclusively made available to VASH families. The PHA must refer only VASH families to PBV units exclusively made available to VASH families and to PBV units funded through a VASH PBV set-aside award.

If the PHA project-bases VASH vouchers, the PHA must consult with the partnering VAMC or DSP to ensure approval of the project or projects. PHAs may project-base VASH vouchers in projects alongside other PBV units and may execute a single HAP contract covering both the VASH PBVs and the other PBVs. The PHA must refer only VASH families to PBV units exclusively made available to VASH families and to PBV units funded through a HUD set-aside award.

If a VASH family is referred to the PHA and there is an available PBV unit that is not exclusively made available to VASH families, the PHA may offer to refer the family to the owner if allowable under the selection policy for that project, and the owner and PHA may amend the HAP contract to designate the PBV unit as a VASH PBV unit.

The PHA and owner may agree to amend a PBV HAP contract to redesignate a regular PBV unit as a unit specifically designated for VASH families so long as the PHA first consults with the VAMC or DSP. Additionally, the PHA and owner may agree to amend a PBV HAP contract to

redesignate a unit specifically designated for VASH families as a regular PBV unit, so long as the unit is not funded through a VASH PBV set-aside award and is eligible for regular PBV (i.e., the unit is not on the grounds of a medical facility and the unit is eligible under the PHA's program and project caps). Policies for VASH PBV units will generally follow PHA policies for the standard PBV program as listed in Chapter 17, with the exception of the policies listed below.

Ineligible Units

Unlike in the regular PBV program, the PHA may opt to select an occupied unit or admit a family to a unit if such unit is made exclusively available to VASH families if the PBV project is either on the grounds of a VA facility or there are VASH supportive services provided on-site at the project.

Termination of Assistance

A VASH family's PBV assistance must be terminated for failure to participate in case management when required by the VA. However, the PHA may allow the veteran family to receive a regular (non-VASH) tenant-based voucher or PBV unit instead of the family's assistance being terminated. In this case, the PHA may:

- Substitute the family's unit on the PBV HAP contract for another unit (the PHA may, in conjunction with such substitution, add the original unit to the PBV HAP contract with a non-VASH voucher if it is possible to do so;
- Remove the unit from the PBV HAP contract so the family may remain with tenant-based assistance, if the family and the owner agree to use the tenant-based voucher in the unit; or
- Change the unit's status in the PBV HAP contract from a unit exclusively made available for VASH to a regular PBV unit, if doing so is allowable under program rules.

If the PHA will not allow the veteran to receive a regular (non-VASH) tenant-based voucher or PBV unit instead of the family's assistance being terminated, then upon notification by the VA of the family's failure to participate in VA-required case management, the PHA must provide the family a reasonable period of time (as established by the PHA) to vacate the unit.

SCHA Policy

If the family fails to participate in case management when required by the VA, the SCHA will terminate the family's assistance. The family will have 120 days to vacate the unit. The SCHA will terminate assistance to the family at the earlier of (1) the time the family vacates or (2) the expiration of the 120-day period. If the family fails to vacate the unit within the established time, the owner may evict the family. If the owner does not evict the family, the SCHA will remove the unit from the HAP contract or amend the HAP contract to substitute a different unit in the project if the project is partially assisted. The SCHA may add the removed unit back onto the HAP contract after the ineligible family vacates the property.

Moves

If a VASH family is eligible to move from its PBV unit after a year of PBV assistance, the PHA will generally follow policies in Chapter 17. However, if there is no VASH tenant-based voucher

available at the time the family requests to move, the PHA's actions depend on whether the family still requires case management.

- The PHA may require a family that still requires case management to wait for a VASH tenant-based voucher for a period not to exceed 180 days. If a HUD-VASH tenant-based voucher is still not available after 180 days, the family must be allowed to move using its VASH voucher as tenant-based assistance. Alternatively, the PHA may allow the family to move using its VASH voucher as tenant-based assistance without having to meet this 180-day waiting period. In either case, the PHA may either amend the PBV HAP contract to replace the assistance in the PBV unit with one of its regular vouchers if the unit is eligible for a regular PBV or the PHA and owner may agree to temporarily remove the unit from the HAP contract.
- If a VASH veteran has been determined to no longer require case management, the PHA must allow the family to move with the first available tenant-based voucher. If no VASH voucher is immediately available, the PHA may not require the family to wait for a VASH voucher to become available.

Wrong-Sized or Accessible Units

If the PHA determines that a VASH family is occupying a wrong-size PBV unit or a PBV unit with accessibility features that the family does not require and the PBV unit is needed by a family that requires the accessibility features, the PHA must notify the family and the owner within 30 days of the PHA's determination. The PHA's offer of continued housing assistance (that must be made within 60 days of the PHA's determination) must be in the form of either a VASH tenant-based voucher or another VASH PBV unit. If no VASH assistance is available for the PHA to offer within 60 days of the PHA's determination, the PHA must remove the wrong-sized or accessible unit from the HAP contract to make VASH voucher assistance available to the family.

Contract Terminations

The regulation at 24 CFR 983.206(b), which covers the required provision of tenant-based assistance and requires that the family may elect to use its tenant-based assistance to remain in the same project when a PBV HAP contract terminates or expires, does not apply to families issued a HUD-VASH tenant-based voucher under this circumstance. The PHA may use another voucher to add the unit removed under this alternative requirement to the HAP contract after the family vacates the property, in accordance with 24 CFR 983.207(b).

Rents

Contract rents may not be different based on whether the unit is a VASH PBV unit or a non-VASH PBV unit. In determining the rent to owner for the PBV project, if the cap on the amount of rent to owner under 24 CFR 983.301(b)(1) is lower for non-HUD-VASH units than it is for the HUD-VASH units (e.g., the PHA has established a HUD-VASH exception payment standard and there is either no exception payment standard or a lower exception payment standard for the regular HCV program for the area in question), that lower cap is applicable when setting the rent to owner for the PBV units in the project, including the HUD-VASH units.

Removing Units from the HAP Contract for Ineligible Families

The PHA and owner may also agree to temporarily remove a unit from the HAP contract in cases where a HUDVASH eligible veteran has been identified by the VA as appropriate for a VASH PBV unit, but the veteran is not income eligible to receive voucher assistance or may not be selected for the PBV unit because the family's TTP exceeds the gross rent of the unit. Although the family would not be a program participant in the housing portion of the VASH program in such a case, the family would still benefit from the project's location on the grounds of a VA facility or from the VASH supportive services on-site at the project, while the VASH voucher would be available to assist another VASH family. The PHA and owner may agree to add a VASH voucher back onto the PBV HAP contract if the family's income subsequently decreased to the point that there would be a HAP or when the family vacates the unit.

Zero HAP Families

Under normal PBV requirements, the PHA may select an occupied unit to be included under a PBV HAP contract only if the unit's occupants are eligible for assistance under 24 CFR 982.201, and the TTP for the family is less than the gross rent for the unit. Furthermore, in selecting a family for an available PBV unit, typically the PHA must determine the TTP for the family is less than the gross rent, meaning that the unit will be eligible for a monthly HAP. However, if the PBV project is either on the grounds of a VA facility or there are HUD-VASH supportive services provided onsite at the project, the PHA may opt to select a unit occupied by a zero HAP VASH eligible family or admit a zero HAP VASH family to a unit if such unit is made exclusively available to VASH families. Until such time that the VASH family's TTP falls below the gross rent, the family is responsible for paying the entire rent to owner in addition to being responsible for paying all tenant-supplied utilities. During any period that the family's TTP falls below the gross rent, normal PBV requirements apply.

Further, under normally applicable rules, units occupied by families whose incomes have increased during their tenancy resulting in their TTP equaling the gross rent (zero HAP) must be removed from the HAP contract 180 days following the last housing assistance payment to the owner on the family's behalf. These regulations do not apply to zero HAP families admitted to the PBV project under this waiver and alternative requirement because there is no last housing assistance payment that would trigger the unit removal date of 180 days. As an alternative requirement, PHAs have the option of removing the unit in which the zero HAP family resides from the HAP contract, but no earlier than 180 days from the start of the family PBV tenancy. If the PHA exercises this option, the family may not be required to move from the unit as a consequence and continues to receive the VASH supportive services. If the project is fully assisted, the PHA may reinstate the unit removed to the HAP contract after the family either vacates the unit or their income decreases to the point that there would be a HAP. If the project is partially assisted, the PHA may substitute a different unit for the unit removed from the HAP contact when the first eligible substitute unit becomes available. Alternatively, the PHA may choose to simply leave the unit on the HAP contract while the zero HAP family continues to reside there.

Proposal/Project Selection

PBV proposal and/or project selection for VASH must follow all regular proposal and/or project selection regulations, with one exception. HUD permits noncompetitive selection of one or more PBV projects with units made exclusively available to VASH families on the site of a VA facility. Note that the method of project selection must comply with all other requirements under

24 CFR 983.51, including that the PHA must notify the public of its intent to noncompetitively select one or more projects for PBV assistance through its 5-Year Plan and to ensure any project selection is consistent with the PHA administrative plan.

Failure to Participate in Case Management [FR Notice 8/13/24]

Upon notification by the VAMC or DSP of the family's failure to participate, without good cause, in case management, the PHA must provide the family a reasonable time period to vacate the unit. The PHA must terminate assistance to the family at the earlier of either the time the family vacates or the expiration of the reasonable time period given to vacate.

SCHA Policy

Upon notification by the VAMC or DSP that a VASH PBV family has failed to participate in case management without good cause, the SCHA will provide written notice of termination of assistance to the family and the owner within 10 business days. The family will be given 60 days from the date of the notice to move out of the unit.

The SCHA may make exceptions to this 60-day period if needed for reasons beyond the family's control such as death, serious illness, or other medical emergency of a family member.

If the family fails to vacate the unit within the established time, the owner may evict the family. If the owner does not evict the family, the PHA must remove the unit from the HAP contract or amend the HAP contract to substitute a different unit in the project if the project is partially assisted. The PHA may add the removed unit to the HAP contract after the ineligible family vacates the property.

Moves [HUD-VASH Qs and As, FR Notice 8/13/24]

When a VASH PBV family is eligible to move from its PBV unit in accordance with Section 17-VIII.C. of this policy, but there is no other comparable tenant-based rental assistance, the following procedures must be implemented:

- I
- f a VASH tenant-based voucher is not available at the time the family wants (and is eligible) to move, the PHA may require a family who still requires case management to wait for a VASH tenant-based voucher for a period not to exceed 180 days;
- If a VASH tenant-based voucher is still not available after that period, the family must be allowed to move with its VASH voucher. Alternatively, the PHA may allow the family to move with its VASH voucher without having to meet this 180-day period. In either case, th
- e PHA is required to replace the assistance in the PBV unit with one of its regular vouchers, unless the PHA and owner agree to temporarily remove the unit from the HAP contract; and
- If a VASH veteran is determined to no longer require case management, the PHA must allow the family to move with the first available tenant-based voucher if no VASH voucher is immediately available and cannot require the family to wait for a VASH voucher to become available.

PART IV: MAINSTREAM VOUCHER PROGRAM

18-IV.A. PROGRAM OVERVIEW [Notice PIH 2020-01 and Notice PIH 2024-30]

Mainstream vouchers assist non-elderly persons with disabilities and their families (particularly those transitioning out of institutions or at serious risk of institutionalization) in the form of either project-based or tenant-based voucher assistance.

The Mainstream voucher program, (previously referred to as the Mainstream 5-Year program or the Section 811 voucher program) was originally authorized under the National Affordable Housing Act of 1990. Mainstream vouchers operated separately from the regular HCV program until the passage of the Frank Melville Supportive Housing Investment Act of 2010. Funding for Mainstream voucher renewals and administrative fees was first made available in 2012. In 2017 and 2019, incremental vouchers were made available f
or the first time since the Melville Act (in addition to renewals and administrative fees), and PHAs were invited to apply for a competitive award of Mainstream vouchers under the FY17 and FY19 NOFAs. In 2020, Notice PIH 2020-22 provided an opportunity for any PHA administering an HCV program to apply for Mainstream vouchers noncompetitively
, while Notice PIH 2020-09 authorized an increase in Mainstream voucher units and budget authority for those PHAs already awarded Mainstream vouchers under the FY17 and FY19 NOFAs.

Funding and reporting for Mainstream vouchers is separate from the HCV program. Funds for Mainstream vouchers may be recaptured and reallocated if the PHA does not comply with all program requirements or fails to maintain a utilization rate of 80 percent for the PHA's Mainstream vouchers.

The Consolidated Appropriations Act, 2024 (Public Law 118-42) authorized HUD to establish waivers and alternative requirements for Mainstream Vouchers related to the administration of waiting lists, local preferences, and the initial term and extensions of tenant-based vouchers. HUD is not permitted to waive requirements related to tenant rights and protections, rent setting, fair housing, nondiscrimination, labor standards, and the environment. Prior to this, Mainstream vouchers follow the same program requirements as standard vouchers.

18-IV.B. ELIGIBLE POPULATION [Notice PIH 2020-01 and Notice PIH 2020-22]

All Mainstream vouchers must be used to serve non-elderly persons with disabilities and their families, defined as any family that includes a person with disabilities who is at least 18 years old and not yet 62 years old as of the effective date of the initial HAP contract. The eligible disabled household member does not need to be the head of household.

The definition of person with disabilities for purposes of Mainstream vouchers is the statutory definition under section 3(b)(3)(E) of the 1937 Act, which
is the same as is used for allowances and deductions in the HCV program and is provided in Exhibit 3-1 of this policy.

Existing families receiving Mainstream vouchers, where the eligible family member is now age 62 or older, will not "age out" of the program as long as the family was eligible on the day it was first assisted under a HAP contract.

The PHA may not implement eligibility screening criteria for Mainstream vouchers that is different from that of the regular HCV program.

18-IV.C. PARTNERSHIP AND SUPPORTIVE SERVICES [Notice PIH 2020-01]

PHAs are encouraged but not required to establish formal and informal partnerships with a variety of organizations that assist persons with disabilities to help ensure eligible participants find and maintain stable housing.

SCHA Policy

The SCHA will implement a Mainstream program, in partnership with ***Resource Connect.***

18-IV.D. WAITING LIST ADMINISTRATION [Notice PIH 2024-30]

For Mainstream vouchers, HUD has waived 24 CFR 982.204(f), which requires one waiting list for the HCV program and allows PHA the discretion to operate a Mainstream voucher waiting list that is separate from the general HCV waiting list. This is optional.

If the PHA chooses to create a separate Mainstream waiting list, the PHA must notify families on the HCV waiting list of the separate Mainstream waiting list and provide an opportunity for families on the HCV list to be placed on the Mainstream list.

If the PHA does not pursue the optional waiver to maintain a separate Mainstream waiting list, the PHA must still ensure program access for individuals with disabilities.

Upon turnover, vouchers must be provided to Mainstream-eligible families.

SCHA Policy

The SCHA will not establish a separate waiting list for the Mainstream program.

18-IV.E. PREFERENCES [Notice PIH 2024-30]

While PHAs may establish local preferences based on local housing needs and priorities in accordance with 24 CFR 982.207(a), HCV regulations do not permit PHAs to establish separate preferences for Mainstream voucher applicants. HUD waived 24 CFR 982.207(a)(1) and allows PHAs to establish separate preferences for Mainstream voucher applicants. However, PHAs may not apply a residency preference to Mainstream voucher applicants.

PHAs with outstanding Olmstead-related litigation or enforcement activities, as w
ell as those undertaking affirmative Olmstead planning and implementation efforts, who wish to establish preferences that target individuals with specific disabilities must request HUD

approval. The process for requesting approval for a remedial preference targeting individuals with specific disabilities is outlined in Notice PIH 2012-31.

Regardless of whether a PHA chooses to adopt separate Mainstream voucher preferences, if the PHA claimed points for a preference in a NOFO application for Mainstream vouchers, the PHA must adopt a preference for at least one of the targeted groups identified in the NOFO. PHAs may choose to apply NOFO preferences to the entire HCV waiting list or only to Mainstream voucher applicants as a separate Mainstream voucher preference.

PHAs may use either date and time of application or a drawing or other random choice technique in selecting families from the Mainstream waiting list among applicants with the same preference status in accordance with the PHA's administrative plan.

SCHA Policy

The SCHA claimed a preference for a targeted group as part of an application for Mainstream vouchers under a NOFO. The SCHA will offer the following preference:

Non-Elderly-Disabled Family who is Currently Experiencing Homelessness

18-IV.F. VOUCHER ISSUANCE

Initial Search Term [Notice PIH 2024-30]

For Mainstream vouchers, HUD waived 24 CFR 982.303(a), which requires an initial search term of at least 60 days, and established an alternative requirement that the initial search term for a Mainstream voucher be at least 120 days. The initial 120-day term also applies when a family chooses to move to a new unit with continued assistance inside or outside the PHA's jurisdiction. When issuing a Mainstream voucher, the PHA also must provide a current listing of available accessible units known to the PHA and, if necessary, otherwise assist the family in identifying an accessible unit.

SCHA Policy

The initial voucher term for all Mainstream vouchers, including those issued when a family wishes to exercise portability, will be 120 days.

Voucher Extension [Notice PIH 2024-30]

The PHA's administrative plan must describe the PHA's policies for granting extensions to the initial 120-day voucher term and provide clear instructions to families on the procedures for requesting an extension. If a family requires additional time, the PHA is required to provide an extension as a reasonable accommodation.

PHAs must adopt an extension policy for Mainstream vouchers that includes the following:

- Each extension must be for a minimum of 90 days;

- The PHA must approve the first extension request, regardless of how the request is made (written or verbal) or when it is made, as long as the request is made on or before the expiration date of the voucher and is consistent with applicable requirements (subsequent requests should be processed in accordance with the PHA's administrative plan); and
- The PHA must, on at least one occasion after voucher issuance, notify the family prior to the expiration of the initial term to remind them of the expiration date, the process for requesting an extension, and to inquire if the family is in need of assistance with their housing search.

As part of its search extension policy, the PHA may not restrict a first extension approval to certain circumstances or require documentation from applicants. For all extension requests, a written or verbal request is sufficient. In providing notice to families of the expiration date and extension request process, PHAs must ensure effective communication with persons with disabilities, including those with vision, hearing, speech, intellectual or other developmental disabilities, or any other communication-related disabilities. PHAs must approve all extensions made as a reasonable accommodation, and PHAs must provide this information during the family briefing.

SCHA Policy

At least 30 days prior to the expiration of the initial term of the voucher, the SCHA will contact the family to remind them of the expiration date of their voucher, the process for requesting an extension, and to inquire if the family needs assistance with their housing search. Depending on the family's preferred method of communication, the PHA may contact the family via telephone, text message, email, or other accessible communication method. The SCHA will ensure effective communication with persons with disabilities, including those with vision, hearing, speech, intellectual or other developmental disabilities, or any other communication-related disabilities.

Families may request an extension, either orally or in writing, at any time prior to the expiration of the family's voucher. All requests for extensions will automatically be granted without the requirement for the family to provide documentation. The initial extension period will be for 90 days. If the family requires additional extensions beyond 90 days, the family may request additional extensions, either orally or in writing, at any time prior to the expiration of the extended voucher term. All subsequent extensions will also be for a period of 90 days and will not require the family to meet certain circumstances or provide documentation. Each time the family requests an extension, the PHA will inquire if the family needs assistance with their housing search and will provide a current listing of available accessible units known to the SCHA.

18-IV.G. PORTABILITY [Notice PIH 2020-01 and Mainstream Voucher Basics Webinar, 10/15/20]

Mainstream voucher participants are eligible for portability under standard portability rules and all PHA policies regarding portability in Chapter 10, Part II apply to Mainstream families.

The following special considerations for Mainstream vouchers apply under portability:

- If the receiving PHA has a Mainstream voucher available, the participant may remain a Mainstream participant.
  - If the receiving PHA chooses to bill the initial PHA, then the voucher will remain a Mainstream voucher.
  - If the receiving PHA chooses to absorb the voucher, the voucher will be considered a regular voucher, or a Mainstream voucher if the receiving PHA has a Mainstream voucher available, and the Mainstream voucher at the initial PHA will be freed up to lease to another Mainstream-eligible family.
- If the receiving PHA does not have a Mainstream voucher available, the participant may receive a regular voucher.

18-IV.H. PROJECT-BASING MAINSTREAM VOUCHERS [FY19 Mainstream Voucher NOFA Q&A]

The PHA may project-base Mainstream vouchers in accordance with all applicable PBV regulations and PHA policies in Chapter 17. PHAs are responsible for ensuring that, in addition to complying with project-based voucher program requirements, the project complies with all applicable federal nondiscrimination and civil rights statutes and requirements. This includes, but is not limited to, Section 504 of the Rehabilitation Act (Section 504), Titles II or III of the Americans with Disabilities (ADA), and the Fair Housing Act and their implementing regulations at 24 CFR Part 8; 28 CFR Parts 35 and 36; and 24 CFR Part 100. Mainstream vouchers are subject to the PBV program percentage limitation discussed in Section 17-I.A.

PART IV: NON-ELDERLY DISABLED (NED) VOUCHERS

18-V.A. PROGRAM OVERVIEW [Notice PIH 2013-19]

NED vouchers help non-elderly disabled families lease suitable, accessible, and affordable housing in the private market. Aside from separate funding appropriations and serving a specific population, NED vouchers follow the same program requirements as standard vouchers. The PHA does not have special authority to treat families that receive a NED voucher differently from other applicants and participants.

Some NED vouchers are awarded to PHAs through competitive NOFAs. The NOFA for FY2009 Rental Assistance for NED made incremental funding available for two categories of NED families:

- **Category 1** vouchers enable non-elderly persons or families with disabilities to access affordable housing on the private market.
- **Category 2** vouchers enable non-elderly persons with disabilities currently residing in nursing homes or other healthcare institutions to transition into the community. PHAs with NED Category 2 vouchers were required to partner with a state Medicaid or health agency or the state Money Follows the Person (MFP) Demonstration agency.

Since 1997, HCVs for NED families have been also awarded under various special purpose HCV programs: Rental Assistance for Non-Elderly Persons with Disabilities in Support of Designated

Housing Plans (Designated Housing), Rental Assistance for Non-Elderly Persons with Disabilities Related to Certain Types of Section 8 Project-Based Developments (Certain Developments), One-Year Mainstream Housing Opportunities for Persons with Disabilities, and the Project Access Pilot Program (formerly Access Housing 2000).

- **Designated Housing** vouchers enable non-elderly disabled families, who would have been eligible for a public housing unit if occupancy of the unit or entire project had not been restricted to elderly families only through an approved Designated Housing Plan, to receive rental assistance. These vouchers may also assist non-elderly disabled families living in a designated unit/project/building to move from that project if they so choose. The family does not have to be listed on the PHA's voucher waiting list.
- Instead, they may
- be admitted to the program as a special admission. Once the impacted families have been served, the PHA may begin issuing these vouchers to non-elderly disabled families from their HCV waiting list. Upon turnover, these vouchers must be issued to non-elderly disabled families from the PHA's HCV waiting list.
- **Certain Developments** vouchers enable non-elderly families having a person with disabilities, who do not currently receive housing assistance in certain developments where owners establish preferences for, or restrict occupancy to, elderly families, to obtain affordable housing. These non-elderly families with a disabled person do not need to be listed on the PHA's HCV waiting list in order to be offered and receive housing choice voucher rental assistance. It is sufficient that these families' names are on the waiting list fo
- r
- a covered development at the time their names are provided to the PHA by the owner. Once the impacted families have been served, the PHA may begin issuing these vouchers to non-elderly disabled families from their HCV waiting list. Upon turnover, these vouchers must be issued to non-elderly disabled families from the PHA's HCV waiting list.
- **One-Year Mainstream Housing Opportunities for Persons with Disabilities (One-Year Mainstream) vouchers** enable non-elderly disabled families on the PHA's waiting list to receive a voucher. After initial leasing, turnover vouchers must be issued to non-elderly disabled families from the PHA's voucher waiting list.

18-V.B. ELIGIBLE POPULATION

General Requirements [Notice PIH 2013-19]

Only eligible families whose head of household, spouse, or cohead is non-elderly (under age 62) and disabled may receive a NED voucher. Families with only a minor child with a disability are not eligible.

In cases where the qualifying household member now qualifies as elderly due to the passage of time since the family received the NED voucher, existing NED participant families do not "age out," as the family was eligible on the day it was first assisted under a housing assistance payments (HAP) contract.

The definition of person with disabilities for purposes of NED vouchers is the statutory definition under Section 3(b)(3)(E) of the 1937 Act, which is the same as is used for allowances and deductions in the HCV program and is provided in Exhibit 3-1 of this policy.

The PHA may not implement eligibility screening criteria for NED vouchers that is different from that of the regular HCV program.

NED Category 2 [Notice PIH 2013-19 and NED Category 2 FAQs]

In addition to being eligible for the PHA's regular HCV program and a non-elderly person with a disability, in order to receive a Category 2 voucher, the family's head, spouse, cohead, or sole member must be transitioning from a nursing home or other healthcare institution and provided services needed to live independently in the community.

Nursing homes or other healthcare institutions may include intermediate care facilities and specialized inst
itutions that care for those with intellectual disabilities, developmentally disabled, or mentally ill, but do not include board and care facilities (e.g., adult homes, adult day care, adult congregate living).

The PHA cannot limit who can apply to just those persons referred or approved by a Money Follows the Person (MFP) Demonstration agency or state health agency. Other individuals could be placed on the waiting list if they can show, with confirmation by an independent agency or organization that routinely provides such services (this can be the MFP or partnering agency, but need not be), that the transitioning individual will be provided with all necessary services, including care or case management.

For each Category 2 family, there must be documentation (e.g., a copy of a referral letter from the partnering or referring agency) in the tenant file identifying the institution where the family lived at the time of voucher issuance.

18-V.C. WAITING LIST

General Requirements [Notice PIH 2013-19]

Families must be selected for NED vouchers from the PHA's waiting list in accordance with all applicable regulations and PHA policies in Chapter 4.

Regardless of the number of NED families the PHA is required to serve, the next family on the waiting list must be served. Further, the PHA may not skip over NED-eligible families on the waiting list because the PHA is serving the required number of NED families.

NED Category 2 Referrals [NED Category 2 FAQs]

For NED Category 2 families, the partnering agency may make referrals of eligible families to the PHA for placement on the waiting list. The PHA will then select these families from the waiting list for voucher issuance. Because language in the NOFA established that vouchers

awarded under the NOFA must only serve non-elderly disabled families transitioning from institutions, the PHA does not need to establish a preference in order to serve these families ahead of other families on the PHA's waiting list.

PHAs must accept applications from people living outside their jurisdictions or from people being referred from other Medicaid or MFP service agencies in their state.

If the PHA's waiting list is closed, the PHA must reopen its waiting list to accept referrals from its partnering agency. When opening the waiting list, PHAs must advertise in accordance with 24 CFR 982.206 and PHA policies in Section 4-II.C. In addition, the PHA must ensure that individuals living in eligible institutions are aware when the PHA opens its waiting list by reaching out to social service agencies, nursing homes, intermediate care facilities and specialized institutions in the local service area.

Reissuance of Turnover Vouchers [Notice PIH 2013-19]

All NED turnover vouchers must be reissued to the next NED family on the PHA's waiting list with the following exception: A Category 2 voucher must be issued to another Category 2 family upon turnover if a Category 2 family is on the PHA's waiting list. If there are no Category 2 families on the PHA's waiting list, the PHA must contact its partnering agency as well as conduct outreach through appropriate social service agencies and qualifying institutions to identify potentially eligible individuals. Only after all means of outreach have been taken to reach Category 2 families can the PHA reissue the voucher to another Category 2 NED family on the PHA's waiting list. Any subsequent turnover of that voucher must again be used for a Category 2 family on the PHA's waiting list, and the PHA is under the same obligation to conduct outreach to Category 2 families if no such families are on the PHA's waiting list.

For PHAs that received both Category 1 and Category 2 vouchers, if at any time the PHA is serving fewer Category 2 families than the number of Category 2 HCVs awarded under the NOFA, when a Category 2 family applies to the waiting list and is found eligible, the PHA must issue the next NED voucher to that family. HUD monitors the initial leasing and reissuance of Category 2 HCVs. These vouchers may be recaptured and reassigned if not leased properly and in a timely manner.

All NED vouchers should be affirmatively marketed to a diverse population of NED-eligible families to attract protected classes least likely to apply. If at any time following the turnover of a NED HCV a PHA believes it is not practicable to assist NED families, the PHA must contact HUD.

18-V.D. LEASE UP [Notice PIH 2013-19]

Briefings

In addition to providing families with a disabled person a list of accessible units known to the PHA, HUD encourages, but does not require, PHAs to provide additional resources to NED families as part of the briefing.

SCHA Policy

In addition to providing families with a disabled person a list of accessible units known to the SCHA, the SCHA will provide a list of local supportive service and disability organizations that may provide such assistance as counseling services and funding for moving expense
s or security deposits in the briefing packet. These organizations include state protection and advocacy agencies, Centers for Independent Living, state Medicaid agencies, and disability advocacy groups that represent individuals with a va
riety of disabilities.

Further, if other governmental or non-governmental agencies provide available resources such as housing search counseling, moving expenses, security deposits, and utility deposits, the PHA will include this information in the briefing packet.

The PHA will also offer specialized housing search assistance to families with a disabled person to locate accessible units if requested. Trained PHA staff or a local supportive service or disability organization may be able to provide this service.

Voucher Term

While the PHA is not required to establish different policies for the initial term of the voucher for NED vouchers, HUD has encouraged PHAs with NED vouchers to be generous in establishing reasonable initial search terms and subsequent extensions for families with a disabled person.

SCHA Policy

The SCHA has not been awarded NED vouchers. In the case that NED vouchers are awarded:

All NED vouchers will have an initial term of 120 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 120-day period unless the SCHA grants an extension.

All other SCHA policies on extensions and suspension of vouchers in Section 5-II.E. will apply.

Special Housing Types [Notice PIH 2013-19 and NED Category 2 FAQs]

In general, a PHA is not required to permit families to use any of the special housing types and may limit the number of families using such housing. However, the PHA must permit the use of a special housing type if doing so provides a reasonable accommodation so that the program is readily accessible to and usable by a person with disabilities.

Such special housing types include single room occupancy housing, congregate housing, group homes, shared housing, cooperative housing, and manufactured homes when the family owns the home and leases the manufactured home space.

Persons with disabilities transitioning out of institutional settings may choose housing in the community that is in a group or shared environment or where some additional assistance for daily living is provided for them on site. Under HUD regulations, group homes and shared housing are considered special housing types and are not excluded as an eligible housing type in the HCV program. Assisted living facilities are also considered eligible housing under the normal HCV program rules, as long as the costs for meals and other supportive services are not included in the housing assistance payments (HAP) made by the PHA to the owner, and as long as the person does not need continual medical or nursing care.

18-V.E. PORTABILITY [NED Category 2 FAQs]

NED voucher participants are eligible for portability under standard portability rules and all PHA policies regarding portability in Chapter 10, Part II apply to NED families. However, the PHA may, but is not required to, allow applicant NED families to move under portability, even if the family did not have legal residency in the initial PHA's jurisdiction when they applied.

SCHA Policy

The SCHA has not been awarded NED vouchers. In the case that NED vouchers are awarded to the SCHA:

If neither the head of household nor the spouse or cohead of a NED applicant family had a domicile (legal residence) in the SCHA's jurisdiction at the time that the family's initial application for assistance was submitted, the family must lease a unit within the initial SCHA's jurisdiction for at least 12 months before requesting portability.

The SCHA will consider exceptions to this policy for purposes of reasonable accommodation (see Chapter 2) or reasons related to domestic violence, dating violence, sexual assault, stalking, or human trafficking.

PART VI: STABILITY VOUCHER PROGRAM

18-VI.A. PROGRAM OVERVIEW [Notice PIH 2022-24]

The Consolidated Appropriations Act, 2021 (Public Law 116-260) (2021 Act) provided new incremental funding for voucher assistance through Stability Vouchers (SVs) for households who are:

- Homeless, as defined in section 103(a) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302(a));
- At-risk of homelessness;
- Those fleeing or attempting to flee domestic violence dating violence, sexual assault, stalking, or human trafficking; and
- Veterans and families that include a veteran family member that meet one of the above criteria.

HUD may waive certain statutory and regulatory provisions to administer the SVs (except for requirements related to tenant rights and protections, rent setting, fair housing, nondiscrimination, labor standards and the environment) upon a finding that any such waivers or alternative requirements are necessary to facilitate the use of funds made available for SVs. Unless expressly waived below, all statutory and re
gulatory requirements and HUD directives regarding the HCV program are applicable to SVs, includ
ing the use of all HUD required contracts and other forms. A PHA may request additional good cause regulatory waivers as established in Notice PIH 2018-16 in connection with the use of the SVs, which HUD will consider and assess upon the request of the PHA.

18-VI.B. PARTNERING ORGANIZATION [Notice PIH 2022-24]

SV funding is only awarded to PHAs that partner with eligible Continuums of Care (CoCs) or other entities that serve the targeted population, such as Victim Service Providers (VSPs) and Veteran Servic
e Organizations (VSOs) serving the targeted population in the PHA's jurisdiction to implement coordinated approaches to reduce the prevalence of homelessness, improve service engagement, and promote housing stability while ensuring geographical need of assista
nce.

The PHA must enter into a Memorandum of Understanding (MOU) with the CoC to establish a partnership with the CoC to pair SVs with CoC-funded supportive services, and to collaborate with the CoC and other stakeholders to develop a prioritization plan for these vouchers.

SCHA Policy

The SCHA has not been awarded stability vouchers. In the case that stability vouchers are awarded to the SCHA, the SCHA will enter into an MOU with a "to be determined" partnering organization.

18-VI.C. REFERRALS [Notice PIH 2022-24]

In general, families are issued SVs as the result of either:

- The direct referral process from the CoC or other partnering organizations; or
- A situation where the PHA makes an SV available in order to facilitate an emergency transfer for victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking.

CoC Referrals

The primary responsibility of the CoC under the MOU is to make direct referrals of qualifying individuals and families to the PHA and to identify any CoC-funded available supportive services that may be paired with SVs.

The CoC or other partnering agency must certify that the SV applicants they refer to the PHA meet the definition of a qualifying individual or family for SV assistance.

The referring agency must provide documentation to the PHA of the referring agency's verification that the family meets one of the four eligible categories for SV assistance. The PHA must retain this documentation as part of the family's file.

SCHA Policy

The SCHA has not been awarded stability vouchers. In the case that stability vouchers are awarded to the SCHA, the SCHA will implement the following:

The CoC or partnering agency must establish and implement a system to identify SV-eligible individuals and families within the agency's caseload and make referrals to the SCHA.

The CoC or other partnering agency must certify that the SV applicants they refer to the SCHA meet SV eligibility criteria. The SCHA will maintain a copy of the referral or certification from the CoC or other partnering agency in the participant's file along with other eligibility paperwork. Homeless service providers may, but are not required to, use the certification form found in Exhibit 19-1 of this chapter. Victim services providers may, but are not required to, use the certification form found in Exhibit 19-2 of this chapter when identifying eligible families who qualify as victims of human trafficking.

As part of the MOU, the SCHA and CoC or other partnering agency will identify staff positions to serve as lead SV liaisons. These positions will be responsible for transmission and acceptance of referrals. The CoC or partnering agency must commit sufficient staff and resources to ensure eligible individuals and families are identified and determined eligible in a timely manner.

The SCHA liaison responsible for acceptance of referrals will contact the CoC or partnering agency liaison via email indicating the number of vouchers available and requesting an appropriate number of referrals. No more than five business days from the date the CoC or partnering agency receives this notification, the CoC or partnering agency liaison will provide the PHA with a list of eligible referrals including the name, address, and contact phone number for each adult individual who is being referred; a completed release form for each adult family member; and a written certification for each referral indicating they are SV-eligible.

Referrals from Outside the CoC

The PHA must also take direct referrals from outside the CoC process if:

- The CoC does not have a sufficient number of eligible families to refer to the PHA; or
- The CoC does not identify families that may be eligible for SV assistance because they are fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking.

If a direct referral is taken from outside of the CoC, the PHA must enter into a partnership to receive direct referrals from another entity, assuming there are such additional organizations that can certify that an individual or family is eligible for an SV.

The PHA must enter into an MOU with a partnering referral agency or may add the partnering referral agency to the MOU between the PHA and CoC.

18-VI.D. WAITING LIST [Notice PIH 2022-24]

HCV Waiting List

The regulation that requires the PHA to admit applicants as waiting list admissions or special admissions in accordance with admission policies in Chapter 4 does not apply to PHAs operating the SV program. Direct referrals are not added to the PHA's HCV waiting list.

The PHA must inform families on the HCV waiting list of the availability of SVs by, at a minimum, either by posting the information to their website or providing public notice in their respective communities in accordance with the requirements listed in Notice PIH 2022-24.

SCHA Policy

The SCHA has not been awarded SV's. In the case that SCHA is awarded SV's, The SCHA will post information about the SV program for families on the SCHA's HCV waiting list on their website. The notice will:

Describe the eligible populations to which SVs are limited.

Clearly state that the availability of these SVs is managed through a direct referral process.

Advise the family to contact the CoC (or any other PHA referral partner, if applicable) if the family believes they may be eligible for SV assistance.

The PHA will ensure effective communication with persons with disabilities, including those with vision, hearing, and other communication-related disabilities in accordance with Chapter 2. The PHA will also take reasonable steps to ensure meaningful access for persons with limited English proficiency (LEP) in accordance with Chapter 2.

SV Waiting List

The HCV regulations requiring the PHA to operate a single waiting list for admission to the HCV program do not apply to PHAs operating the SV program. Instead, when the number of applicants referred by the CoC or partnering agency exceeds the SVs available, the PHA must maintain a separate waiting list for SV referrals. Upon turnover, SV vouchers must continue to remain available for eligible families.

Further, the SV waiting list is not subject to PHA policies in Chapter 4 regarding opening and closing the HCV waiting list. The PHA will work directly with its CoC and other referral agency partners to manage the number of referrals and the size of the SV waiting list.

HCV Waiting List Preferences

If local preferences are established by the PHA for HCV in Chapter 4, they do not apply to SVs. However, if the PHA has a homelessness preference or a preference for survivors of domestic violence, dating violence, sexual assault, stalking, or human trafficking for the regular HCV program, the PHA must refer any applicant on the waiting list that indicated they qualified for this preference to the CoC, or the applicable partnering referral agency.

SCHA Policy

The SCHA offers a homelessness preference but does not offer a VAWA preference for the HCV waiting list.

SV Waiting List Preferences

With the exception of a residency preference, which may not be applied to the PHA's SV waiting list, the PHA may choose, in coordination with the CoC and other referral partners, to establish separate local preferences for SVs, or may simply choose to not establish any local preferences for the SV waiting list. The preference system may not prohibit SV admissions from any of the four qualifying categories of eligibility.

SCHA Policy

The SCHA has not been awarded SV's. In the case that SV's are awared a local preference will be established for the SV waiting list.

18-VI.E. FAMILY ELIGIBILITY [Notice PIH 2022-24]

Referring Agency Determination of Eligibility

The CoC or referring agency determines whether the individual or family meets any one of the eligibility criteria described in Notice PIH 2022-24 and then refers the family to the PHA. The PHA determines that the family meets other eligibility criteria for the HCV program, as modified for the SV program and outlined below.

In order to be eligible for an SV, a household must meet one of four eligibility criteria:

- Homeless, as defined in section 103(a) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302(a)) and 24 CFR 578.3;
- At-risk of homelessness as defined in 24 CFR 5.78.3;
- Those fleeing or attempting to flee domestic violence dating violence, sexual assault, stalking, or human trafficking; and
- Veterans [as defined in 38 U.S.C. 101(2); 38 CFR 3.1(d)] and families that include a veteran family member that meet one of the above criteria.

Mandatory Denials

HUD waived 24 CFR 982.552 and 982.553 in part for the SV applicants and established alternative requirements for mandatory and permissive prohibitions of admissions. Except where applicable, PHA policies regarding denials in Chapter 3 of this policy do not apply to screening individuals and families for eligibility for an SV. Instead, the SV alternative requirement listed in this section will apply to all SV applicants.

The mandatory and permissive prohibitions listed in Notice PIH 2022-24 and in this chapter, however, apply only when screening the individual or family for eligibility for an SV. When adding a family member after the family has been placed under a HAP contract with SV assistance, the regulations at 24 CFR 982.551(h)(2) apply. Other than the birth, adoption, or court-awarded custody of a child, the PHA must approve additional family members and may apply its regular HCV screening criteria in Chapter 3 in doing so.

Under alternative requirements for the SV program, mandatory denials for SV applicants include:

- 24 CFR 982.553(a)(1)(ii)(C), which prohibits admission if any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.
- 24 CFR 982.553(a)(2)(i), which prohibits admission to the program if any member of the household is subject to a lifetime registration requirement under a state sex offender registration program.

The PHA will also deny assistance to household members already receiving assistance from another program.

The PHA must deny admission to the program if any member of the family fails to sign and submit consent forms for obtaining information as required by 24 CFR 982.552(b)(3) but should notify the family of the limited SV grounds for denial of admission first.

PHA Policy

While the PHA will deny admission to the program if any adult member (or head of household or spouse, regardless of age) fails to sign and submit consent forms, the PHA will first notify the family of the limited SV grounds for denial of admission as part of the notice of denial that will be mailed to the family.

Permissive Denial

Notice PIH 2022-24 lists permissive prohibitions for which the PHA may, but is not required to, deny admission to SV families. The notice also lists prohibitions that, while allowable under the HCV program, may not be used to deny assistance for SV families.

If the PHA intends to establish permissive prohibition policies for SV applicants, the PHA must first consult with its CoC partner to understand the impact that the proposed prohibitions may have on referrals and must take the CoC's recommendations into consideration.

SCHA Policy

The SCHA has not been awarded SV's. In the case that SCHA is awarded SV's, SCHA will:

In consultation with the CoC, the PHA will apply permissive prohibition to the screening of SV applicants. Determinations using permissive prohibitions will be made based on an individualized assessment of relevant mitigating information in accordance with policies in Section 3-III.E. of the administrative plan.

The SCHA will establish the following permissive prohibitions:

If the SCHA determines that any household member is currently engaged in, or has engaged in within the previous 12 months:

Violent criminal activity

Other criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity

If any member of the family has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program within the previous 12 months.

If the family engaged in or threatened abusive or violent behavior toward PHA personnel within the previous 12 months.

Prohibitions based on criminal activity for the eligible SV populations regarding drug possession will be considered apart from criminal activity against persons (i.e., violent criminal activity).

In compliance with PIH 2022-24, the SCHA **will not** deny an SV applicant admission regardless of whether:

Any member of the family has been evicted from federally assisted housing in the last five years

A PHA has ever terminated assistance under the program for any member of the family

The family currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act

The family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease

The family breached an agreement with the PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA

The family would otherwise be prohibited admission under alcohol abuse standards established by the PHA in accordance with 24 CFR 982.553(a)(3)

The SCHA determines that any household member is currently engaged in or has engaged in during a reasonable time before the admission, drug-related criminal activity

Self-Certification of Income at Admission

The requirement to obtain third-party verification of income in accordance with Notice PIH 2018-18 does not apply to the SV program applicants at admission, and alternatively, PHAs may consider self-certification the highest form of income verification at admission. As such, PHA policies related to the verification of income in Section 7-I.B. do not apply to SV families at admission. Instead, applicants must submit an affidavit attesting to their reported income, assets, expenses, and other factors that would affect an income eligibility determination.

Additionally, applicants may provide third-party documentation that represents the applicant's income within the 60-day period prior to admission or voucher issuance but is not dated within 60 days of the PHA's request.

SCHA Policy

The SCHA has not been awarded SV's. In the case that SCHA is awarded SV's, SCHA will do the following:

Any documents used for verification must be the original (not photocopies) and dated within the 60-day period prior to admission. The documents must not be damaged, altered, or in any way illegible.

Printouts from webpages are considered original documents.

Any family self-certifications must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified.

The SCHA will incorporate additional procedures to remind families of the obligation to provide true and complete information in accordance with Chapter 14. The PHA will address any material discrepancies (i.e., unreported income or a substantial difference in reported income) that may arise later. The SCHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, the PHA will terminate the family's assistance in accordance w ith the policies in Chapter 12.

Recently Conducted Income Determinations

PHAs may accept income calculations and verifications from third-party providers or from an examination that the PHA conducted on behalf of the family for another subsidized housing program in lieu of conducting an initial examination of income as long as:

- The income was calculated in accordance with rules outlined at 24 CFR Part 5 and within the last six months; and
- The family certifies there has been no change in income or family composition in the interim.

SCHA Policy

The SCHA will accept income calculations and verifications from third-party providers provided they meet the criteria outlined above.

The family certification must be made in a format acceptable to the SCHA and must be signed by all adult family members whose information or status is being verified.

At the time of the family's annual reexamination, the SCHA must conduct the annual reexamination of income as outlined at 24 CFR 982.516 and the SCHA policies in Chapter 11.

EIV Income Validation

Once HUD makes the EIV data available to PHAs under this waiver and alternative requirement, the PHA must:

- Review the EIV Income Report to confirm and
- validate family-reported income within 90 days of the PIC submission date;
- Print and maintain copies of the EIV Income Report in the tenant file; and
- Resolve any income discrepancy with the family within 60 days of the EIV Income Report dates.

Prior to admission, PHAs must continue to use HUD's EIV system to search for all household members using the Existing Tenant Search in accordance with PHA policies in Chapter 3.

If a PHA later determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program in accordance with Chapter 12.

Social Security Number and Citizenship Status Verification

For the SV program, the PHA is not required to obtain and verify SSN documentation and documentation evidencing eligible noncitizen status before admitting the family to the SV program. Instead, PHAs may adopt policies to admit SV applicants who are unable to provide the required SSN or citizenship documentation during the initial eligibility determination. As an alternative requirement, such individuals must provide the required documentation within 180 days of admission to be eligible for continued assistance, pending verification, unless the PHA provides an extension based on evidence from the family or confirmation from the CoC or other partnering agency that the family has made a good-faith effort to obtain the documentation.

If a PHA determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program.

SCHA Policy

The SCHA has not been awarded SV's. In the case that SV's are awarded, the SCHA will:

Admit SV applicants who are unable to provide the required SSN or citizenship documentation during the initial eligibility determination. These individuals must provide the required documentation in accordance with policies in Chapter 7 within 180 days of admission. The SCHA may provide an additional 60-day extension based on evidence from the family or confirmation from the CoC or other partnering agency that the family has made a good-faith effort to obtain the documentation.

If the SCHA determines that an ineligible family received assistance, the SCHA will take steps to terminate that family from the program in accordance with policies in Chapter 12.

Age and Disability Verifications

PHAs may accept self-certification of date of birth and disability status if a higher level of verification is not immediately available. If self-certification is used, the PHA must obtain a higher level of verification within 90 days of admission or verify the information in EIV.

If a PHA determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program.

SCHA Policy

The SCHA has not been awarded SV's. In the case that SV's are awarded, the SCHA will:

Accept self-certification of date of birth and disability status if a higher form of verification is not immediately available. The certification must be made in a format acceptable to the SCHA and must be signed by the family member whose information or status is being verified. If self-certification is accepted, within 90 days of admission, the SCHA will verify the information in EIV or through other third-party verification if the information is not available in EIV. The SCHA will note the family's file that self-certification was used as initial verification and include an EIV printout or other third-party verification confirming the applicant's date of birth and/or disability status.

If the SCHA determines that an ineligible family received assistance, the SCHA will take steps to terminate that family from the program in accordance with policies in Chapter 12.

Income Targeting

The PHA must determine income eligibility for SV families in accordance with 24 CFR 982.201 and PHA policy in Chapter 3; however, income targeting requirements do not apply for SV families. The PHA may still choose to include the admission of extremely low-income SV families in its income targeting numbers for the fiscal year in which these families are admitted.

SCHA Policy

The SCHA has not been awarded SV's. In the case that SV's are awarded, the SCHA will:

Not include the admission of extremely low-income SV families in its income targeting numbers for the fiscal year in which these families are admitted.

18-VI.F. HOUSING SEARCH AND LEASING

Initial Voucher Term

Unlike the standard HCV program, which requires an initial voucher term of at least 60 days, SV vouchers must have an initial search term of at least 120 days. PHA policies on extensions as outlined in Section 5-II.E. will apply.

SCHA Policy

The SCHA has not been awarded SV's. In the case that SV's are awarded, the SCHA will do the following:

All SVs will have an initial term of 120 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 120-day
period unless the PHA grants an extension.

Pre-Inspections

To expedite the leasing process, PHAs may pre-inspect available units that SV families may be interested in leasing in order to maintain a pool of eligible units.

SCHA Policy

The SCHA has not been awarded SV's. In the case that SV's are awarded, the SCHA will do the following:

To expedite the leasing process, the SCHA may pre-inspect available units that SV families may be interested in leasing to maintain a pool of eligible units. If an SV family

selects a unit that passed a pre-inspection (without intervening occupancy) within 45 days of the date of the Request for Tenancy Approval, the unit may be approved provided that it meets all other conditions under 24 CFR 982.305. The family will be free to select his or her unit.

When a pre-inspected unit is not selected, the SCHA will make every effort to fast-track the inspection process, including adjusting the normal inspection schedule for any required reinspections.

Initial Lease Term

Unlike in the standard the HCV program, SV voucher holders may enter into an initial lease that is for less than 12 months, regardless of the PHA policy in Section 9-I.E., Term of Assisted Tenancy.

Portability

The normal HCV portability procedures and requirements outlined in Chapter 10 generally apply to SVs. Exceptions are addressed below.

- Under SV, applicant families may move under portability even if the family did not have legal residency in the jurisdiction of the initial PHA when they applied, regardless of PHA policy in Section 10-II.B.
- A receiving PHA cannot refuse to assist an incoming SV family, regardless of whether the PHA administers SVs under its own ACC.
- If the SV family moves under
- portability to another PHA that administers SVs under its own ACC:
  - The receiving PHA may only absorb the incoming SV family with an SV (assuming it has an SV voucher available to do so).
  - If the PHA does not have an SV available to absorb the family, it must bill the initial PHA. The receiving PHA must allow the family to lease the unit with SV assistance and may not absorb the family with a regular HCV when the family leases the unit.
  - Regardless of whether the receiving PHA absorbs or bills the initial PHA for the family's SV assistance, the SV administration of the voucher is in accordance with the receiving PHA's SV policies.
- If the SV family moves under portability to another PHA that does not administer SVs under its own ACC, the receiving PHA may absorb the family into its regular HCV program or may bill the initial PHA.

Family Briefing

In addition to the applicable family briefing requirements at 24 CFR 982.301(a)(2) as to how portability works and how portability may affect the family's assistance, the initial PHA must inform the family how portability may impact the special SV services and assistance that may be available to the family.

The initial PHA is required to help facilitate the family's portability move to the receiving PHA and inform the family of this requirement in writing, taking reasonable steps to ensure meaningful access for persons with limited English proficiency (LEP).

SCHA Policy

The SCHA has not been awarded SV's. In the case that SV's are awarded, the SCHA will do the following:

In addition to following SCHA policy on briefings in Chapter 5, as part of the briefing packet for SV families, the SCHA will include a written notice that the SCHA will assist the family with moves under portability.

For limited English proficient (LEP) applicants, the SCHA will provide interpretation services in accordance with the SCHA's LEP plan (See Chapter 2).

18-VI.G. PAYMENT STANDARDS

Overview

For the SV program, HUD has waived the regulation requiring a single payment standard for each unit size. Instead, the PHA may, but is not required to, establish separate higher payment standards for SVs. Lower SV payment standards are not permitted. If the PHA is increasing the regular HCV payment standard, the PHA must also increase the SV payment standard if it would be otherwise lower than the new regular HCV payment standard. The separate SV payment standard must comply with all other HCV requirements with the exception of the alternative requirements discussed below.

Further, if the PHA chooses to establish higher payments standards for SVs, HUD has provided other regulatory waivers:

- Defining the "basic range" for payment standards as between 90 and 120 percent of the published Fair Market Rent (FMR) for the unit size (rather than 90 to 110 percent).
- Allowing a PHA that is not in a designated Small Area FMR (SAFMR) area or has not opted to voluntarily implement SAFMRs to establish exception payment standards for a ZIP code area above the basic range for the metropolitan FMR based on the HUD-published SAFMRs. The PHA may establish an exception payment standard up to 120 percent (as oppo
- sed to 110 percent) of the HUD published Small Area FMR for that ZIP code area. The exception payment standard must apply to the entire ZIP code area.

SCHA Policy

The SCHA has not been awarded SV's. In the case that SV's are awarded, the SCHA will:

Will not establish a higher payment standard amount for SVs. The PHA will use the same payment standards for HCV and SV.

All rent reasonableness requirements apply to SV units, regardless of whether the PHA has established an alternative or exception SV payment standard.

Increases in Payment Standards

The requirement that the PHA apply increased payment standards at the family's first regular recertification on or after the effective date of the increase does not apply to SV. The PHA may, but is not required to, establish an alternative policy on when to apply the increased payment standard, provided the increased payment standard is used to calculate the HAP no later than the effective date of the family's first regular reexamination following the change.

SCHA Policy

The SCHA has not been awarded SV's. In the case that SV's are awarded, the SCHA will:

Not establish an alternative policy for increases in the payment standard. PHA policy in Section 11-III.B. governing increases in payment standards will apply to SVs.

18-VI.H. PROJECT-BASED UNITS

All tenant-based SV awards can be converted to project-based vouchers (PBVs) at any time after award without HUD approval provided all the established PBV regulations and requirements are followed.

All PBV requirements in 24 CFR Part 983 and in Chapter 17 apply to project-based SVs with the exception of 24 CFR 983.251(c)(1), which requires PHAs to select families for project-based units from its HCV or PBV waiting list. HUD is waiving this requirement and establishing an alternative requirement that PHAs receive SV referrals from CoC partners for vouchers as well as project-based assistance.
